

Health Promotion in
Education Settings
South Gloucestershire

Directory of Services and Support

Enabling South Gloucestershire education settings to develop and deliver effective programmes of PSHE, RSHE, Pastoral Support, and Health and Wellbeing

Introduction:

This directory lists a range of free-to-access services and support available to South Gloucestershire education settings for the purposes of:

- Enhancing and / or improving the impact of PSHE and RSHE
- Reducing health inequalities and improving inclusive practice
- Improving pupil, staff, and / or family health and wellbeing
- Improving pupil safety and welfare

The document is organised into six sections:

- Physical health and Physical Activity
- Mental Health and Wellbeing
- Sexual Health and Healthy Relationships and Sex Education
- Preventing Violence, Harassment and Abuse
- Equality, Diversity, and Inclusion
- Children and Young People's Safety

The directory will be reviewed and updated twice a year; if you are aware of support not listed, or requiring updating, please let us know by emailing:

healthpromotionineducation@southglos.gov.uk

To find out more about South Gloucestershire's Health Promotion in Education Settings work programme visit our [webpage](#).

Disclaimer:

Every effort has been made to ensure services and support listed in the directory are being offered by reputable providers and are appropriate for their described and intended purpose and audience. However, the Council takes no responsibility for the extent to which selected services and / or support meet a settings' intended need. It remains the responsibility of anyone using services and / or support listed in this directory to assess the extent to which they are likely to be suitable and appropriate for the intended purpose and / or audience. It also remains the responsibility of settings to undertake the necessary safeguarding checks and / or planning when using services or support that involve external visitors being on site to deliver lessons, assemblies, projects, events, or other sessions.

Physical Health and Physical Activity

Name of Provider / Service	Details of the Service / Support	Target age / year group/s	Contact / Web information
Great Western Air Ambulance Service	<p>Our Great Western Hearts CPR Programme teaches people in our region (Bristol, Bath and North East Somerset, North Somerset, South Gloucestershire and Gloucestershire) how to deliver CPR and use an Automated External Defibrillator (AED). Our aim with Great Western Hearts is for members of our community to have the confidence and skills to deliver early lifesaving interventions.</p> <p>Our Great Western Hearts sessions are delivered by healthcare professionals who are basic life support trained and volunteer to deliver to students in secondary schools.</p> <p>The sessions involve a demonstration of DRS-ABC – Danger, Response, Shout, Airway, Breathing, and chest compressions (CPR)- before participants are then given the opportunity to practice the recovery position, CPR and how to use an AED.</p> <p>Sessions last the length of a typical lesson, and we can have up to 30 students per session, running multiple sessions a day.</p>	All secondary	<p>https://greatwesternairambulance.com/what-we-do/education/heartstarters/</p> <p>To book a session: carlota.appleby@gwaac.com</p>
Healthy Weight Programme (Families)	<p>Free and fun 12-week group programme, delivered at South Glos Active Lifestyle Centres, for families, children and young people who are above a healthy weight.</p> <p>Eligibility criteria:</p> <ul style="list-style-type: none"> • Aged 5 to 17 years • A BMI \geq91st centile with no co-morbidity (<i>above the healthy weight range on a centile chart</i>) • Lives in South Gloucestershire or registered at a GP surgery in South Gloucestershire • Parent/carer must consent to the referral and attend all provision alongside the child or young person. 	5 to 17yrs	<p>For families One You South Gloucestershire (southglos.gov.uk)</p> <p>Healthy Weight Programme (Families) Referral From (office.com)</p>
Sirona: Chat Health	<p>ChatHealth is a confidential text messaging service run by the BNSSG School Nursing service. It allows students to contact School Nurses about a range of issues including emotional health and wellbeing, relationships, smoking, stress and anxiety, self-esteem, bullying, drugs and alcohol and sexual health, however it is not an emergency service.</p>	11 to 19yrs	<p>ChatHealth – Children and Young People’s Services (sirona-cic.org.uk)</p>

Physical Health and Physical Activity

Name of Provider / Service	Details of the Service / Support	Target age / year group/s	Contact / Web information
Sirona School Health Nursing Service	School Nurses work with children, young people, and their parents/carers to maximise their health and well-being. School Nurses can meet with children and young people in groups, for example in school, or individually in several venues such as at school, at home or another venue in your local community. School nurses provide information and support on several topics that children or young people come across that can affect their health.	5 to 19yrs	School Nursing Service – Children and Young People's Services (sirona-cic.org.uk)
Sirona: School Health Nurse Drop-in sessions?	School Nurse drop-ins provide a confidential space for young people in secondary schools to meet with a School Nurse.	11 to 19yrs	Contact your named school nurse for further details
South Gloucestershire Council: Bikeability free cycle training	Bikeability gives children the skills and confidence to cycle safely. There are three levels. The sessions take children from the basics of balance and control, all the way to planning and making an independent journey on busier roads. Training is delivered by South Gloucestershire Council Road Safety Team's qualified National Standard Instructors who are all DBS checked. (Please note as of December 2023 Level 1 and 3 courses are not currently on offer).	Level 1: Yr 3 & 4 Level 2: Yr 5 & 6 Level 3: Yr 6+	Cycle.training@southglos.gov.uk Bikeability BETA - South Gloucestershire Council (southglos.gov.uk)
South Gloucestershire Council: Road Safety Education – Scooter training	Delivered in terms 1, 4, 5, & 6, this training consists of an interactive classroom session and for those with a scooter and helmet a practical session in the playground, where all children get the opportunity to develop their skills learning through fun and games.	Year 3	roadsafetyeducation@southglos.gov.uk
South Gloucestershire Council: Road Safety Education – Pedestrian Training	Pedestrian Training aims to encourage independent journeys. This will be delivered by the Road Safety Team and consists of an interactive classroom session, learning safe strategies for crossing the road at junctions and between parked cars through group discussion and work sheets. Pupils then get the opportunity to put these skills into practice in a practical session out on the roadside in small groups.	Year 5	roadsafetyeducation@southglos.gov.uk

Physical Health and Physical Activity

Name of Provider / Service	Details of the Service / Support	Target age / year group/s	Contact / Web information
<p>South Gloucestershire Council: Sustainable and Active Travel team - Clean Air Kids</p>	<p>Workshop delivered online by SGC staff via MS Teams. Resources for workshop, including a workbook for each pupil, delivered 1 week before booking. The first half of the workshop, using the workbook, introduces pollution and congestion from cars and how walking, scooting, and cycling can be a fun alternative to cars and helps keep us healthy, fit and alert. The second half will involve the pupils using the ideas from the first half of the workshop to create a poster poster (using the A4 paper provided) to promote active travel to school.</p>	<p>Year 3</p>	<p>sustravel4schools@southglos.gov.uk</p>
<p>South Gloucestershire Council: Sustainable and Active Travel team - Safer, Fitter, Greener</p>	<p>Workshop delivered online by SGC staff via MS Teams. Resources for workshop, including a workbook for each pupil, delivered 1 week before booking. The workshop looks at active travel to school focusing on staying safe on the journey to school and how active travel helps with our health and fitness as well as helping the environment. The second half of the session the children will create a poster (using the A4 paper provided) encouraging other children to actively travel to school.</p>	<p>Year 4</p>	<p>sustravel4schools@southglos.gov.uk</p>
<p>South Gloucestershire Council: Sustainable and Active Travel team - Air, Land & Sea</p>	<p>Workshop delivered online by SGC staff via MS Teams, supported by videos. Resources for workshop, including a workbook for each pupil, delivered 1 week before booking. The workshop focuses on how pollution affects the air, land and sea, and how pupils can take simple steps to improve the environment. Taking on these ideas the pupils design a poster to encourage others to actively travel to school.</p>	<p>Year 5</p>	<p>sustravel4schools@southglos.gov.uk</p>
<p>South Gloucestershire Council: Young People's Drug & Alcohol Service (YPDAS) Core Offer</p>	<p>Targeted group work (all years): Early Intervention Groups are for young people where there are concerns around experimental substance use; three sessions per group are delivered to fit in with lesson times.</p>	<p>All year groups</p>	<p>ypdas@southglos.gov.uk</p>

Avon Fire and Rescue Service: EYFS Discovery Pack	Our new roleplay-based Fire Service Awareness discovery learning pack. The pack's activities align to the Early Years Foundation Stage outcomes and contains resources which inspire creative and engaging play. There is a 2-week loan of the resource pack.	EYFS	CYP@avonfire.gov.uk
Avon Fire and Rescue Service: Fire Safety Workshop	60-minute session delivered in your setting or at your local wholtime fire station. The content covers the four key safety messages for this age group as well as insights into what life is like as a firefighter.	Years 1 & 2	CYP@avonfire.gov.uk
Avon Fire and Rescue Service: Fire & Water Safety Workshop	90-minute session covering a range of messaging within Fire and Water safety to ensure those children who are getting more freedom as they start their transition to Secondary school have the skills and confidence to recognise risk and understand what actions will keep them safe.	Years 5 & 6	CYP@avonfire.gov.uk
Avon Fire and Rescue Service: Fire, Water and Road safety workshops	Option of three topics 60-minute risk awareness session where the learning focuses on exploring the possible outcomes of risk-taking and ensuring young people understand the actions, they need to take in an emergency to limit the likely negative consequences.	Years 7 to 9	CYP@avonfire.gov.uk
Avon Fire and Rescue Service: Safety Assemblies	We offer bespoke sessions from assembly-style to small group sizes, where we can address a particular topic for your setting – perhaps there has been a significant incident in the local area or in the national press, or maybe a series of fire alarms being set-off by pupils, or as a whole-school introduction to the topic of fire safety before we deliver individual classroom sessions.	All year groups	CYP@avonfire.gov.uk
Avon Fire and Rescue Service: Young Drivers Road Safety	Our 'Learn2Live' road safety package supports young drivers in understanding the specific risks the 'Fatal 5' factors present, leading to young people being killed or seriously injured on the roads	Years 10 to 13	CYP@avonfire.gov.uk
Avon Fire and Rescue Service: Tackling Fire setting behaviour in children & young people	Free intervention scheme by referral working with CYPs and their families to educate around the dangers of fire setting and associated behaviours.	5-18 (or 25 with an EHCP)	firesetters@Avonfire.gov.uk

Great Western Air Ambulance Service	<p>Our Great Western Hearts CPR Programme is our training initiative teaching people in our region (Bristol, Bath and North East Somerset, North Somerset, South Gloucestershire and Gloucestershire) how to deliver effective CPR and use an Automated External Defibrillator (AED). Our aim with Great Western Hearts is for members of our community to have the confidence and skills to deliver early lifesaving interventions.</p> <p>Our Great Western Hearts sessions are delivered by a range of healthcare professionals who are basic life support trained and volunteer to deliver the training to students in secondary schools, community groups and our corporate supporters across our region.</p> <p>The sessions involve a demonstration of DRS-ABC – Danger, Response, Shout, Airway, Breathing, and chest compressions (CPR)- before participants are then given the opportunity to practice the recovery position, CPR and how to use an AED.</p> <p>Sessions last the length of a typical lesson and we can have up to 30 students per session, running multiple sessions a day.</p>	All secondary	<p>https://greatwesternairambulance.com/what-we-do/education/heartstarters/</p> <p>To book a session: carlota.appleby@gwaac.com</p>
NSPCC Learning: Speak Out Stay Safe	<p>Speak out Stay safe is a safeguarding programme for children aged 5- to 11-years-old. It is available to all primary schools in the UK and Channel Islands. It helps children understand:</p> <ul style="list-style-type: none"> • abuse in all its forms and how to recognise the signs of abuse • that abuse is never a child's fault, and they have the right to be safe <p>where to get help and the sources of help available to them, including our Childline service.</p>	Key Stage 1 & 2	<p>Speak out Stay safe programme NSPCC Learning</p> <p>Schools form NSPCC Learning</p>
South Gloucestershire Council: Road Safety Education	<p>Road Safety workshop. Road safety team members will visit your school to discuss with your Year 4 children 3 topics. Pedestrian safety - covering the 'Green Cross Code' using our working Puffin crossing and roll-out road. Cycle safety using our egg helmet. In-car safety bringing our ramp and car with its road test crash dummies, covering seat belts, car seats, sharing seat belts and pet transporting. The presentations are visual and interactive, encouraging all pupils to participate in discussions.</p>	Year 4	roadsafetyeducation@southglos.gov.uk

South Gloucestershire Council: Road Safety Education – Pedestrian Training	Pedestrian Training aims to encourage independent journeys. This will be delivered by the Road Safety Team and consists of an interactive classroom session, learning safe strategies for crossing the road at junctions and between parked cars through group discussion and work sheets. Pupils then get the opportunity to put these skills into practice in a practical session out on the roadside in small groups.	Year 5	roadsafetyeducation@southglos.gov.uk
South Gloucestershire Council: Road Safety Education – My Journey	Helping children to plan a walking journey and make good choices when crossing roads. We also discuss vehicle stopping distances and distractions. Suggested activities for the teach to do with the children are included.	Year 6	roadsafetyeducation@southglos.gov.uk
South Gloucestershire Council: Road Safety Education – Be Bright, Be Seen	When the clocks are due to go back in October, we can offer your school a Be Bright Be Seen assembly. The aim of the assembly is to encourage all children to wear something bright and take extra care when out and about near roads, especially as nights draw in and visibility is reduced. We have 4 exciting presentations which we rota year on year to keep it fresh and interesting for the children. This is a different presentation every year.	Primary (all years)	roadsafetyeducation@southglos.gov.uk
South Gloucestershire Council: Road Safety Education – Big Bro, Little Sis	In person. A member of the Road Safety team will visit your school with a 15-minute presentation. Emphasises what can be missed when being distracted by smart phone and headphones.	KS 3	roadsafetyeducation@southglos.gov.uk
South Gloucestershire Council: Road Safety Education – Peer Pressure: What Went Down	In person. A member of the Road Safety team will visit your school with a 15-minute presentation. Explores peer pressure and cycle safety through story, emphasising the good choice of wearing a cycle helmet and being aware of what's around you.	KS 3	roadsafetyeducation@southglos.gov.uk
South Gloucestershire Council: Road Safety Education – Bespoke Road Safety session	Tailored to meet your needs covering any Road Safety issues specific to your school, pupils and or area.	All secondary	roadsafetyeducation@southglos.gov.uk
