

Regulations for the hire of public open space and associated buildings

The Council requires 15 working days to process small event applications. For larger events, the Council requires 6 weeks' notice to process the application. Failure to comply with these guidelines could result in your event not being approved.

If this person steps down as the nominated contact for an organisation hiring the open space, the person taking over responsibility must confirm this in writing by email or letter.

3. These regulations apply to the letting of all premises and grounds which are the responsibility of the Department for Place of South Gloucestershire Council.
