## Building Control Charges

The Building (Local Authority Charges) Regulations 2010

Valid from 1<sup>st</sup> April 2023

### General Notes

These charges relate to work in connection with domestic dwellings only, if you are intending to carry out work to a non-domestic building please contact the Building Control team direct for details of the applicable charges.

#### 1. Full Plans Charges

(a) **Plan Charge** - Payable on deposit of submission.

(b) **Inspection Charge** - Is invoiced to the applicant after the first inspection.

#### 2. Building Notice Charge

Is the total of the 'plan' and 'inspection' charges added together and payable when the Building Notice is submitted.

### Table 'C' Notes

Where applicable please enclose a written estimate of the cost of work, otherwise we will not be able to process your application. We may request a more detailed estimate at a later stage to justify any plan charge submitted.

1. For projects not listed above the charge will be individually determined – please contact the Building Control Team for details.
2. 'Total Estimated Cost' means a reasonable estimate that would be charged by a professional builder but excluding professional (Architects/Surveyors) fees and VAT. No DIY estimates can be accepted.

3. **Disabled persons – some alterations to existing buildings to improve facilities for disabled persons are exempt from charges. For details and advice contact us.**
4. **Where work is carried out at the same time as work referred to in table B a discount will be applied to the charge payable - please contact the Building Control Team for details.**

**PLEASE NOTE**

5. **An additional fee of £100 plus VAT will be charged, upon request for a completion inspection of an archived application which is more than 3 years old. If you require a completion certificate within 48 hours a fee of £200 plus VAT will be charged.**
