Natural unfinished & monolith headstones are permitted.

No masonry can be installed in Kingswood Remembrance Park **without making a prior appointment with the Cemetery Office.**

At least 7 working days' notice must be given for all appointments, where you will be met on site. You will not be able to install masonry if you do not have a copy of the relevant permit with you or if the masonry does not comply with the Mason's regulations and size restrictions. Foundation sizes must be provided in all instances.

THESE REGULATIONS APPLY TO ALL SGC CEMETERIES

All headstones over 2 feet MUST be fixed with ground anchors.

All memorials must have the section letter & grave number cut in plain figures on the back of the memorial, not less than 15mm in height at the top middle of the masonry. The Masons name must be cut in plain figures on the base at the back of the memorial not less than 15mm in height and at least 5cm above ground level.

This applies to new memorials & changes to existing memorials.
All items requested to be on a grave must form part of the permit request.

Please note the maximum height permitted is measured from ground level and must include any base. All sizes quoted are the maximum sizes permitted.
Monumental pathways in the traditional section are not permitted.
