in South Gloucestershire

The hot meals delivery service you can **trust**

Affordable, freshly cooked hot meals delivered direct to your home

**integra.**  
your community

  
South Gloucestershire  
Council

# As part of ongoing commitments to our customers, we've made some improvements to our community meals service

The past few months have been a very busy time for us because of the Covid-19 pandemic, with a large increase in the numbers of customers signing up for our service. We've taken this opportunity to make some changes to our menu which we hope you'll enjoy.

We have replaced our traditional menu with a version that has three meal options to choose from, which includes a jacket potato option. **We also offer some breakfast and tea options. Contact our team to find out more details.** This gives more choice, as well as being more cost effective, with less wastage from any additional meals not required.

# We have a new 4 week rolling menu

Choose the days you would like a meal delivered and make your choice of main meal by ticking the relevant box(es). Please also indicate if you would like a tea meal for the same day or a breakfast delivered for the following day.

If you need help, contact our friendly team on  **01454 865996**.

# How to order from our new menu
