

Schools waste and recycling collections

We offer cost price collection contract for food waste and non-recyclable waste in addition to our free recycling collections for paper, card, plastics and cans for schools.

Our waste service aims to help schools manage their waste by recycling more and reducing waste where possible. This not only helps to reduce costs but also helps the environment and fits in with recycling at home.

What's included?

- Simple pricing structure which includes all external storage bins as well as collection costs (VAT does not need to be added)
- A weekly collection of non-recyclable waste
- A weekly collection of food waste, which includes internal bins for collecting food around school
- Free fortnightly collections of paper, card, cartons (Tetra Pak), plastic bottles, tubs, trays, cans and foil
- Support and advice to maximise recycling including inset day training (subject to availability) and information about what can go in each bin
- A choice of a 45 or 52-week collection year (45 week includes a collection in the first week of each school holiday)
- Customer service - It's easy to contact us if there's a problem with your collection or if you need help with anything

We provide annual duty of care documentation to comply with [waste legislation](#).

What does it cost?

To provide a cost effective service and maximise recycling, we provide a non-recyclable waste collection with separate food waste. Non-recyclable waste collections are not available without separate food waste collections.

We price our collection on the size and number of bins that we empty. The table below shows example costs for different combinations of bins.

Food waste collection	Non-recyclable waste collection								
	Bins - no. x size (litres)	1x 240l	2x 240l	3x 240l	4x 240l	1x 1100l	2x 1100l	3x 1100l	4x 1100l
	1x 140l	£16.04	£18.78	£21.51	£24.25	£25.46	£37.61	£49.76	£61.91
	2x 140l	£19.08	£21.82	£24.55	£27.29	£28.50	£40.65	£52.80	£64.95
	3x 140l	£22.12	£24.85	£27.59	£30.33	£31.53	£43.69	£55.84	£67.99
	4x 140l	£25.16	£27.89	£30.63	£33.37	£34.57	£46.73	£58.88	£71.03
	5x 140l	£28.20	£30.93	£33.67	£36.41	£37.61	£49.76	£61.91	£74.06
	6x 140l	£31.23	£33.97	£36.71	£39.44	£40.64	£52.80	£64.95	£77.10

Example: 2x 240 litre bins for **non-recyclable waste** and 1x140 litre bin for **food waste** would be £18.78 per lift (collection).

That's £845.10 for 45 weeks and includes recycling of paper, card, plastics and cans.
