

C Tidal flood risk mapping

- Figure C-1: Tidal flood risk (5% AEP – defended and undefended) I
- Figure C-2: Tidal flood risk (0.5% AEP – defended and undefended) II
- Figure C-3: Tidal flood risk (0.1% AEP – defended and undefended) III
- Figure C-4: Tidal flood risk (future 0.5% AEP event – defended) IV
- Figure C-5: Tidal flood risk (future 0.1% AEP event – defended) V
- Figure C-6: Tidal flood risk (future 0.5% AEP event – undefended) VI
- Figure C-7: Tidal flood risk (future 0.1% AEP event – undefended) VII
- Figure C-8: 5% AEP event (present day – defended) depth VIII
- Figure C-9: 0.5% AEP event (present day – defended) depths IX
- Figure C-10: 0.1% AEP event (present day – defended) depths X
- Figure C-11: 5% AEP event (present day – defended) hazard XI
- Figure C-12: 0.5% AEP event (present day – defended) hazard XII
- Figure C-13: 0.1% AEP event (present day – defended) hazard XIII
- Figure C-14: 5% AEP event (present day – undefended) depths XIV
- Figure C-15: 0.5% AEP event (present day – undefended) depths XV
- Figure C-16: 0.1% AEP event (present day – undefended) depths XVI
- Figure C-17: 0.5% AEP event (future to 2117 – defended) depths XVII
- Figure C-18: 0.1% AEP event (future to 2117 – defended) depths XVIII
- Figure C-19: 0.5% AEP event (future to 2117 – defended) hazard XIX
- Figure C-20: 0.1% AEP event (future to 2117 – defended) hazard XX
- Figure C-21: 0.5% AEP event (future to 2117 – undefended) depths XXI
- Figure C-22: 0.1% AEP event (future to 2117 – undefended) depths XXII

Figure C-1: Tidal flood risk (5% AEP – defended and undefended)

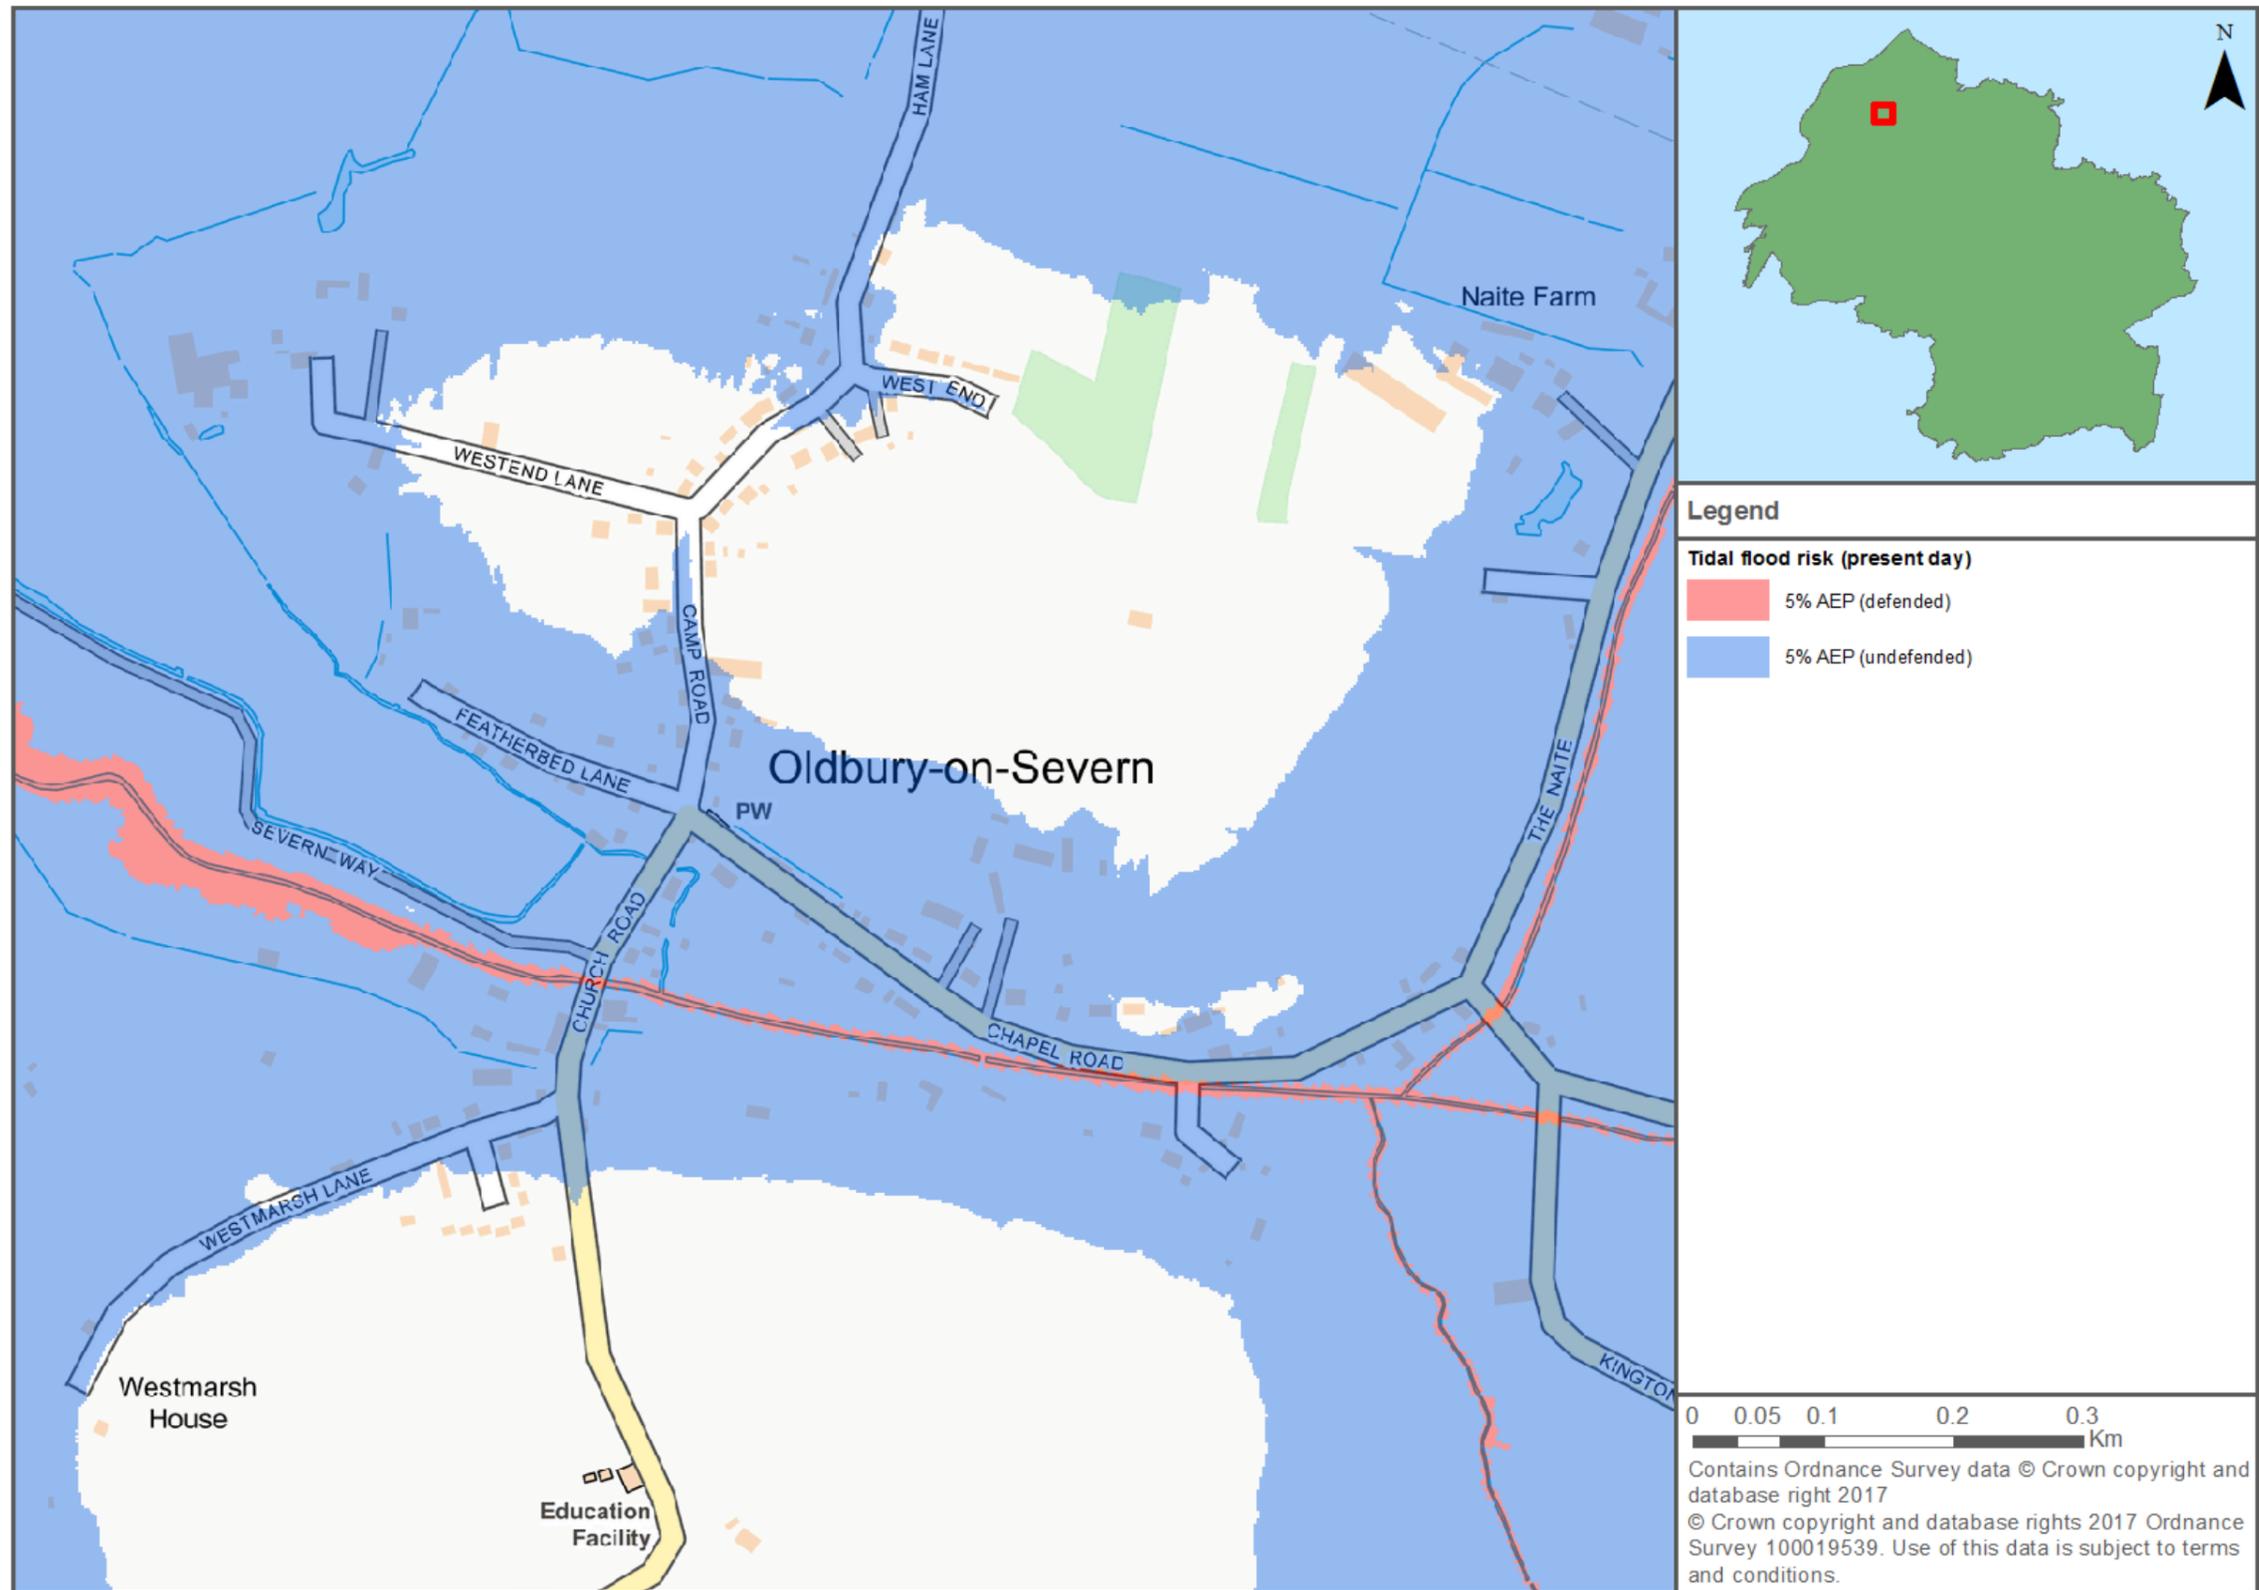

Figure C-2: Tidal flood risk (0.5% AEP – defended and undefended)

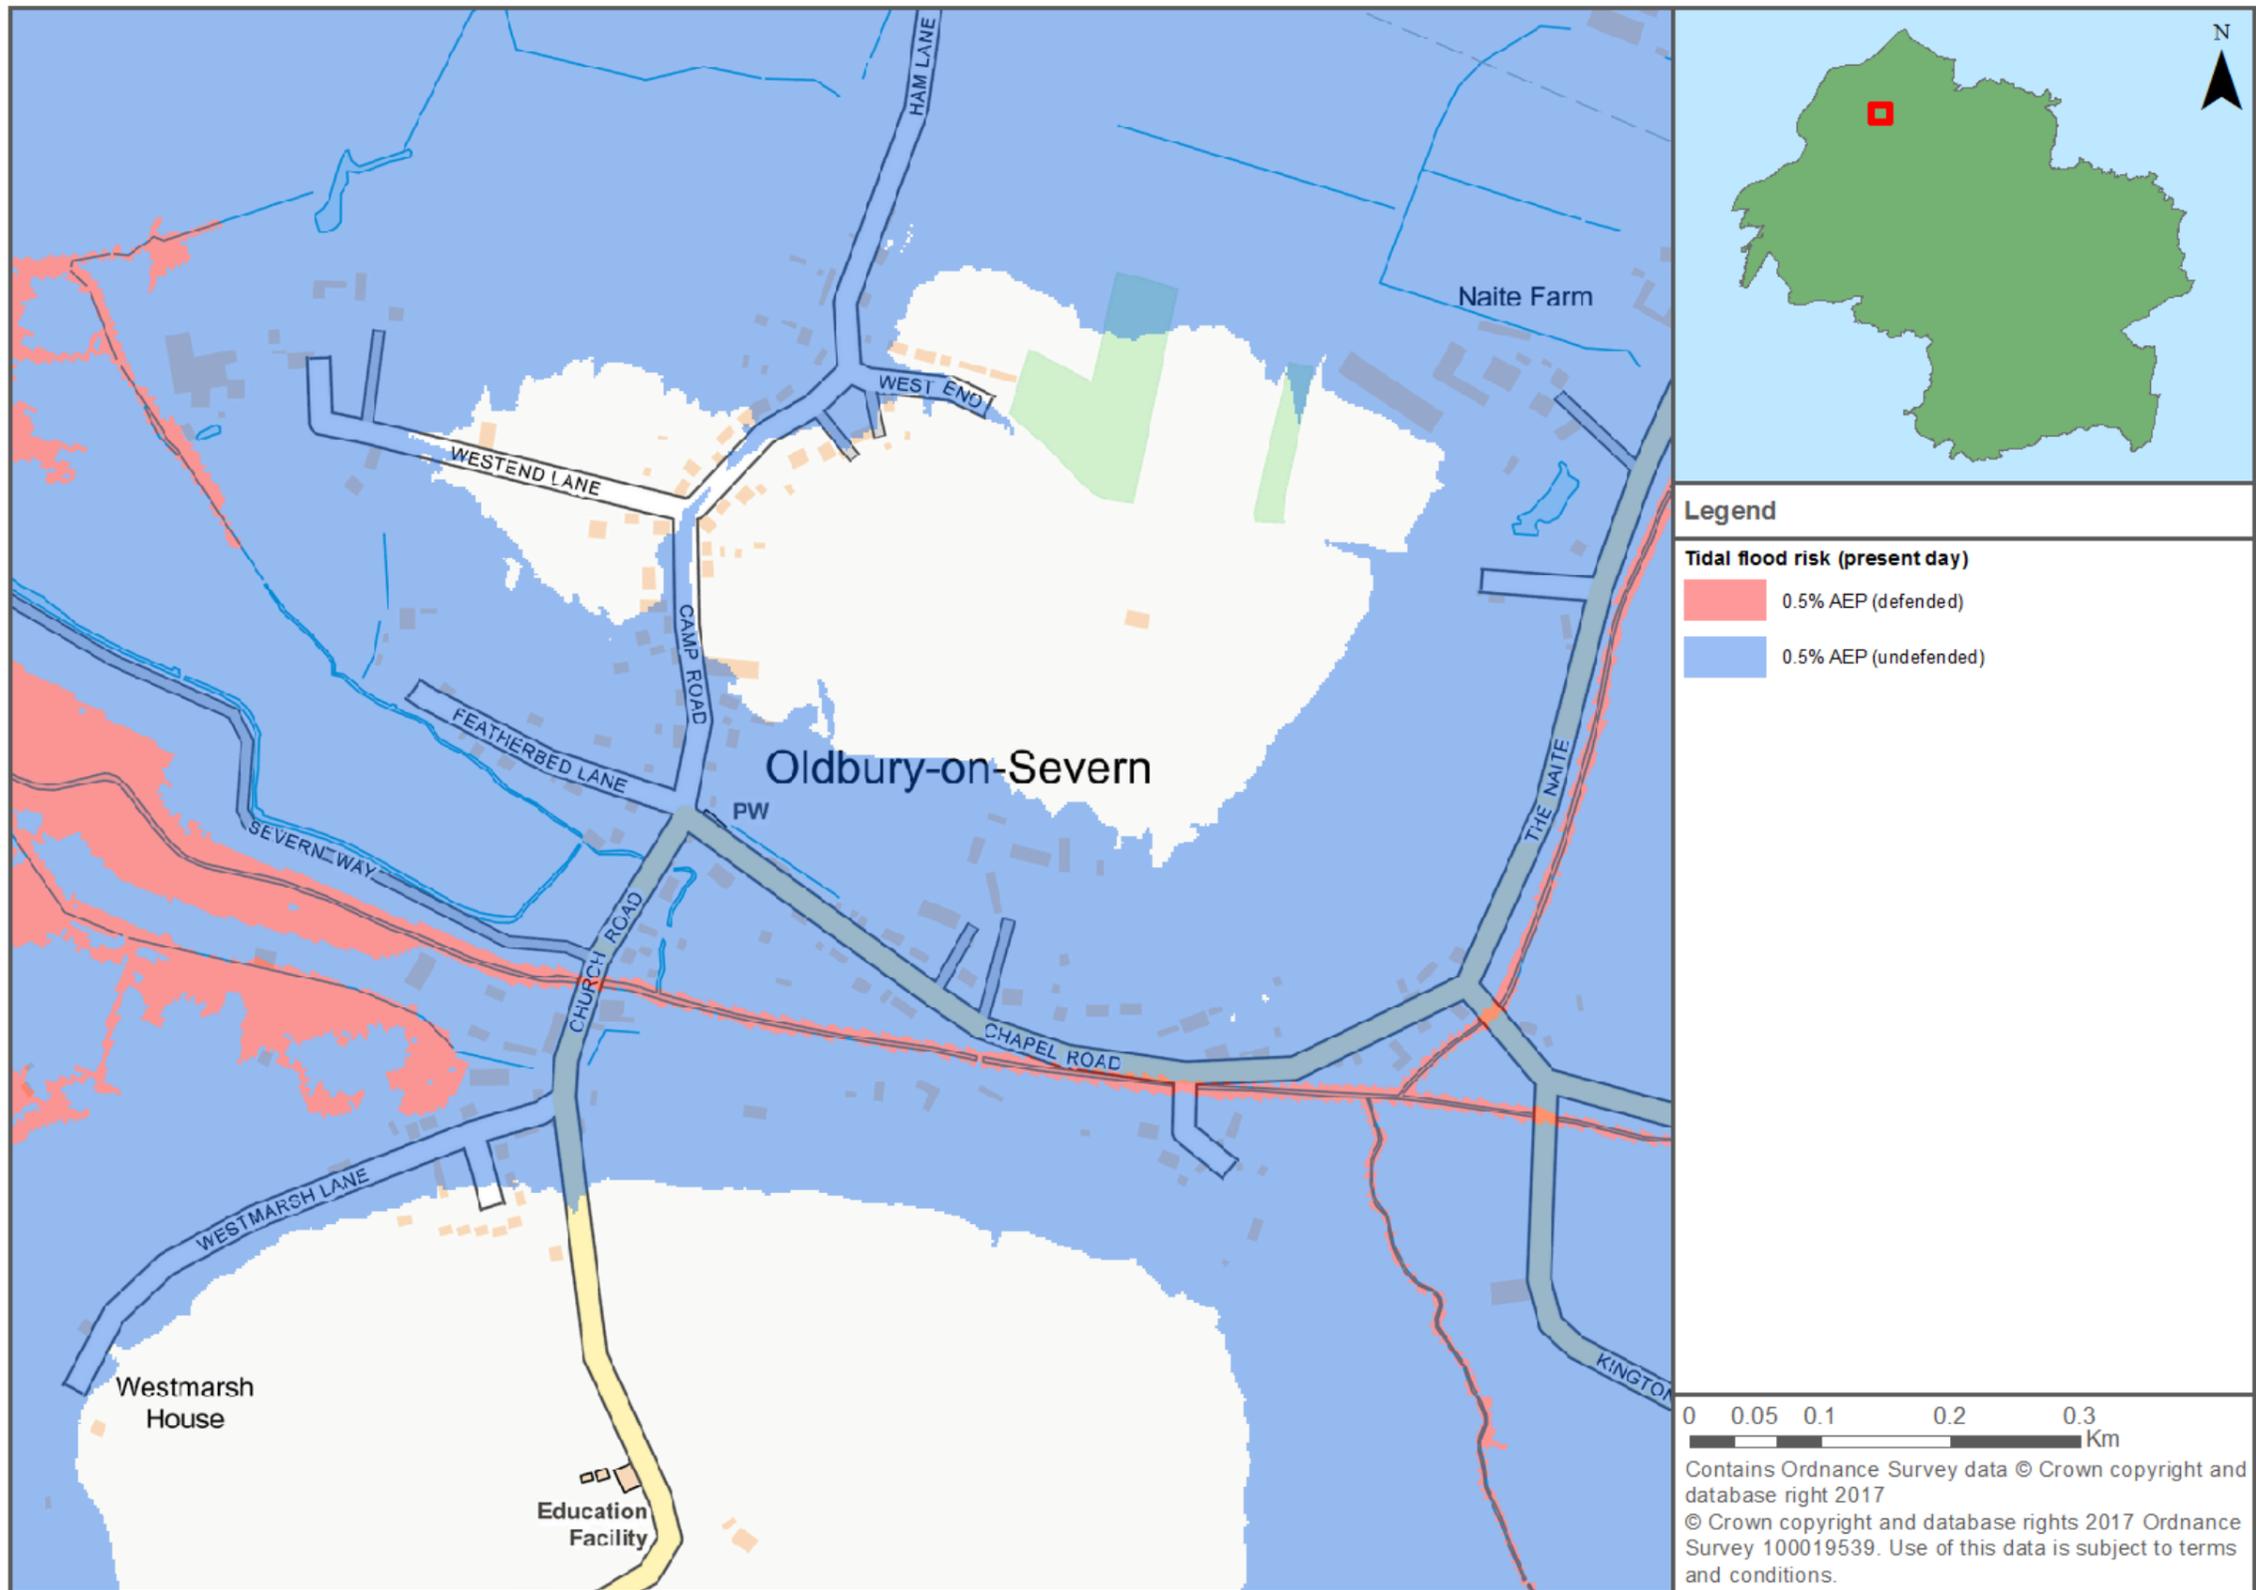

Figure C-3: Tidal flood risk (0.1% AEP – defended and undefended)

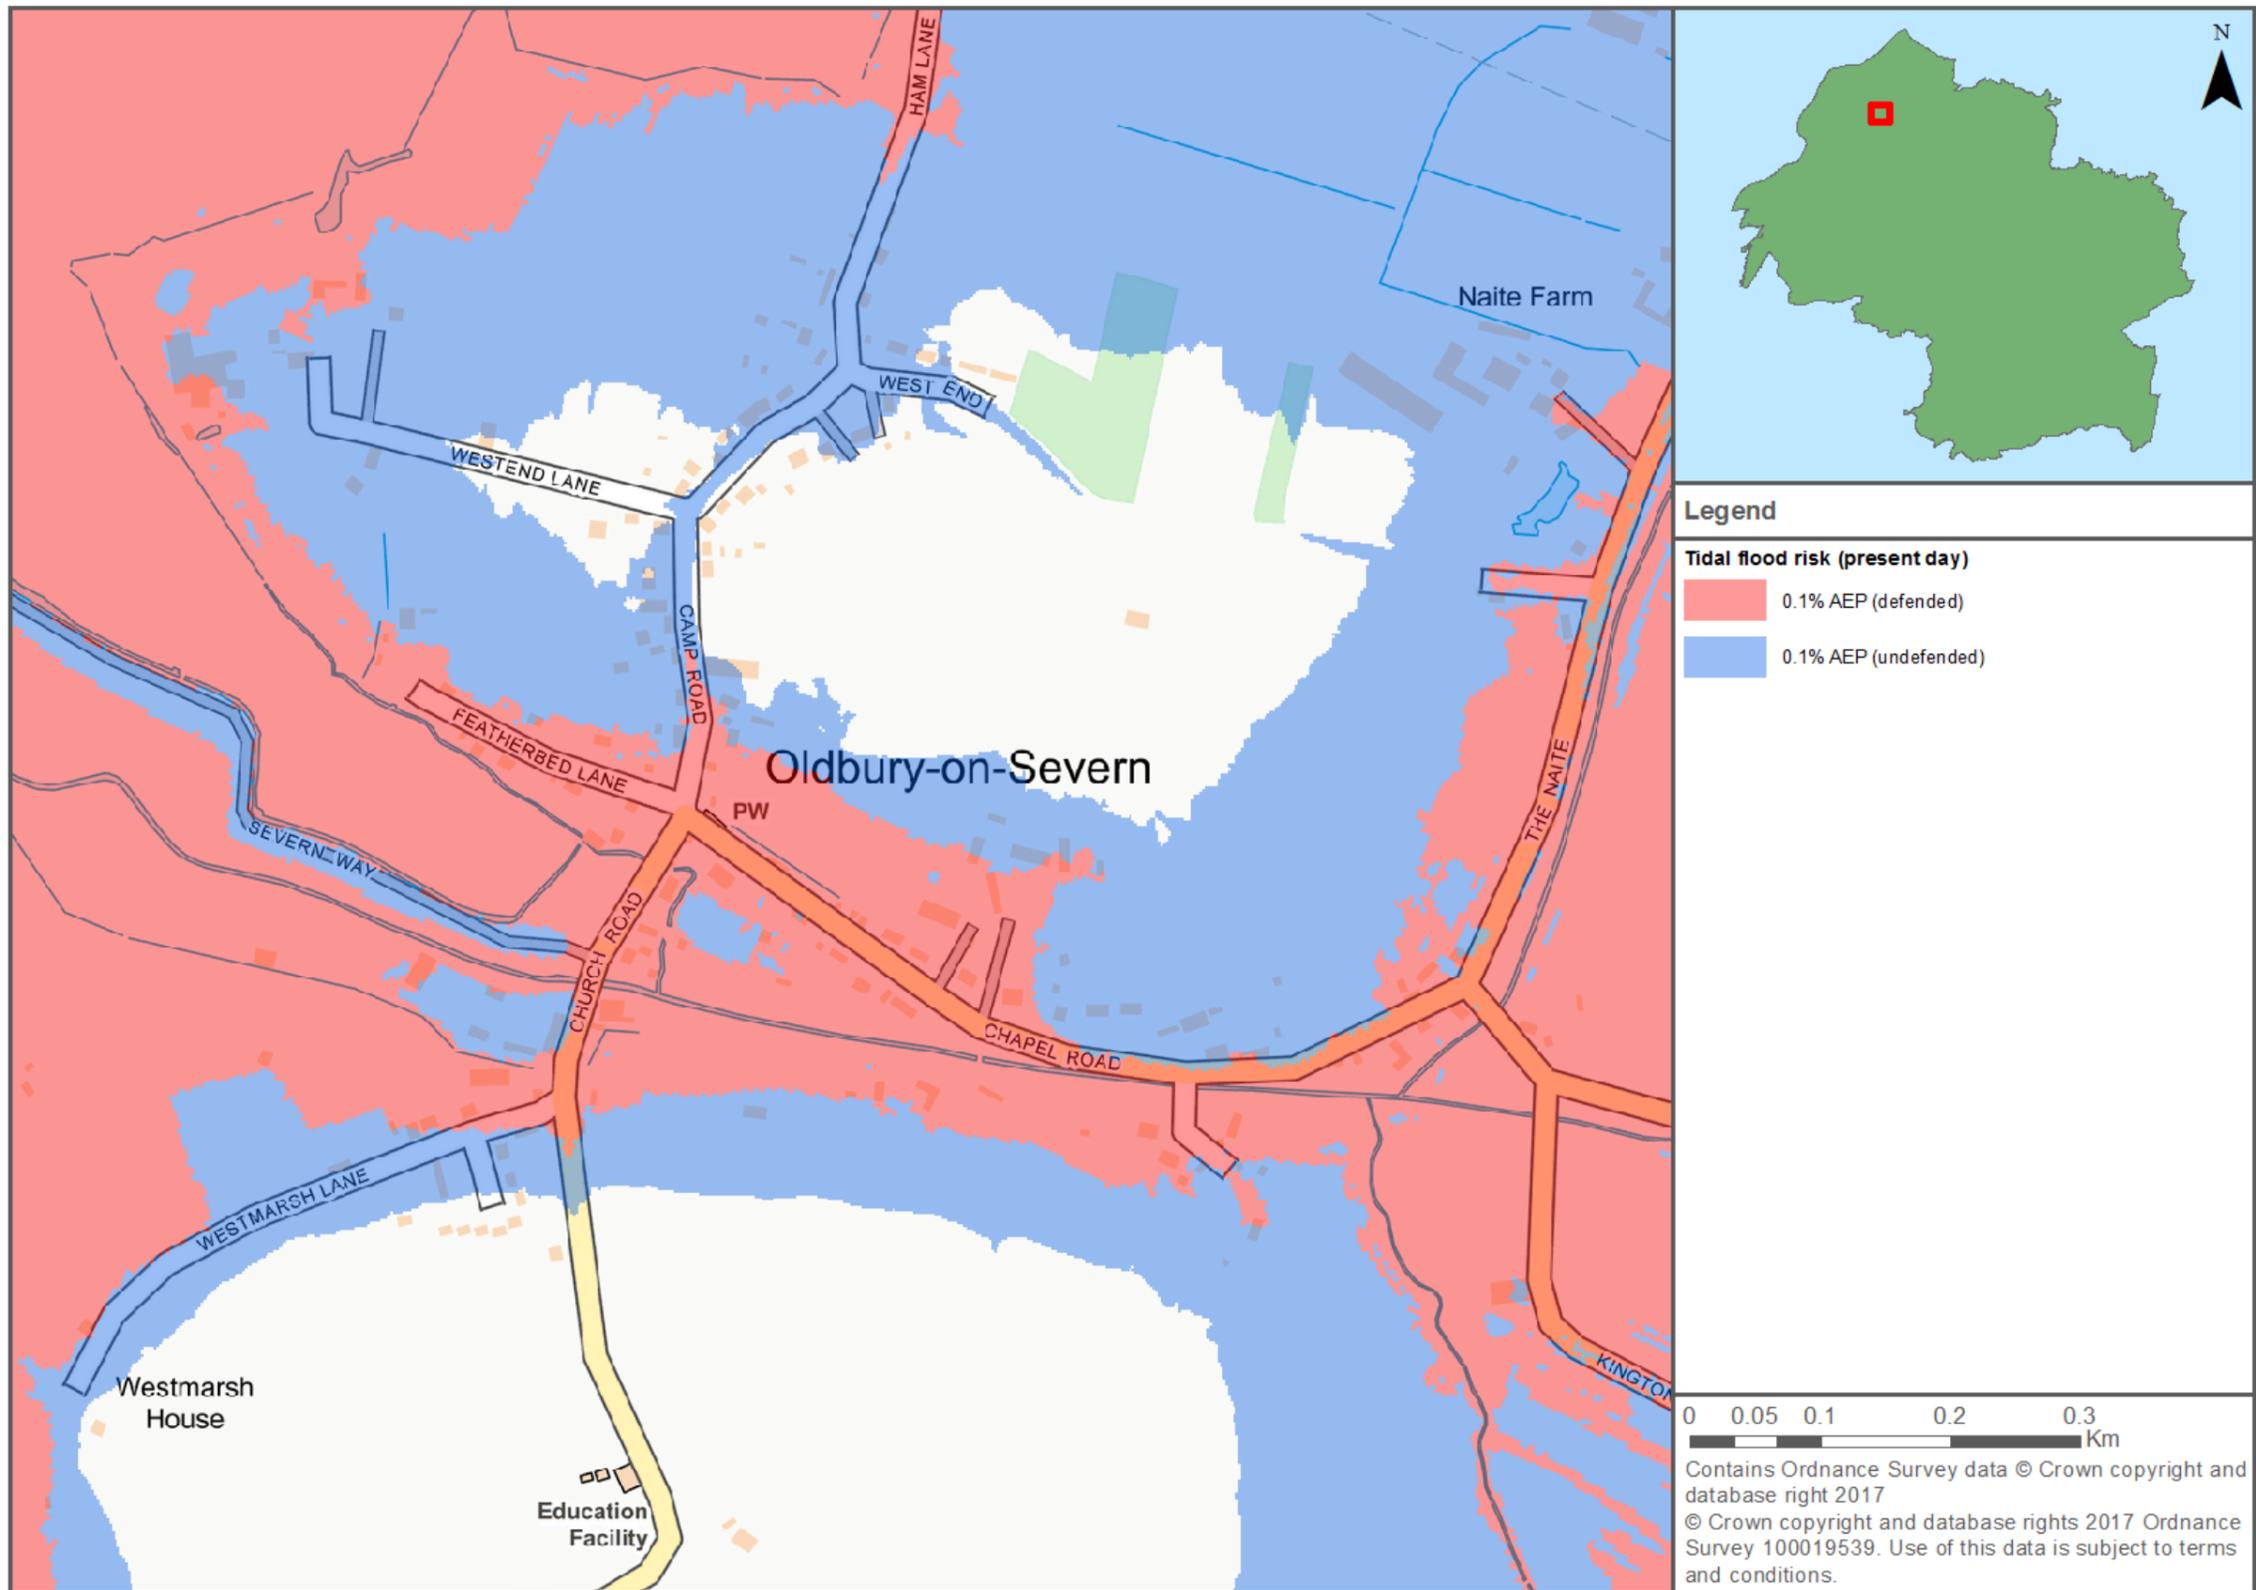

Figure C-4: Tidal flood risk (future 0.5% AEP event – defended)

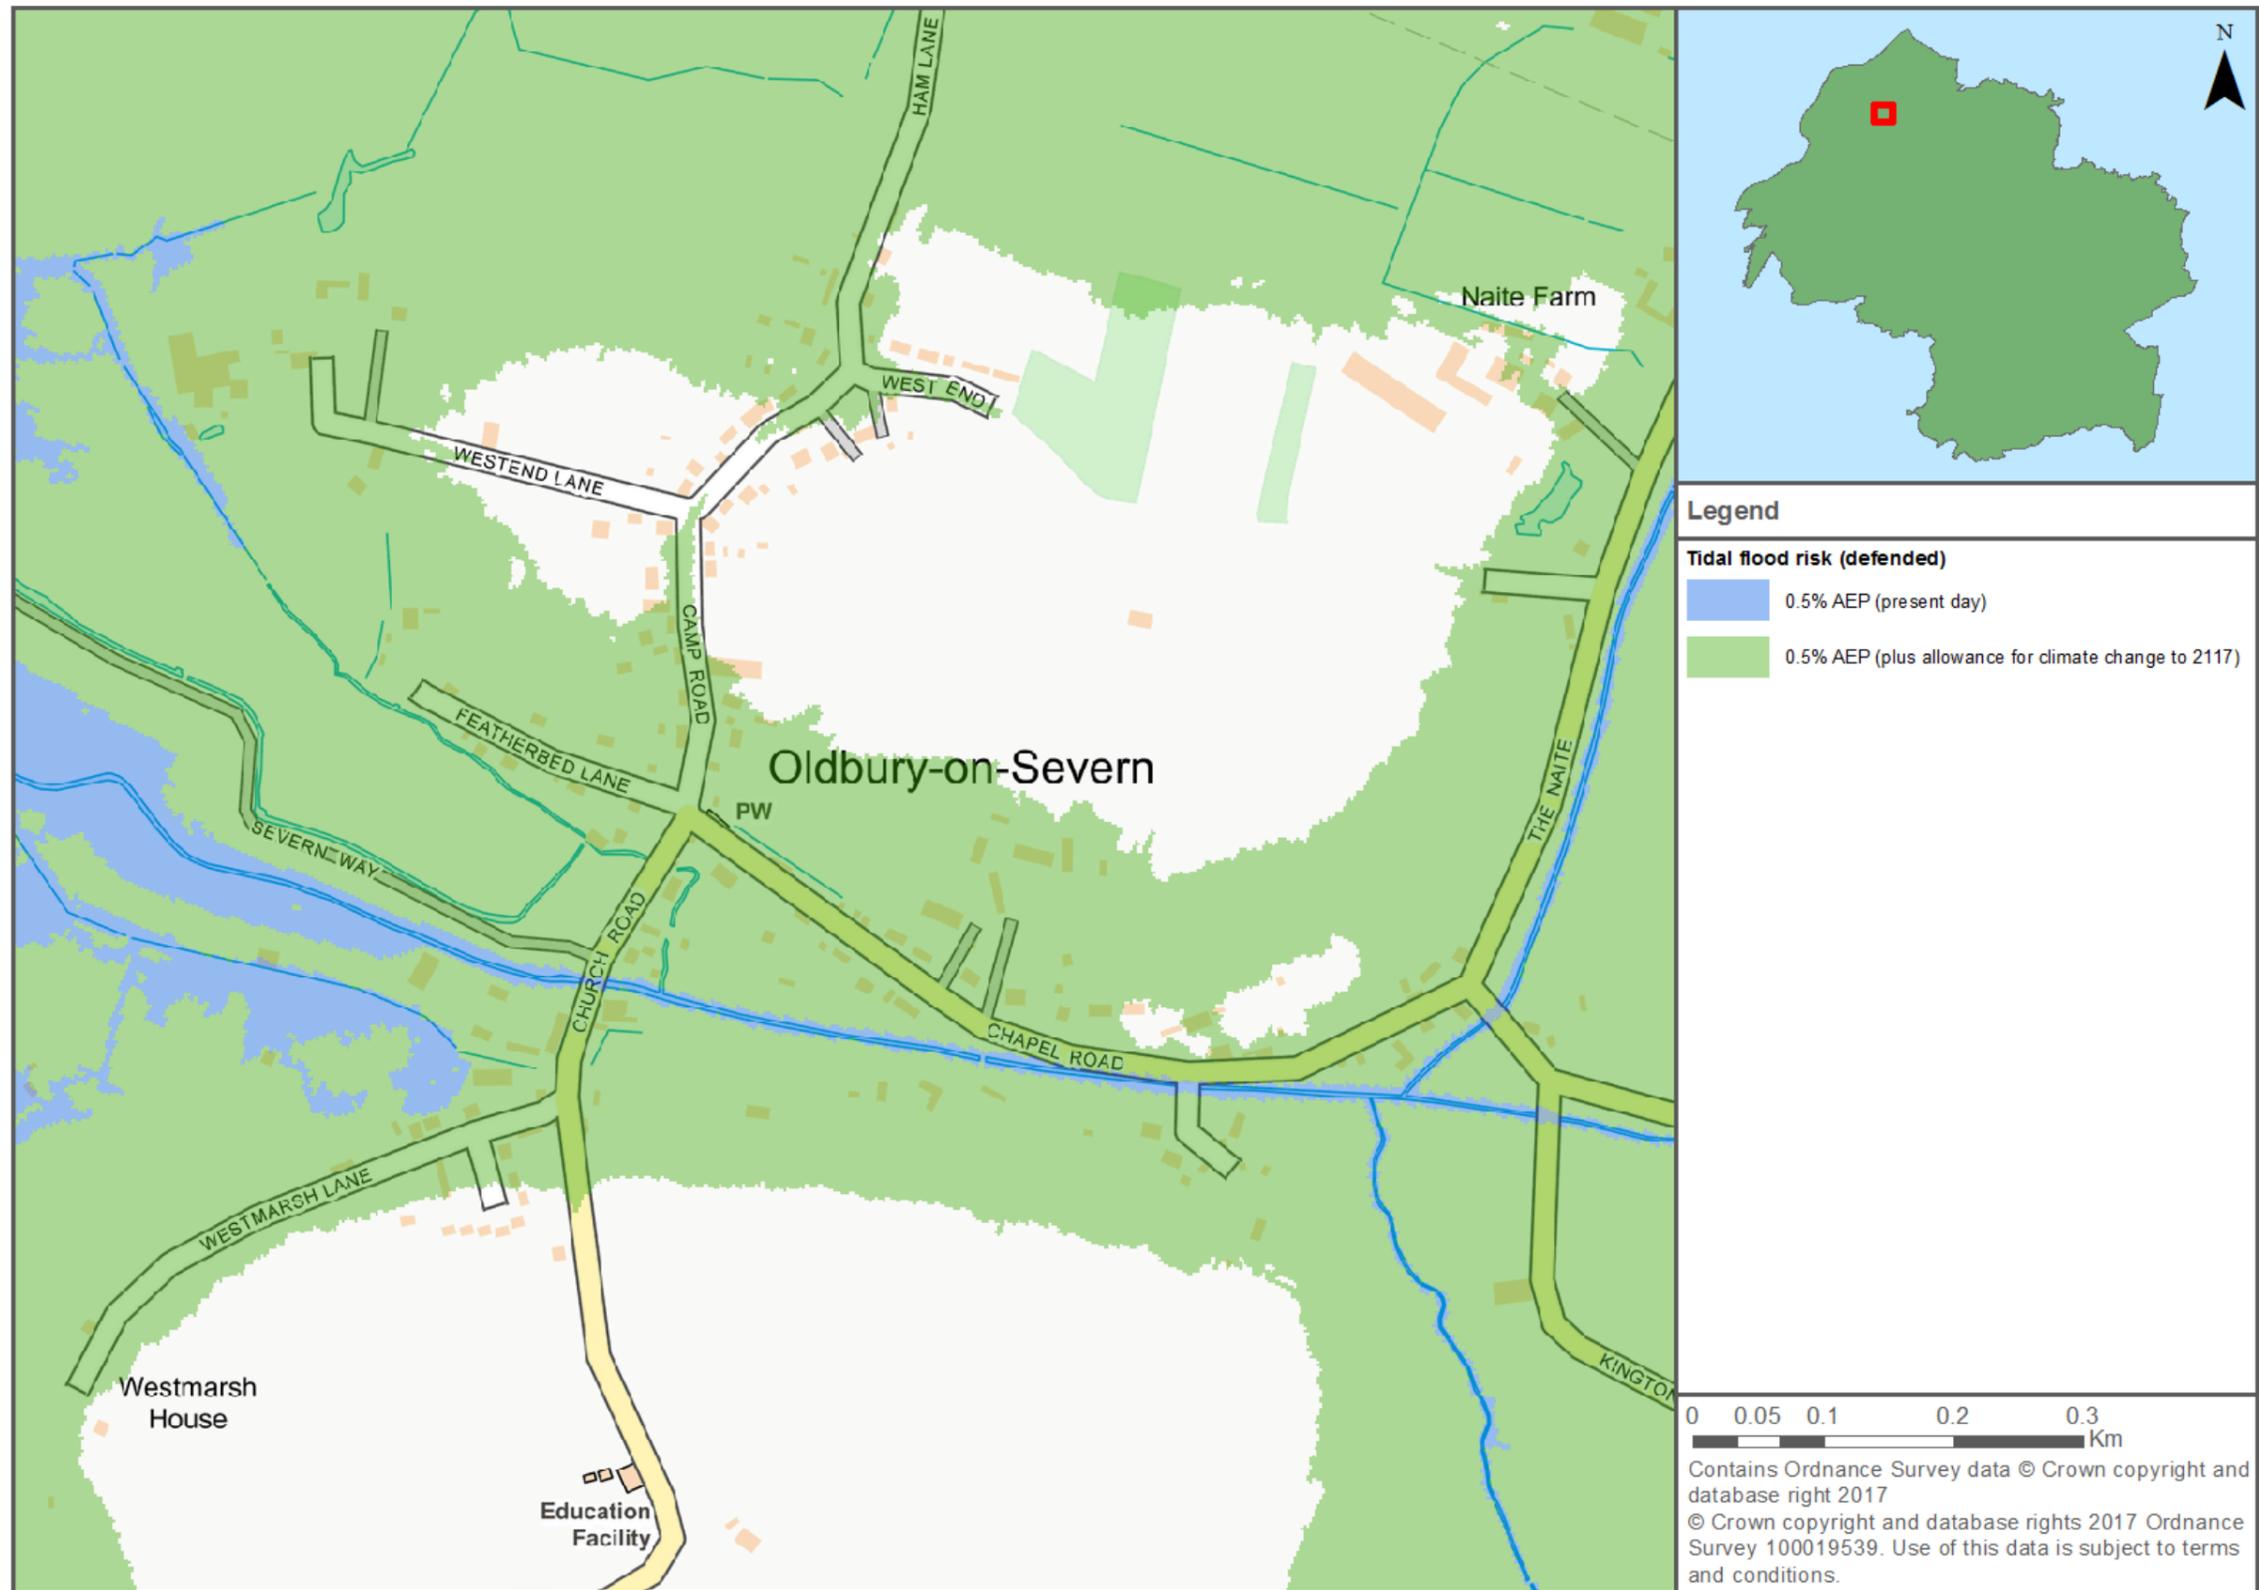

Figure C-5: Tidal flood risk (future 0.1% AEP event – defended)

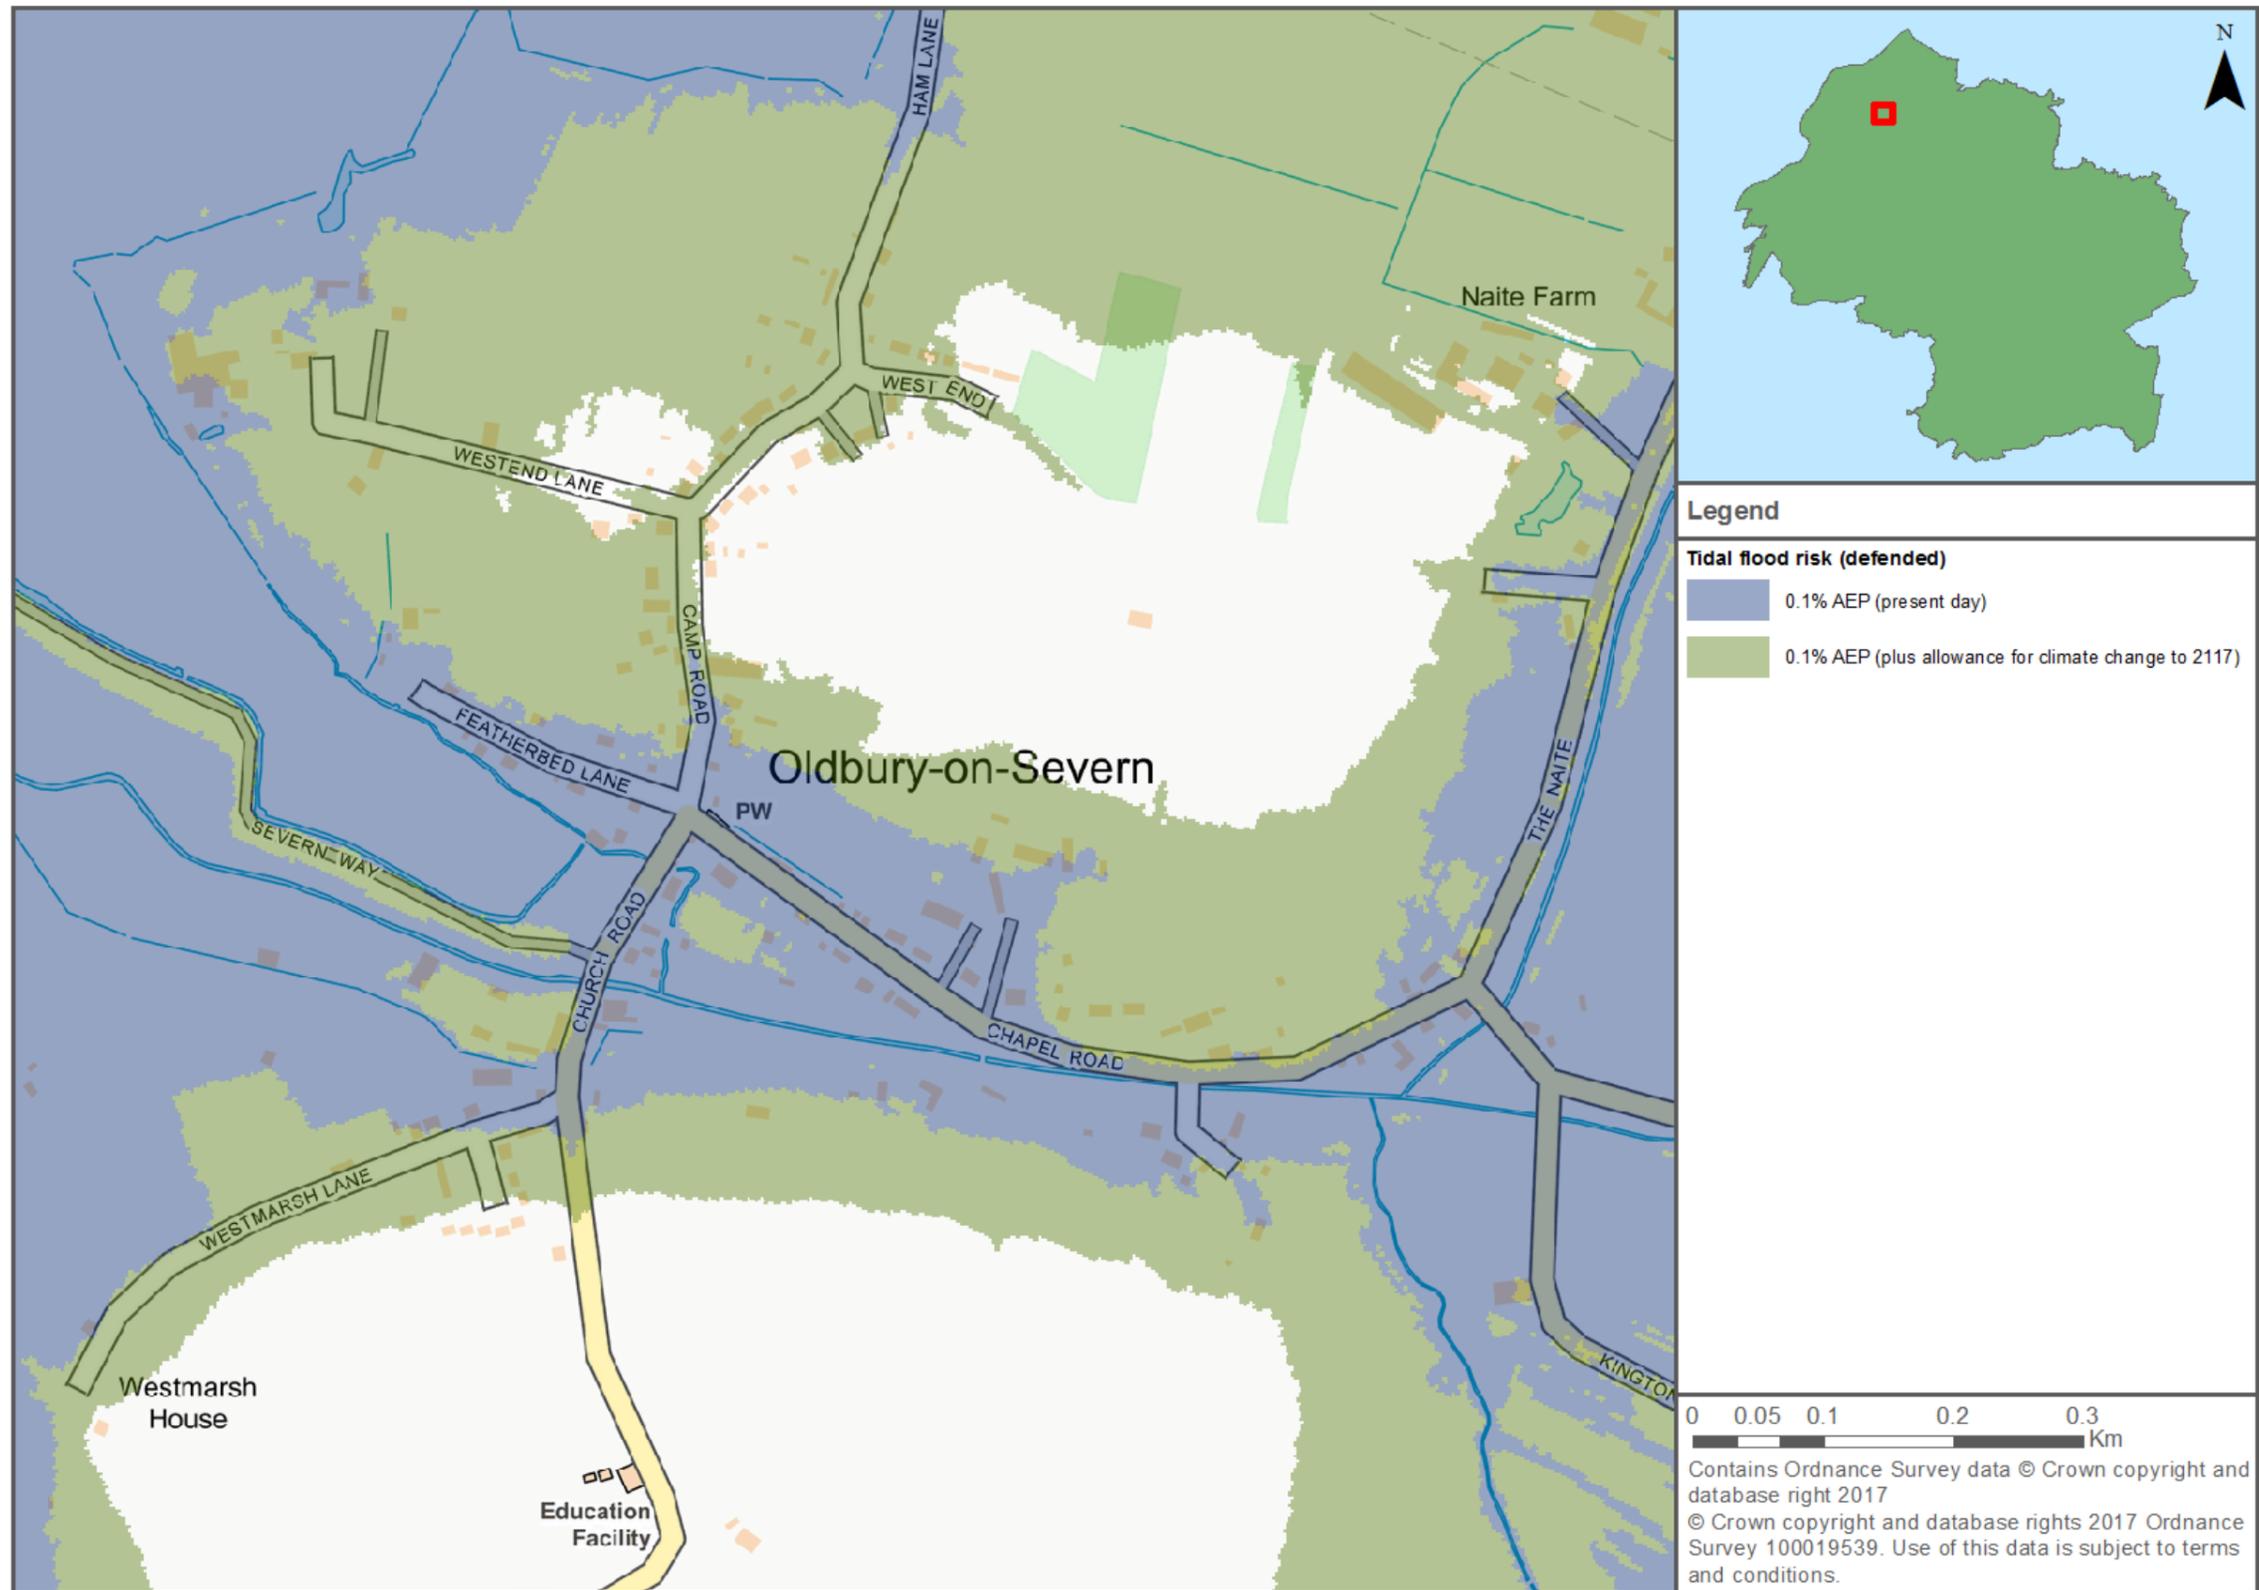

Figure C-6: Tidal flood risk (future 0.5% AEP event – undefended)

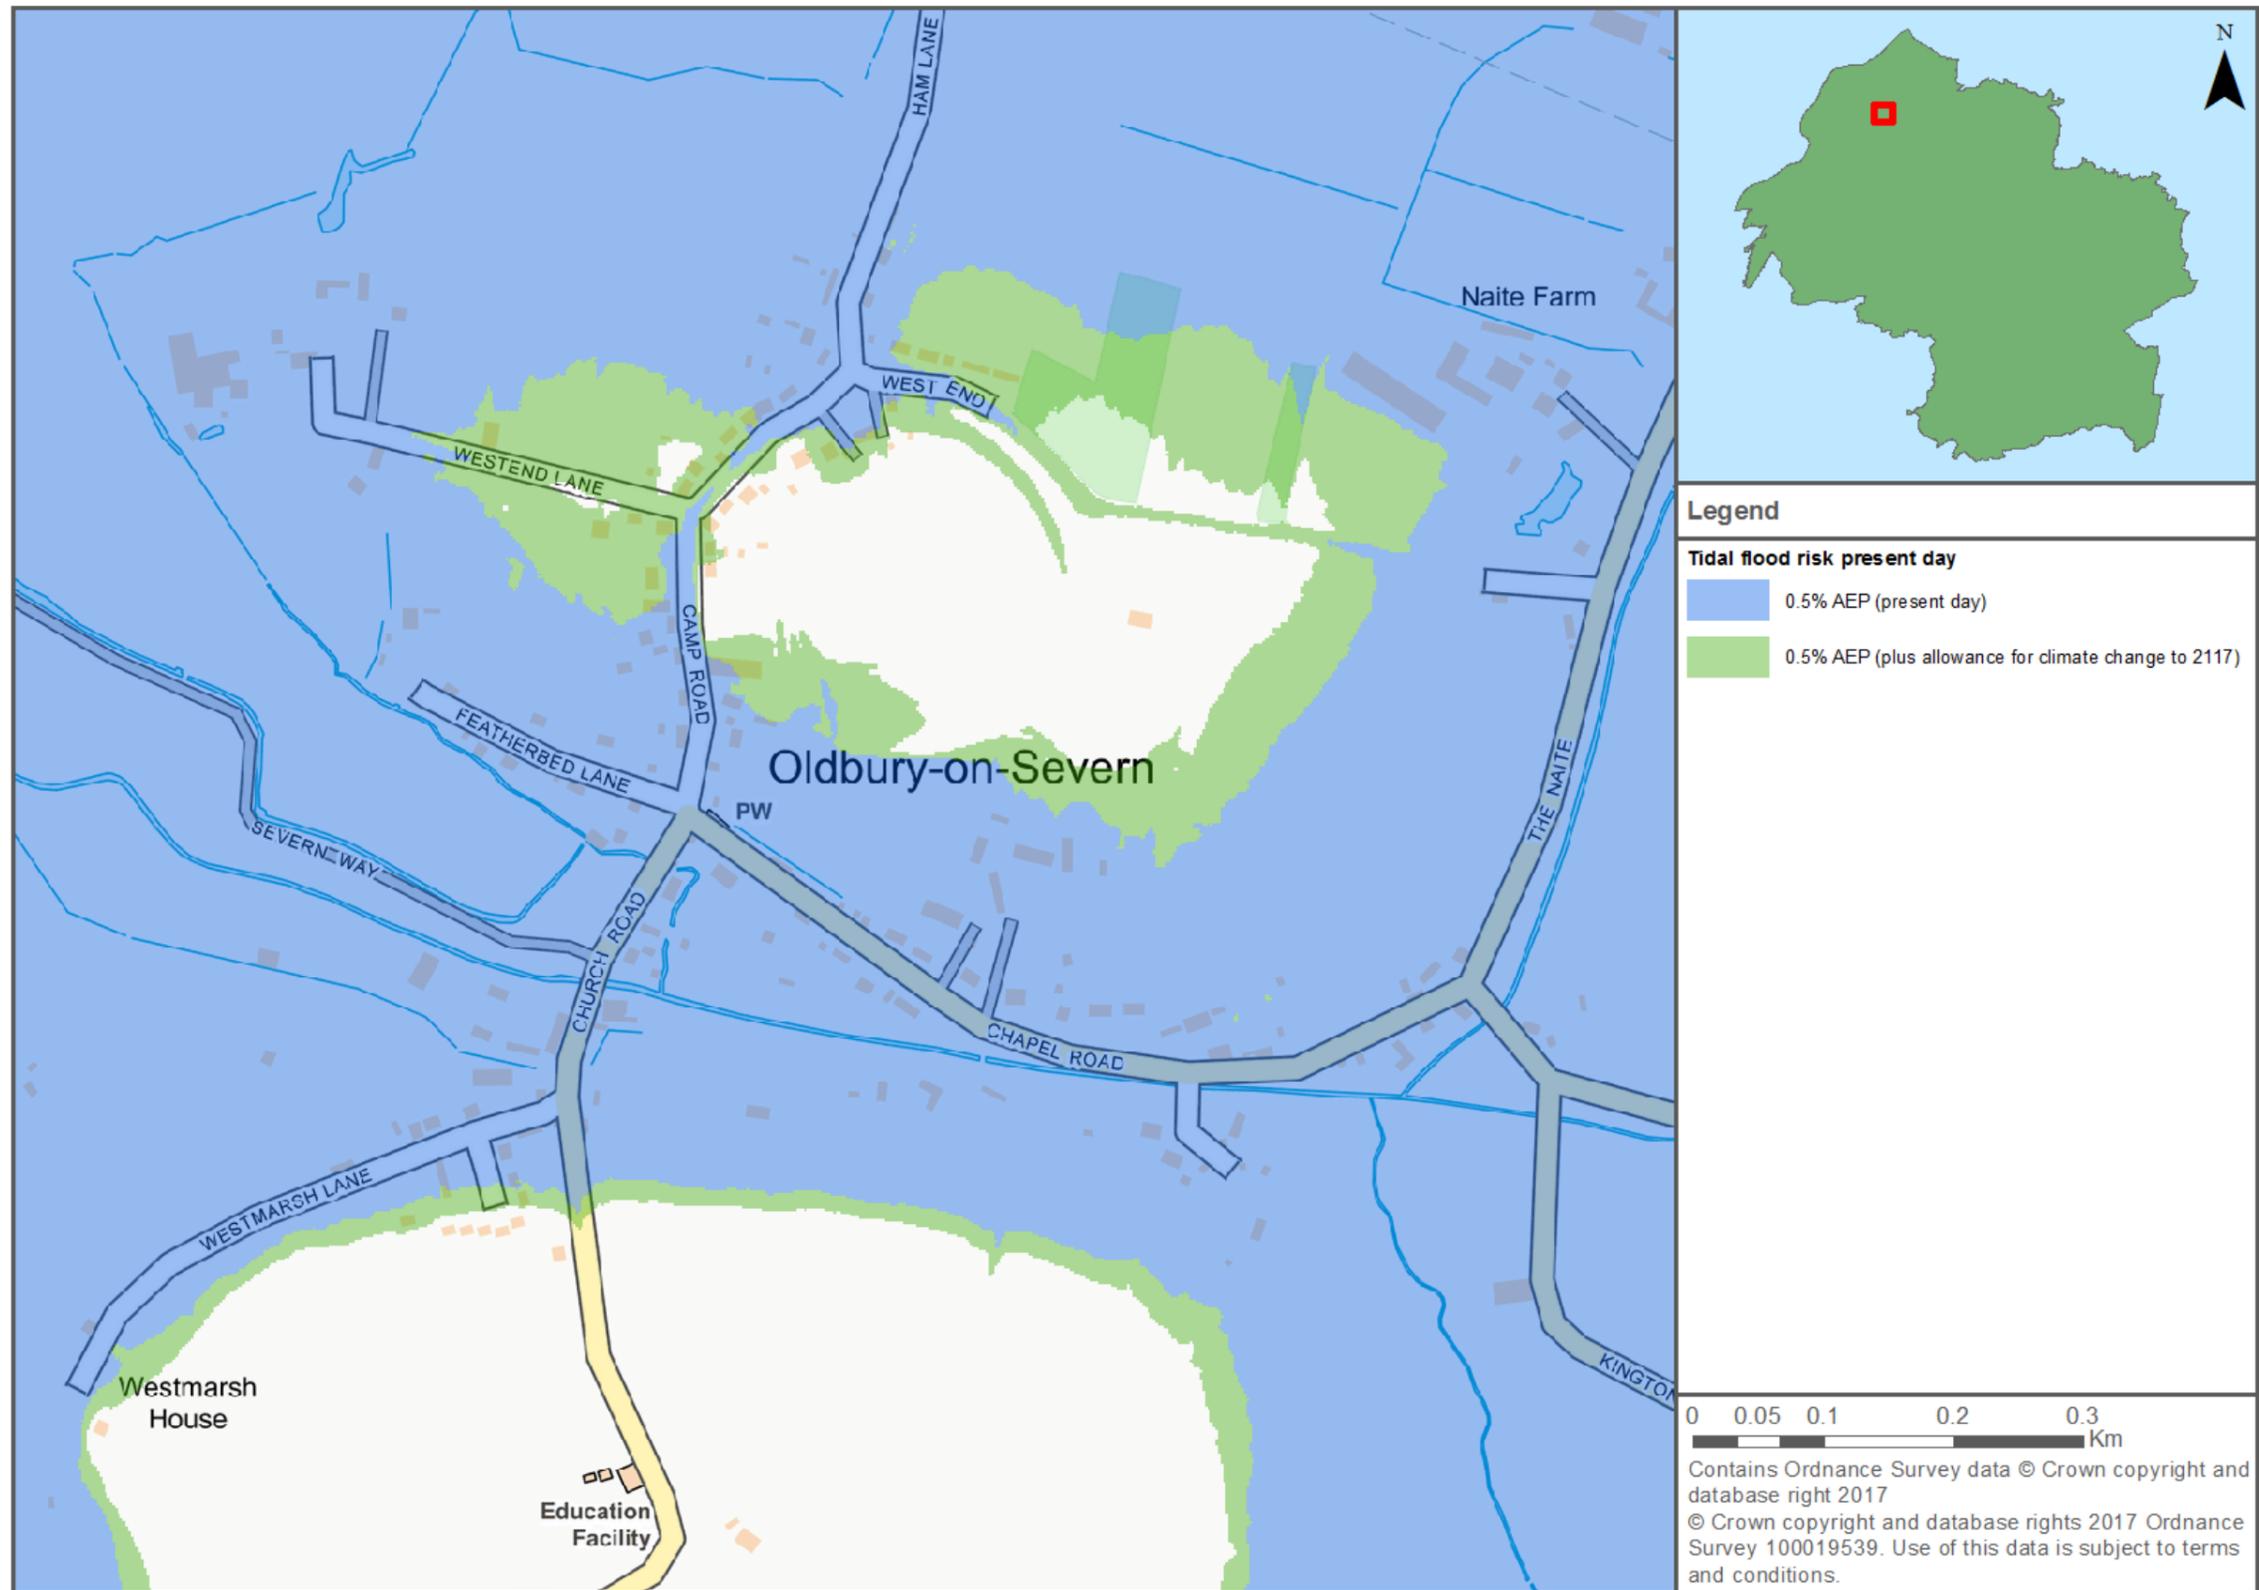

Figure C-7: Tidal flood risk (future 0.1% AEP event – undefended)

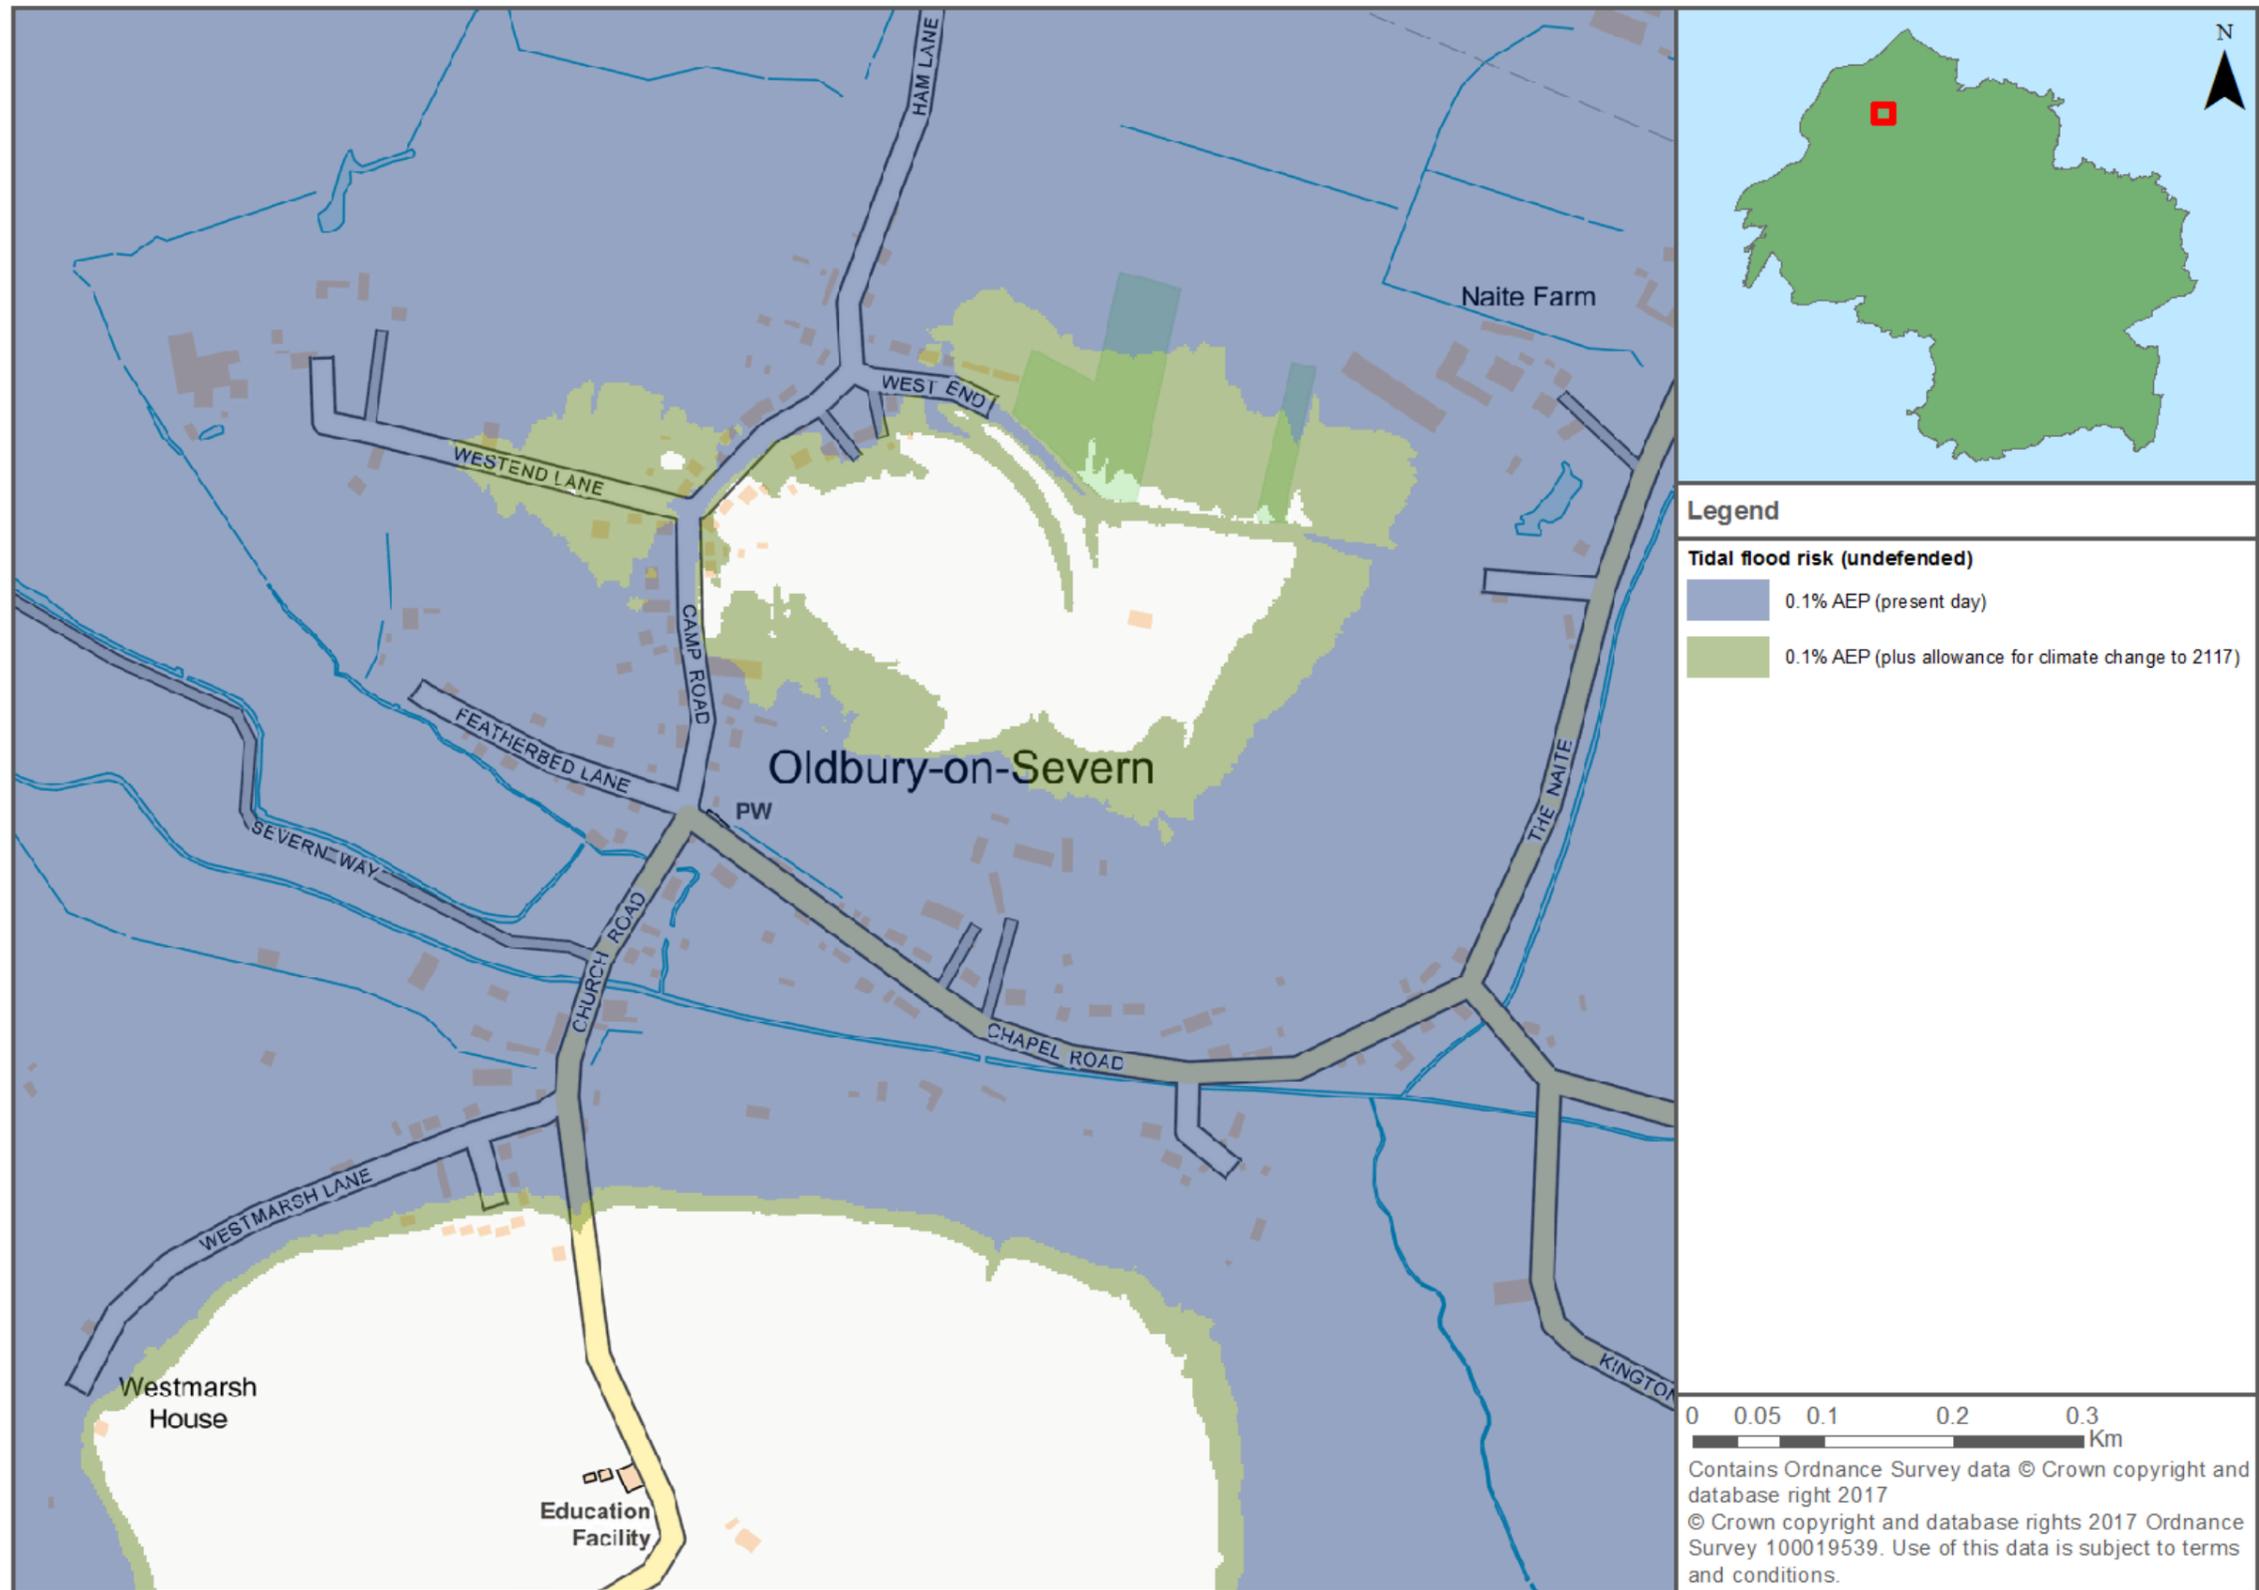

Figure C-8: 5% AEP event (present day – defended) depth

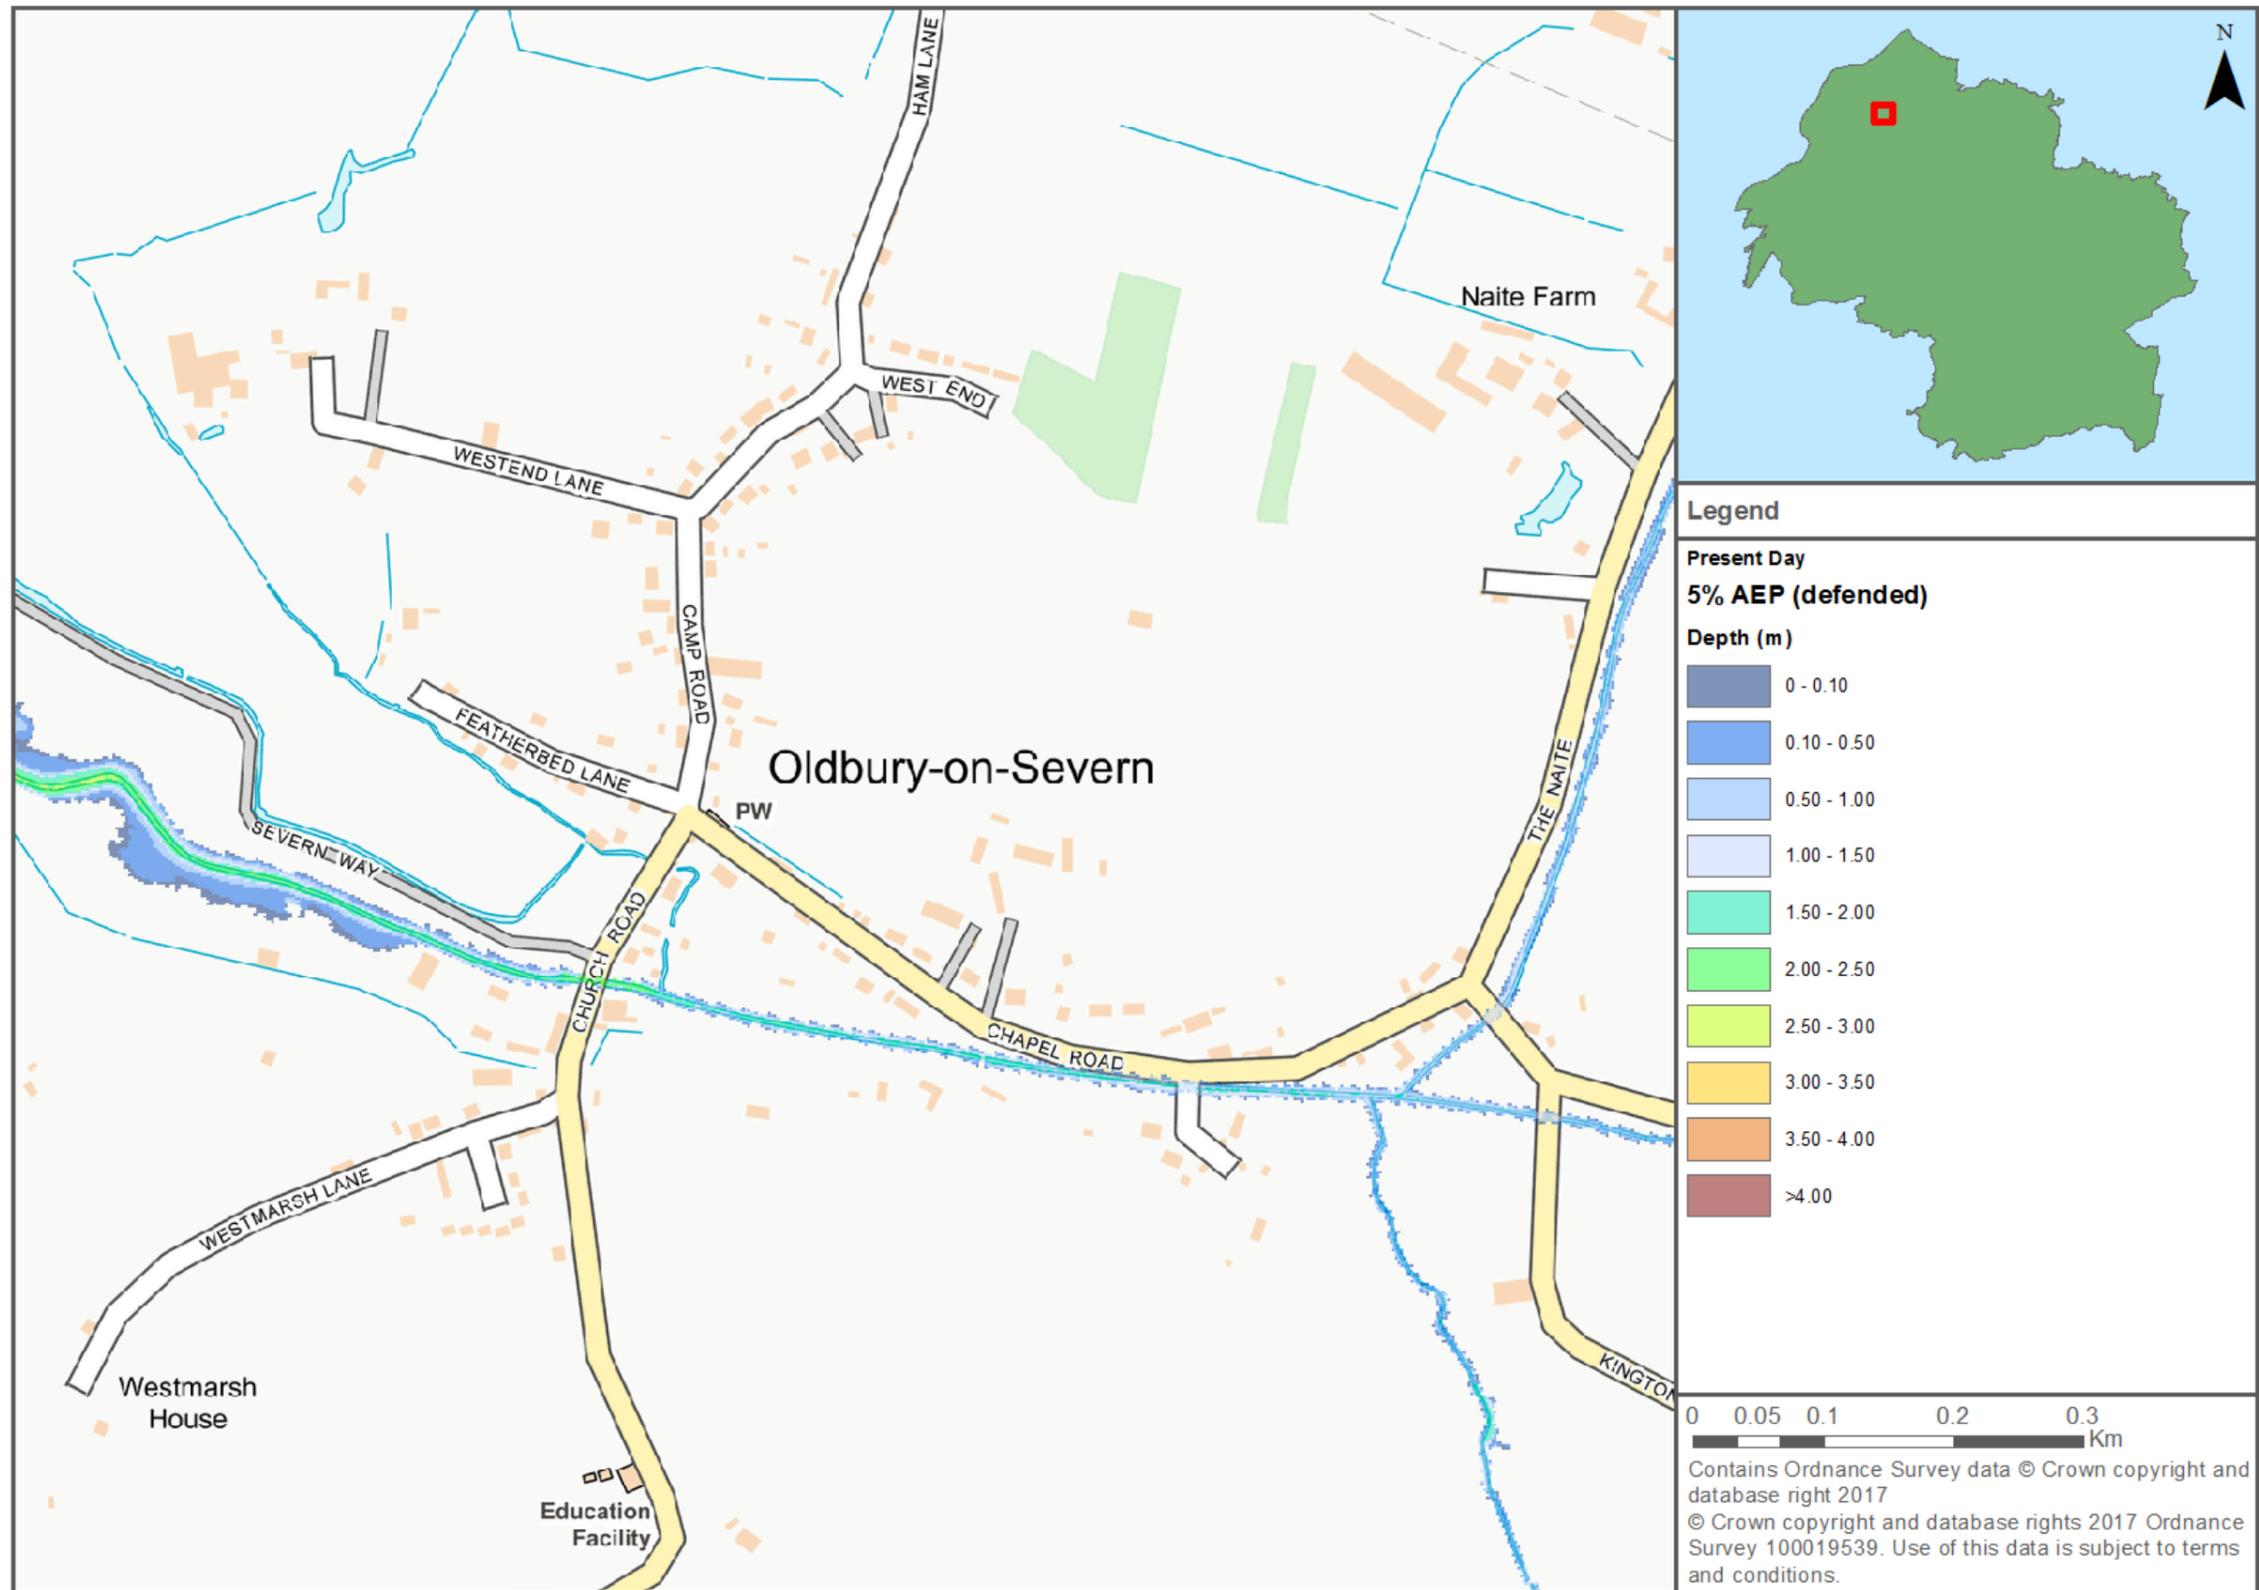

Figure C-9: 0.5% AEP event (present day – defended) depths

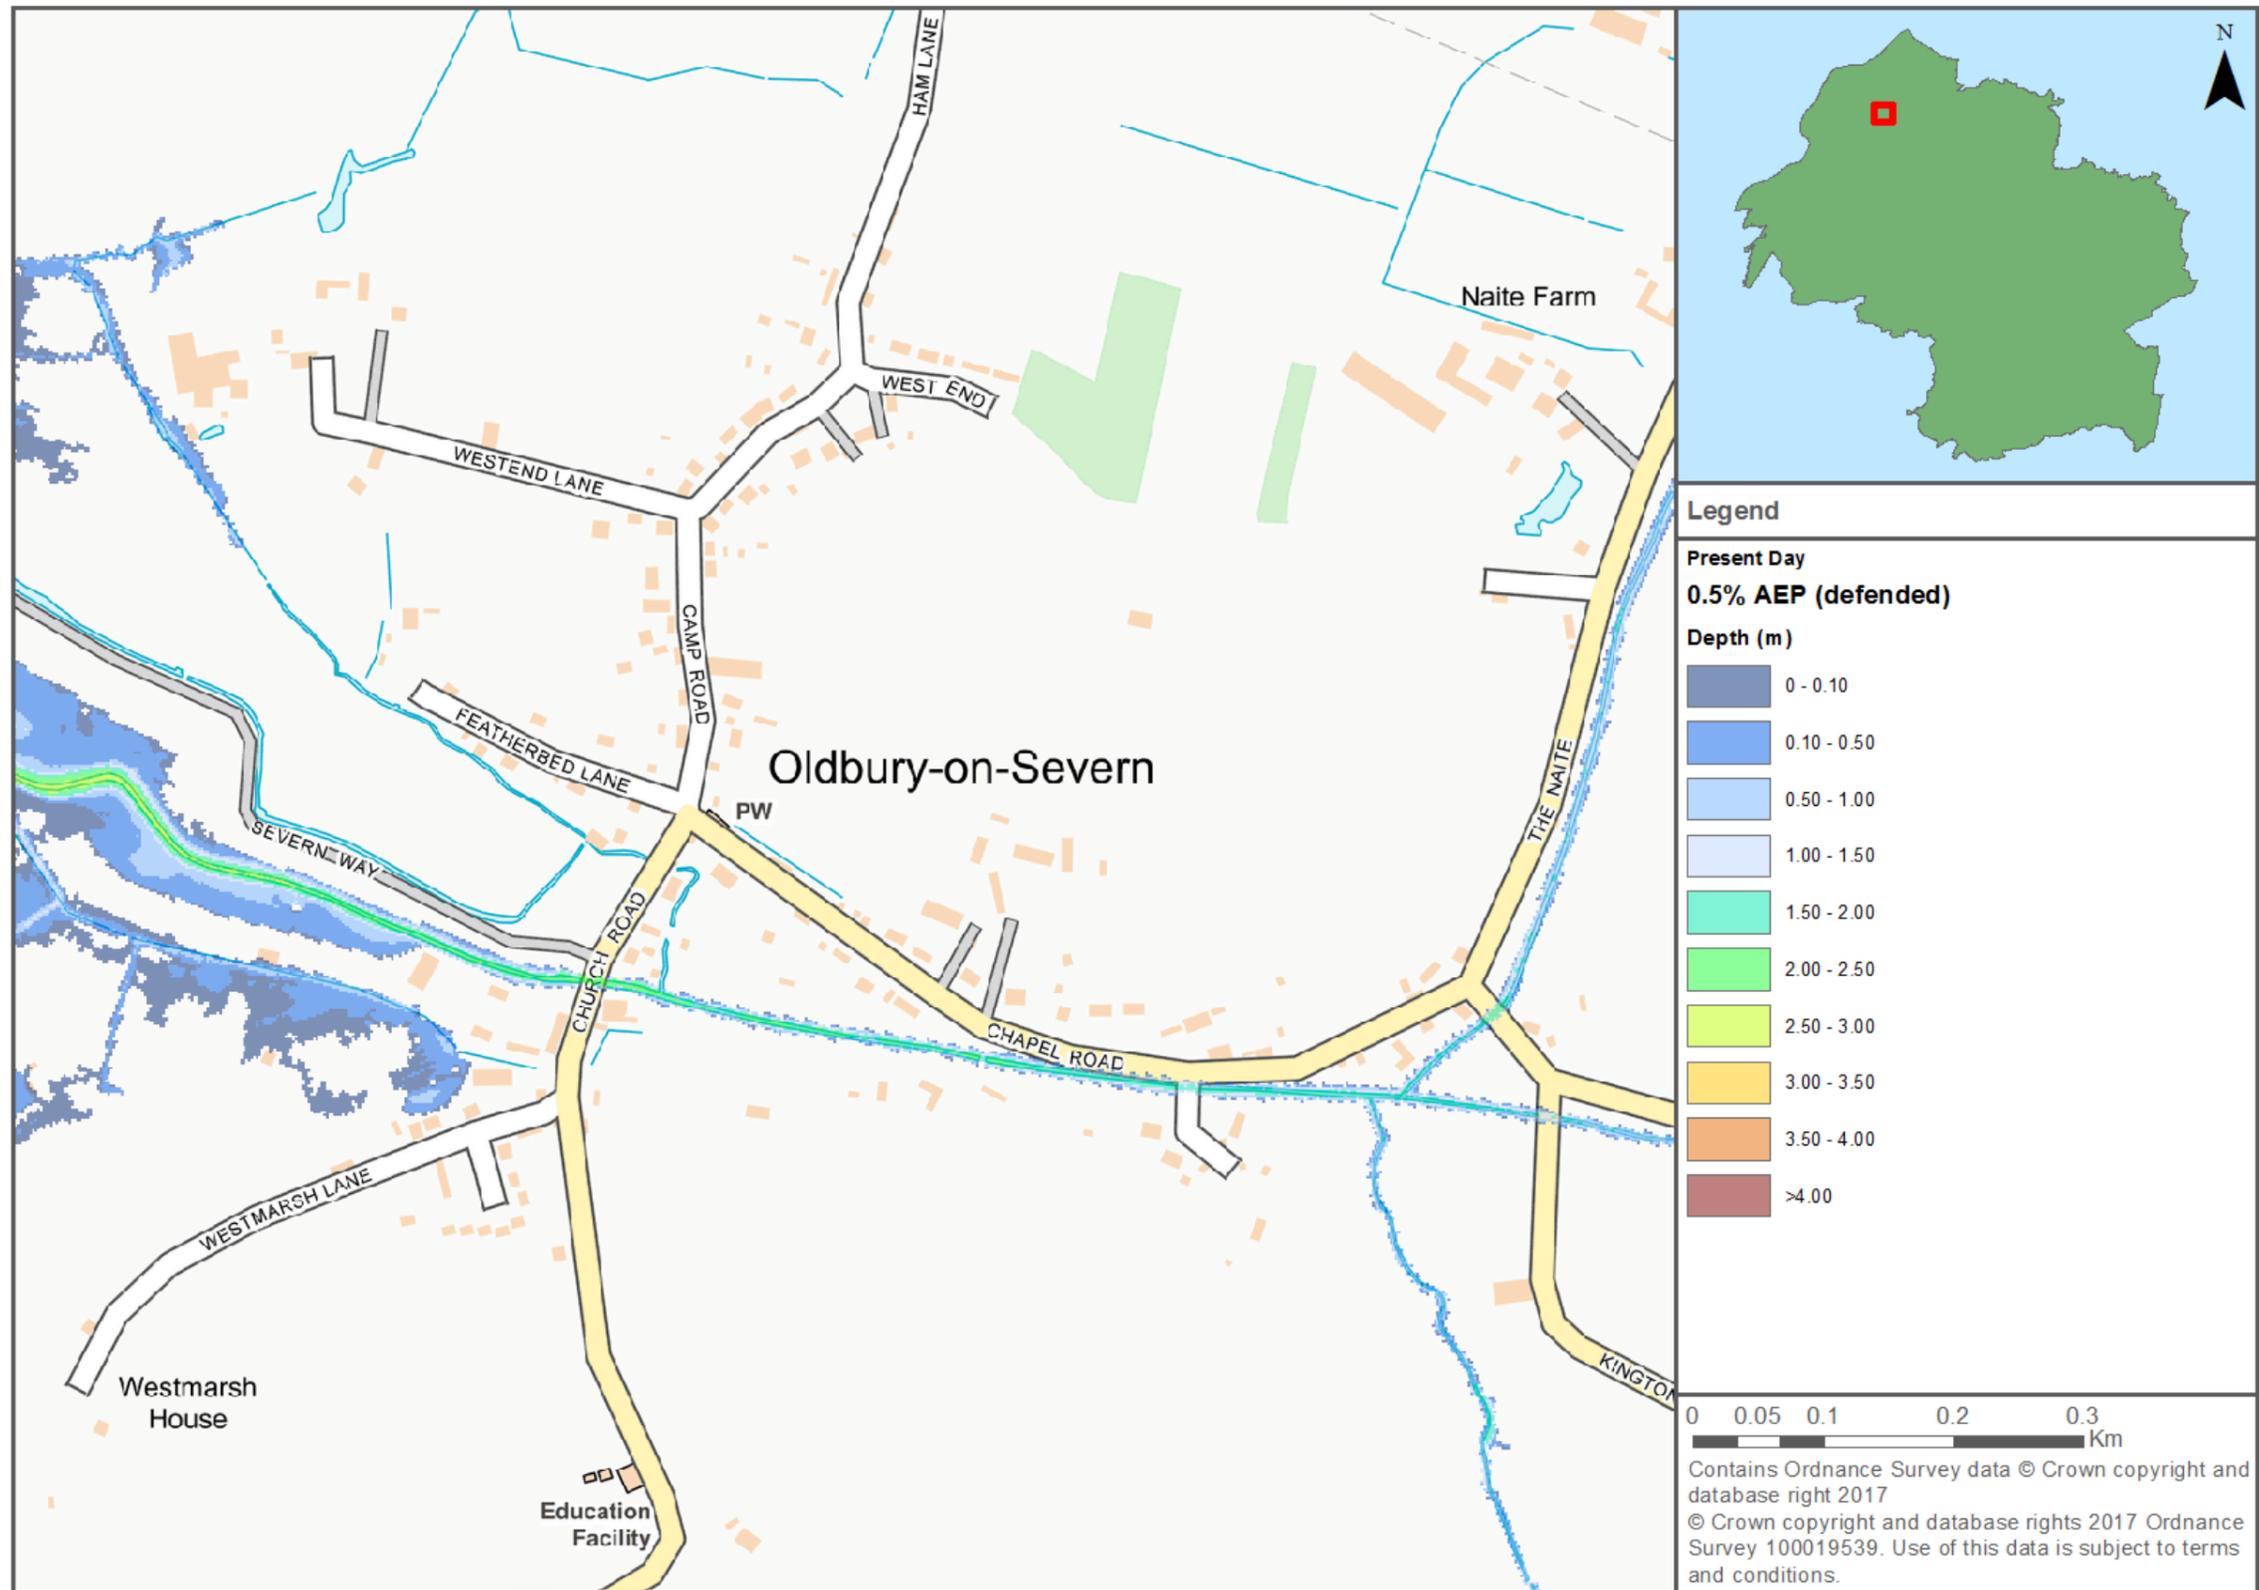

Figure C-10: 0.1% AEP event (present day – defended) depths

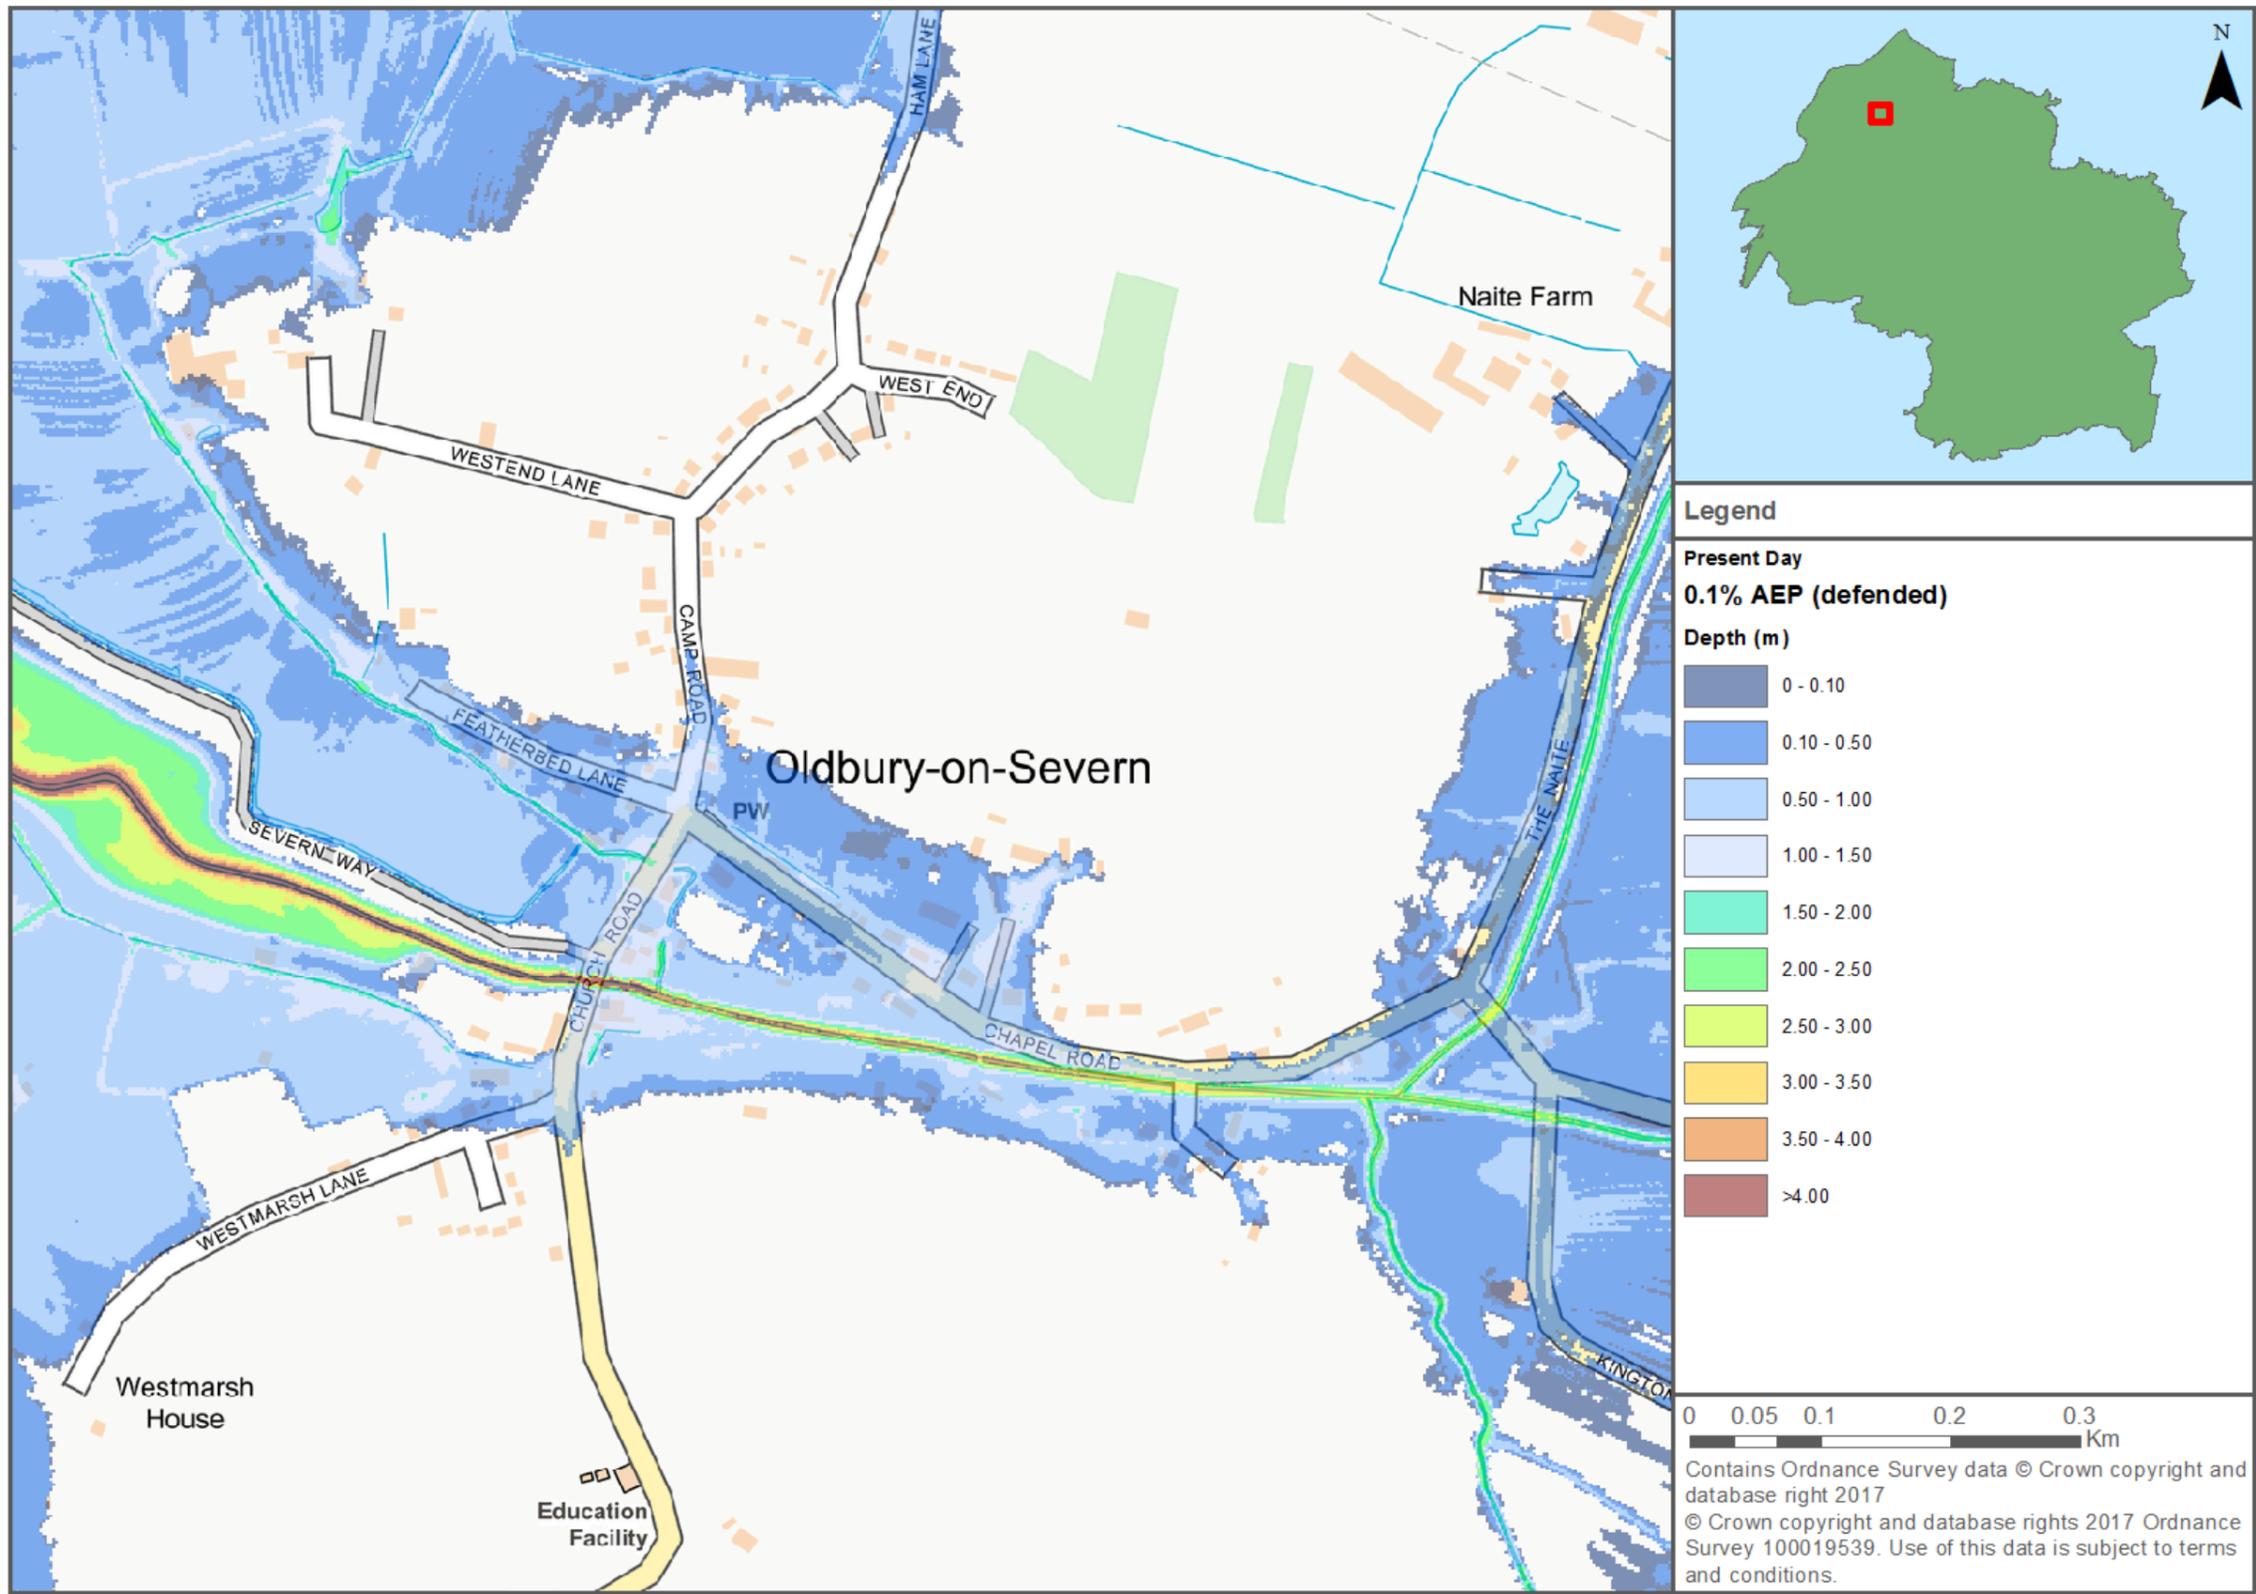

Figure C-11: 5% AEP event (present day – defended) hazard

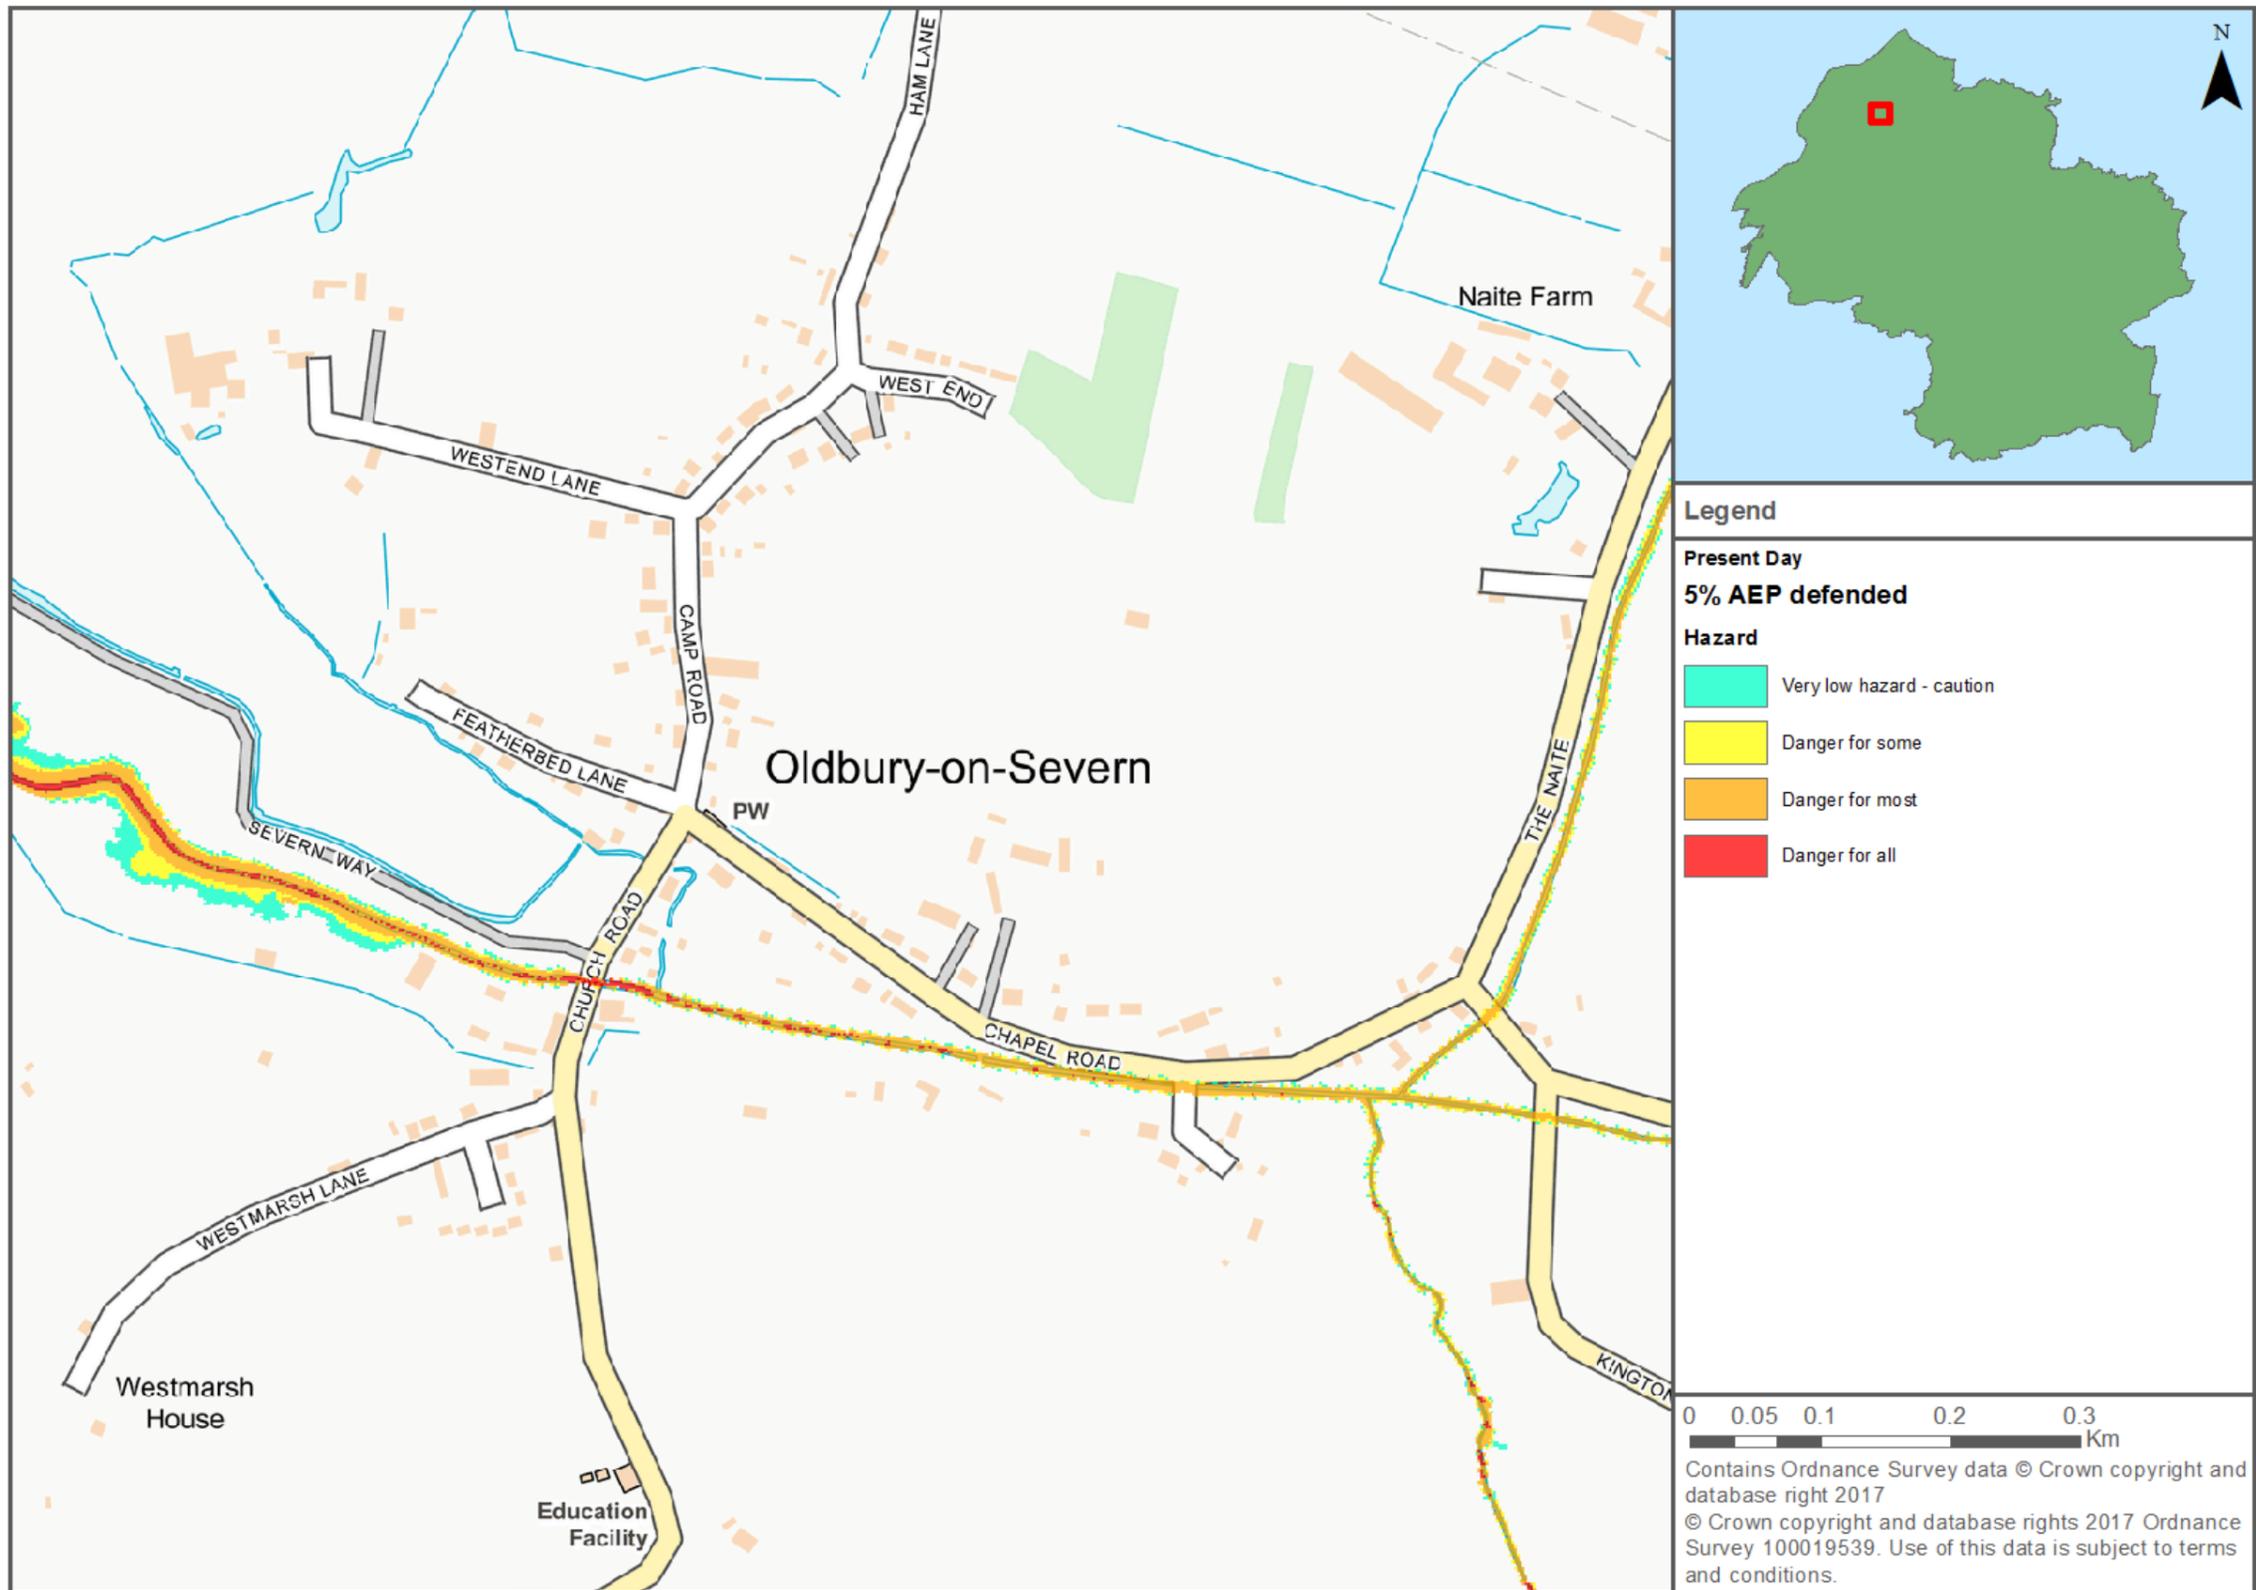

Figure C-12: 0.5% AEP event (present day – defended) hazard

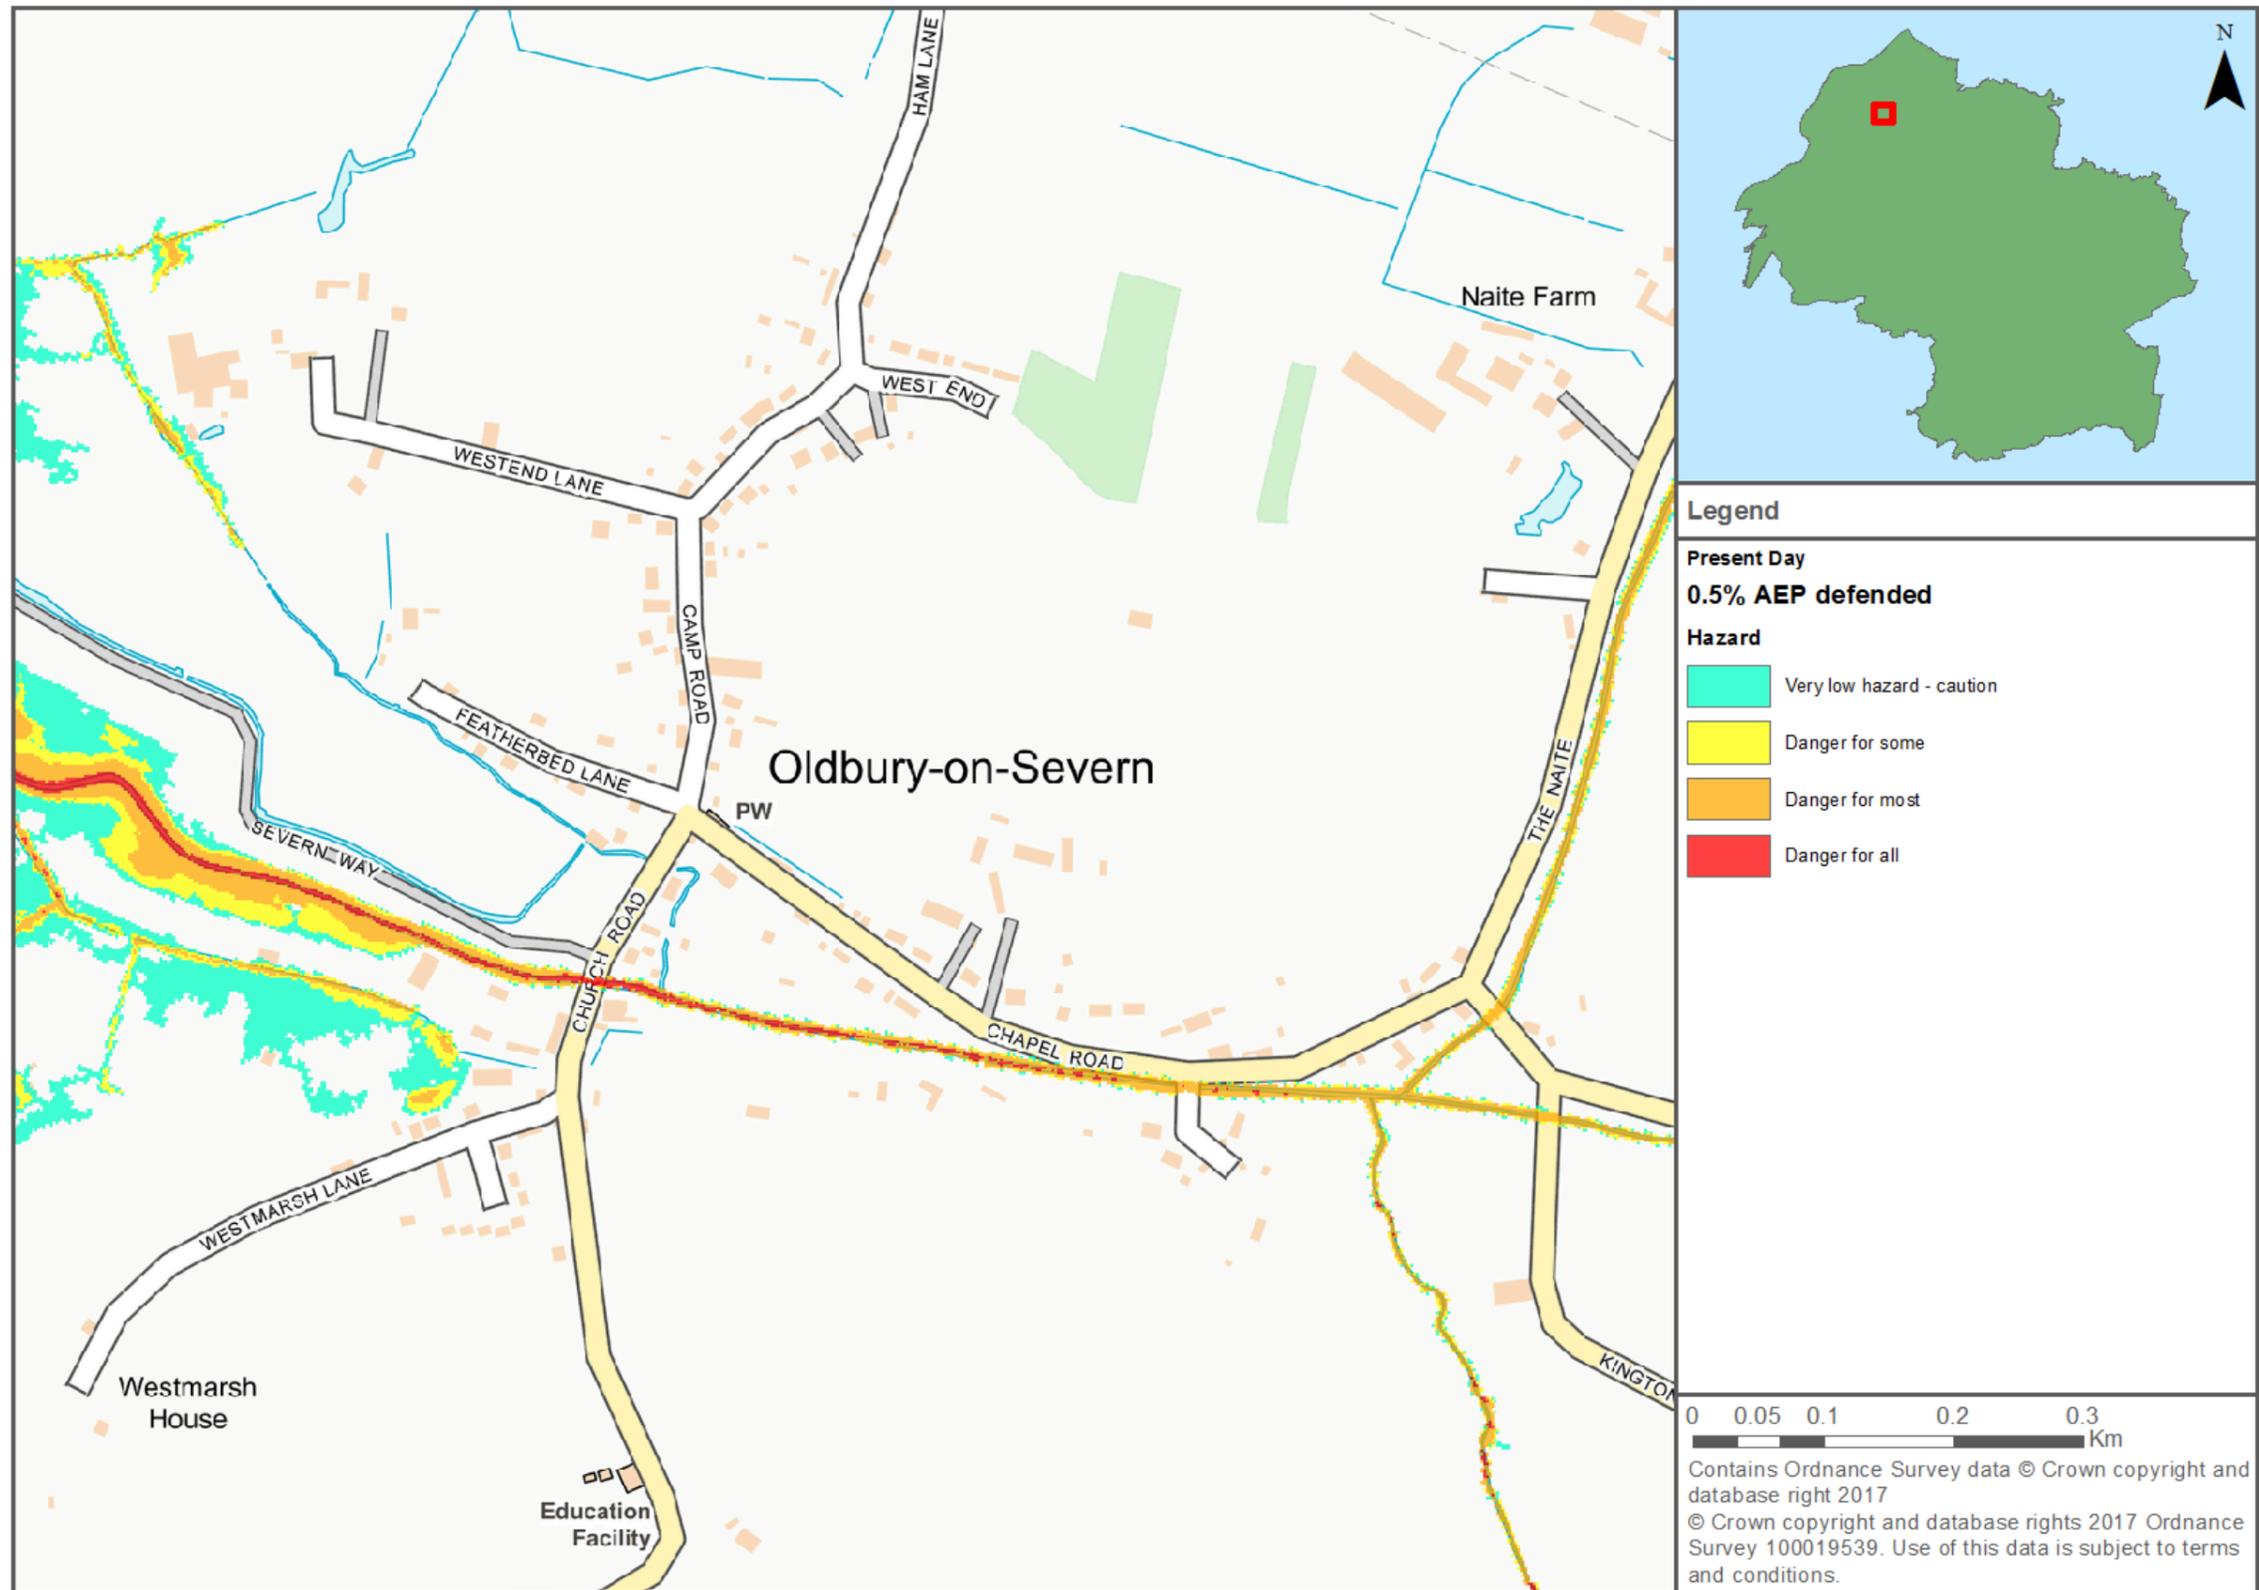

Figure C-13: 0.1% AEP event (present day – defended) hazard

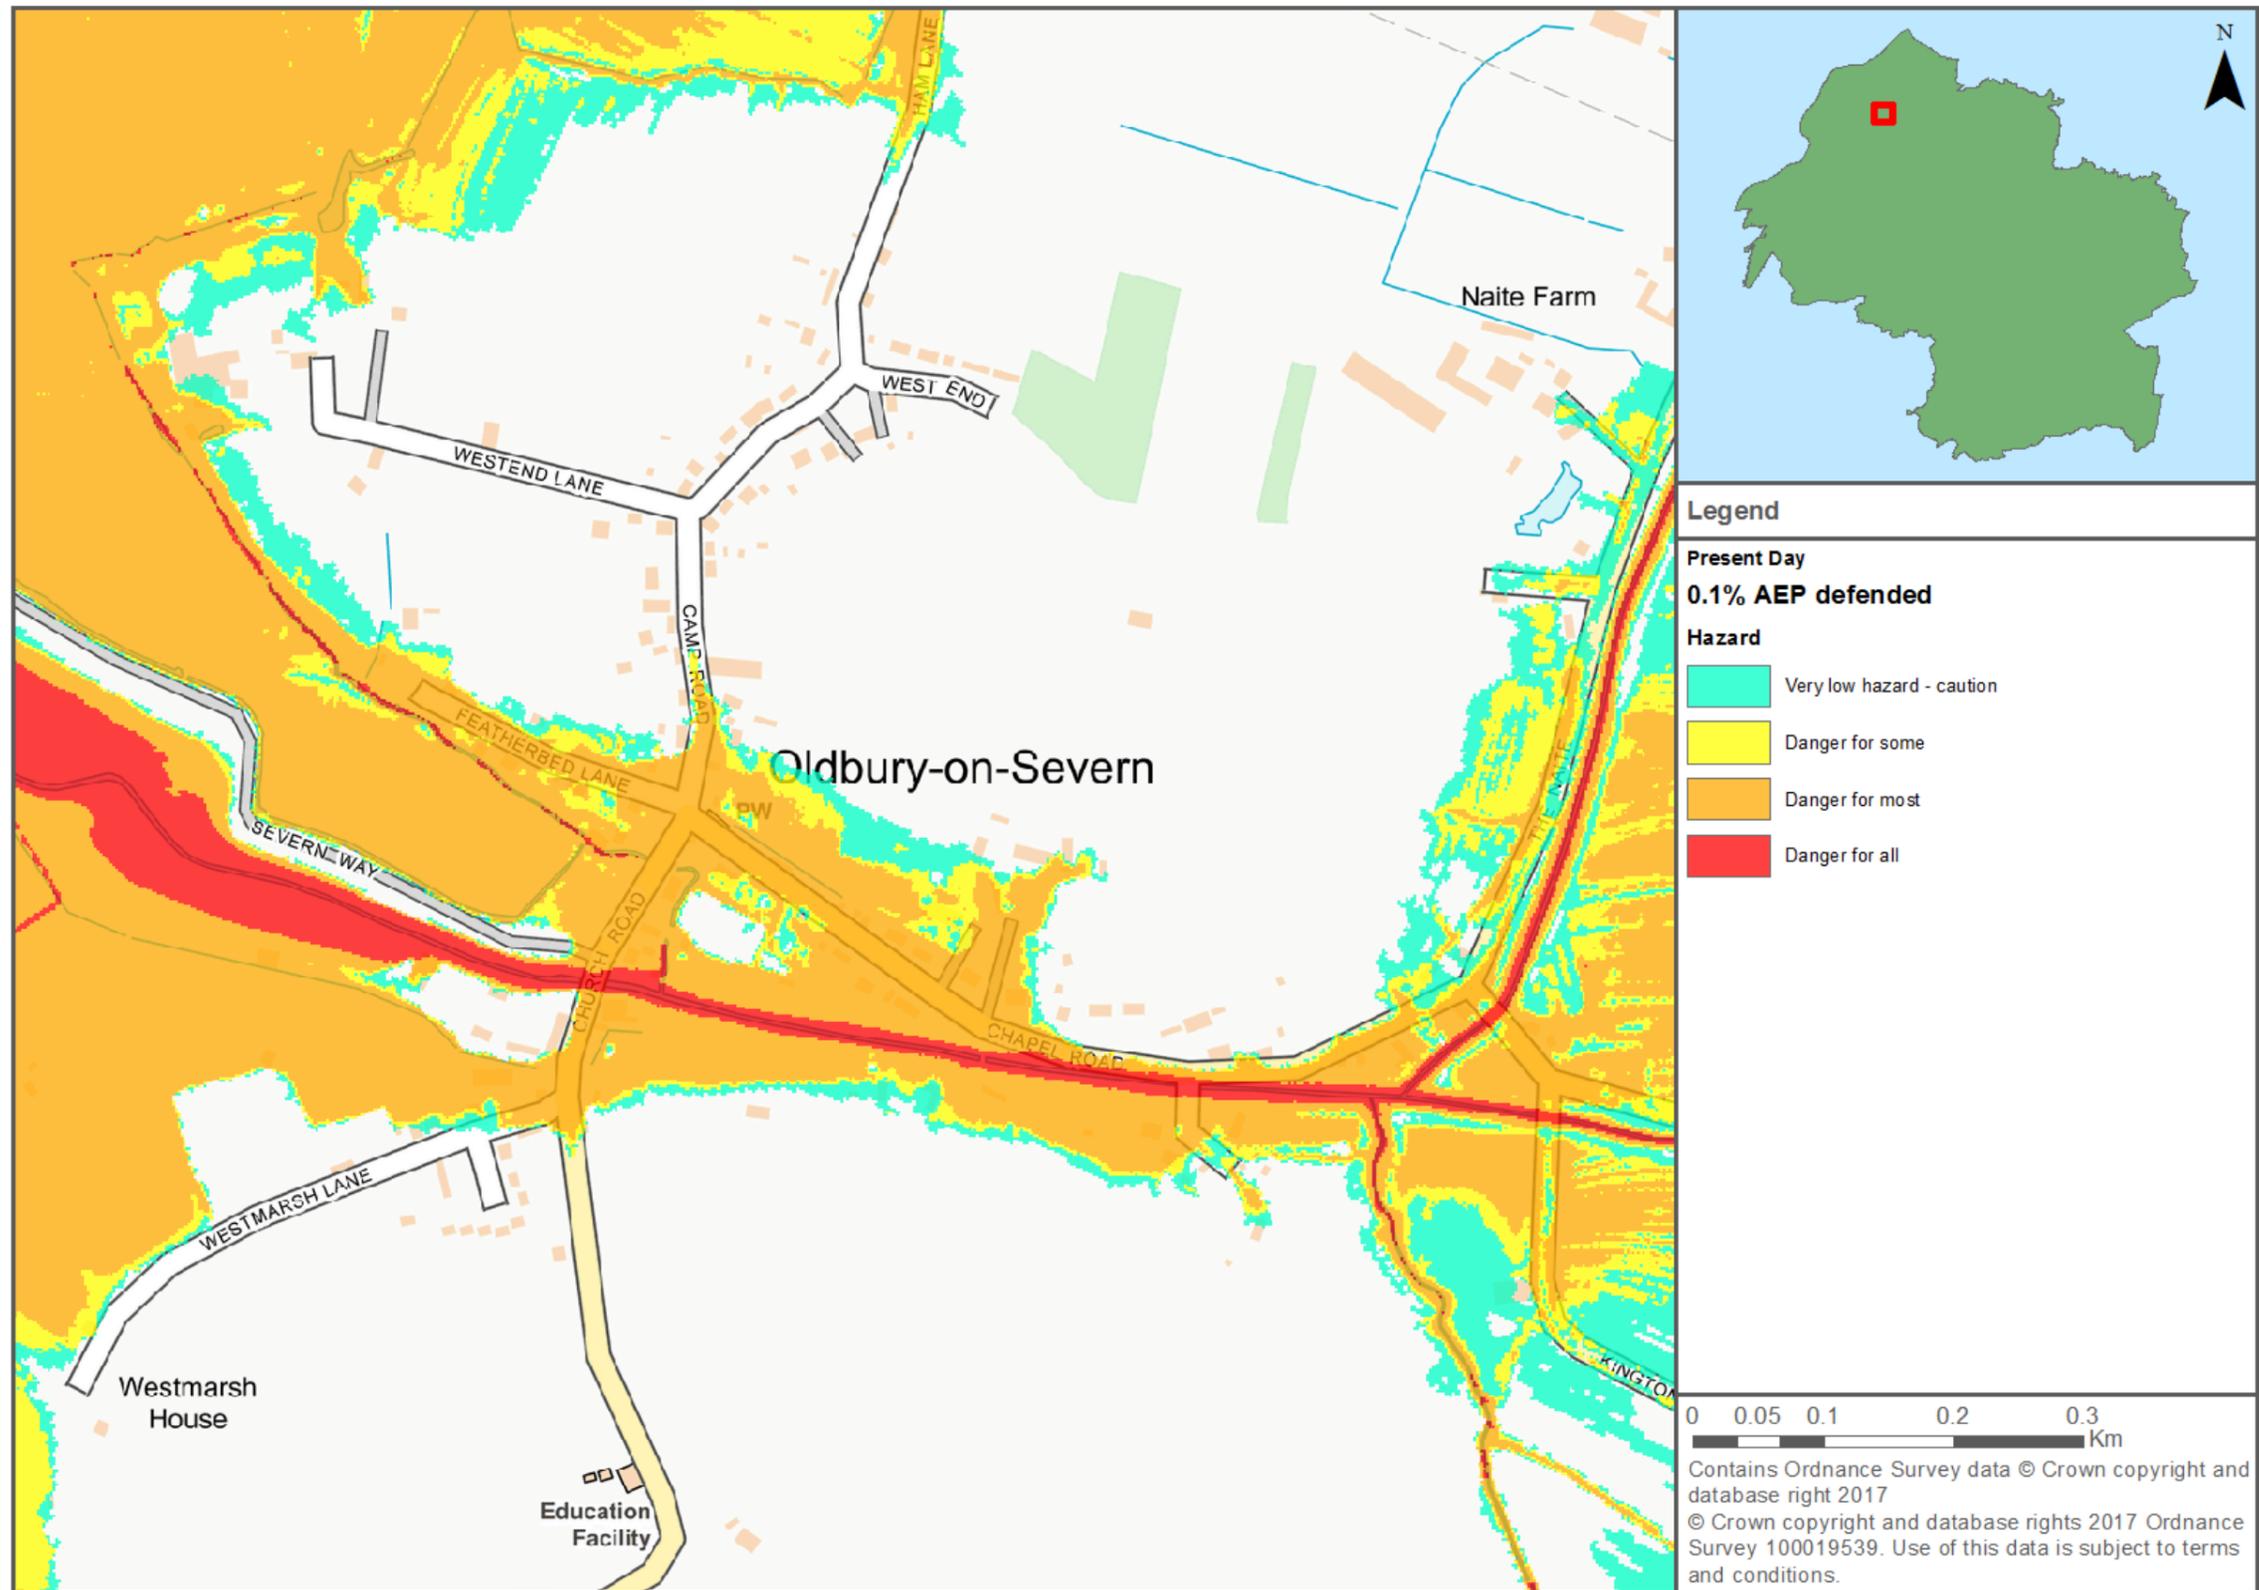

Figure C-14: 5% AEP event (present day – undefended) depths

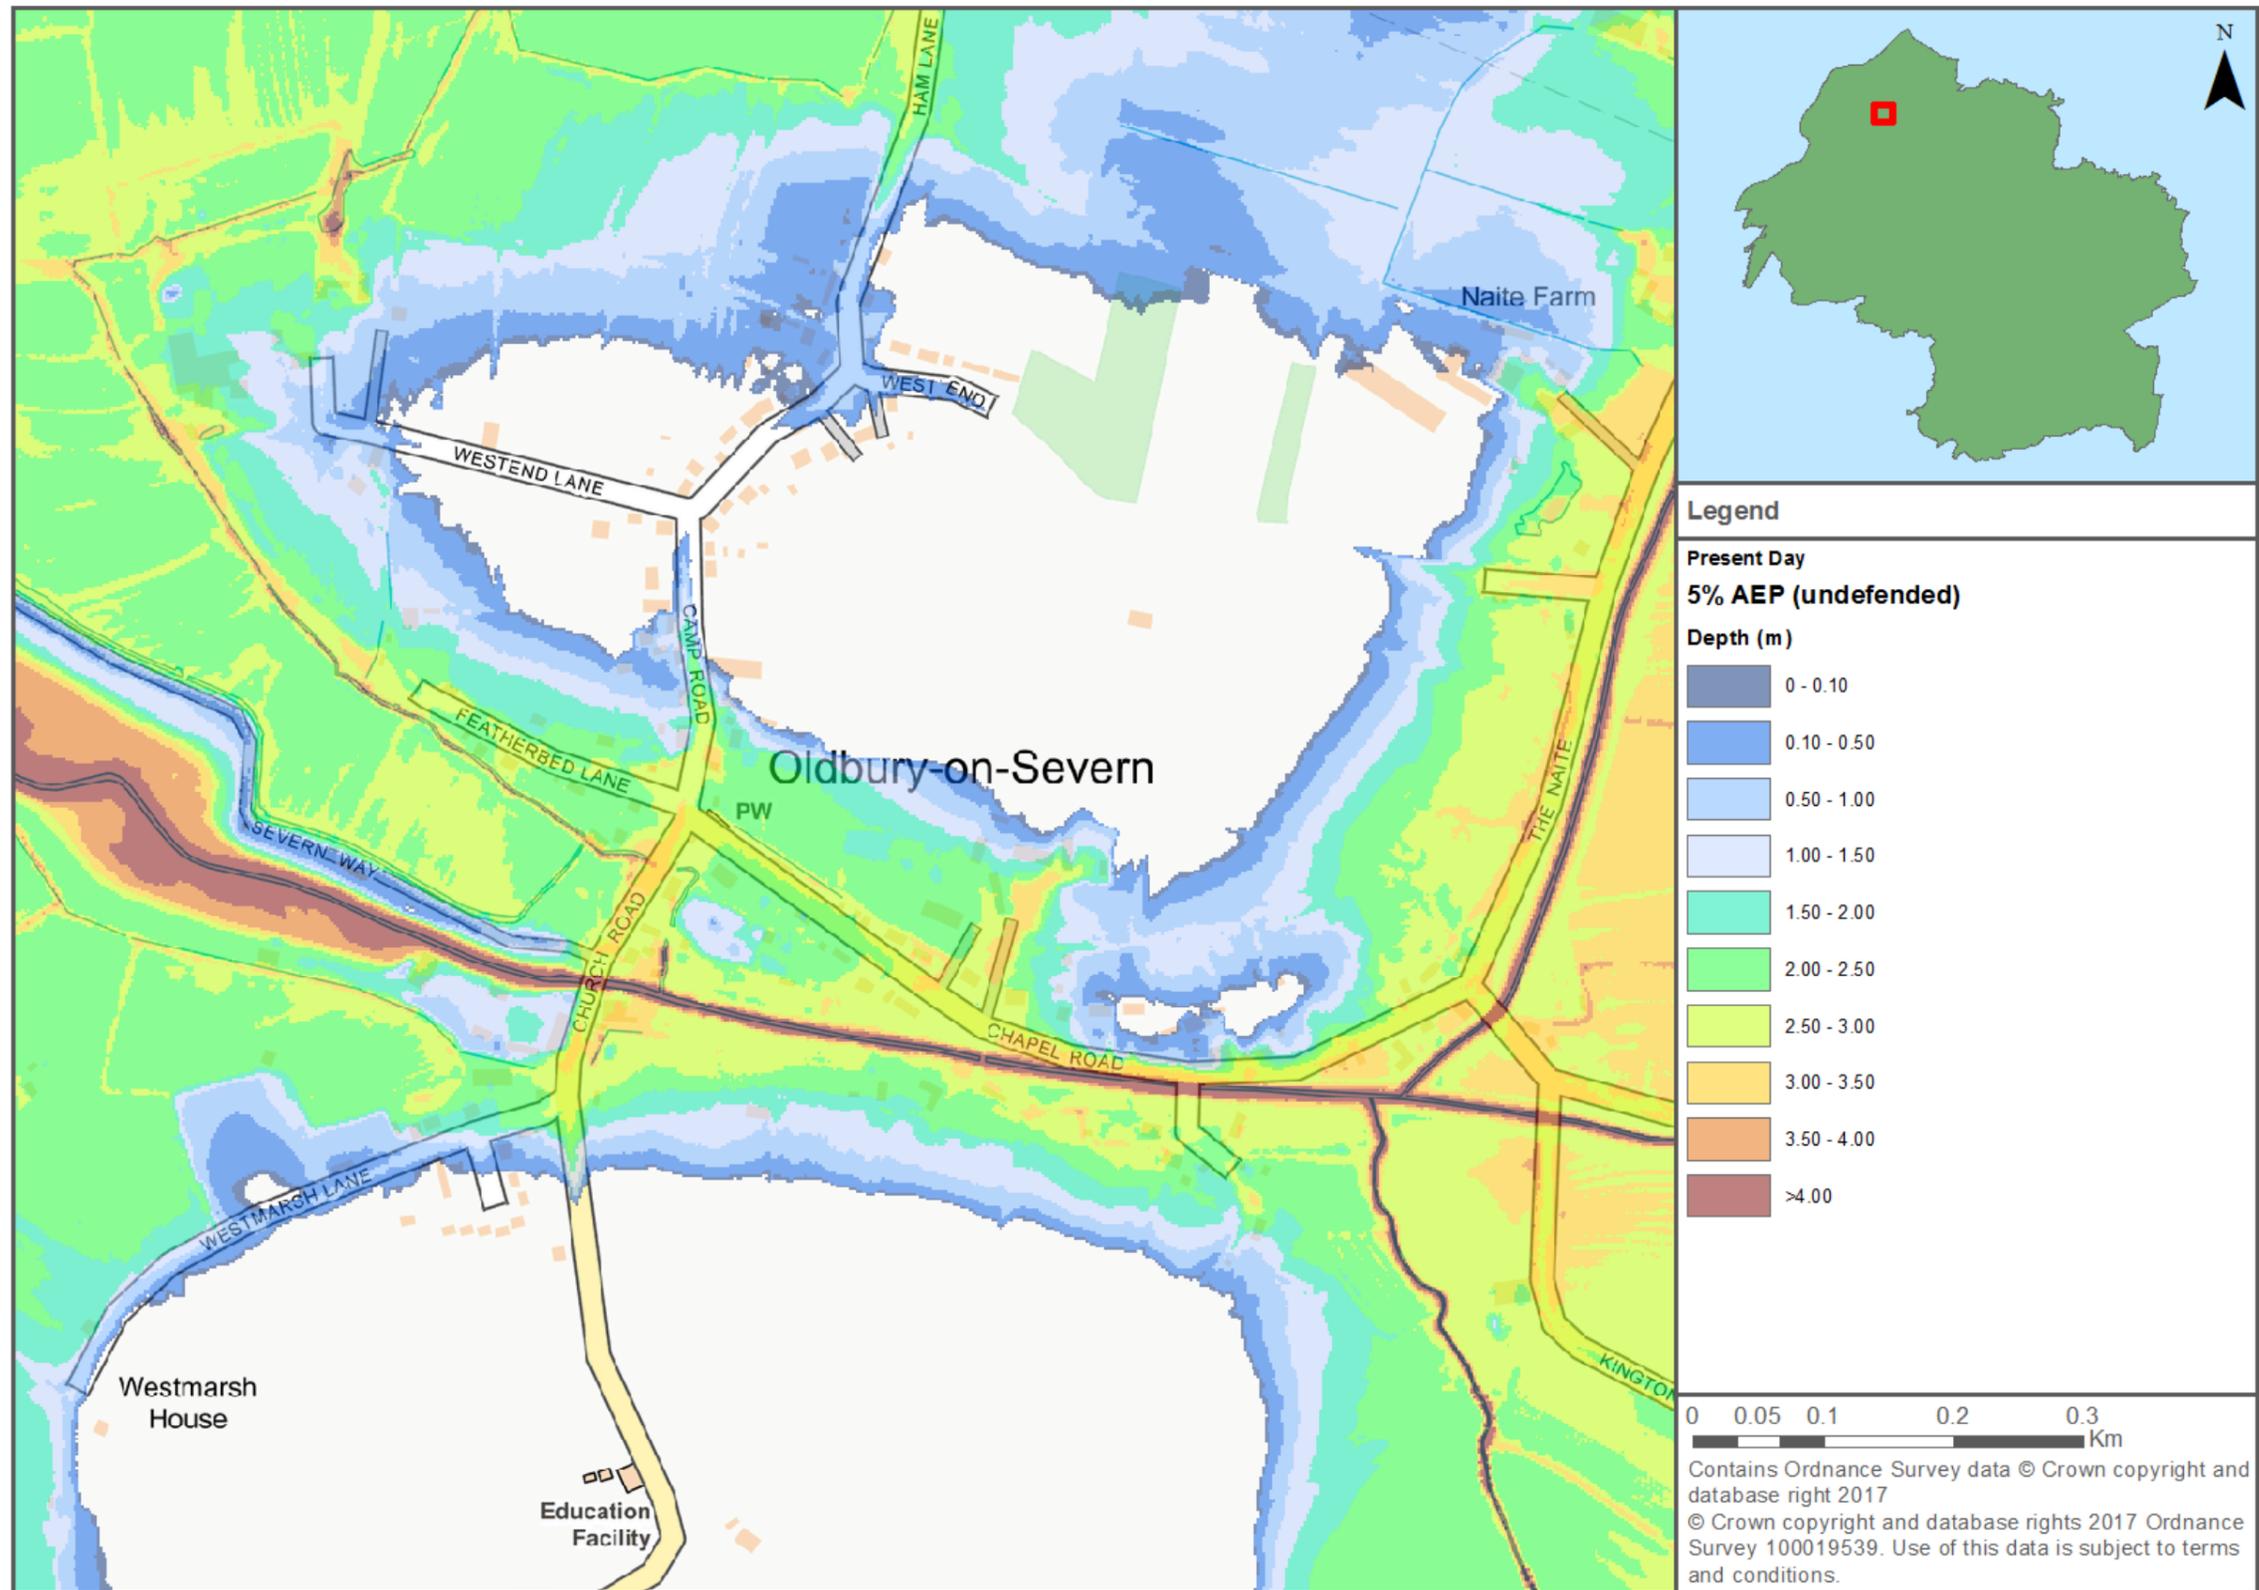

Figure C-15: 0.5% AEP event (present day – undefended) depths

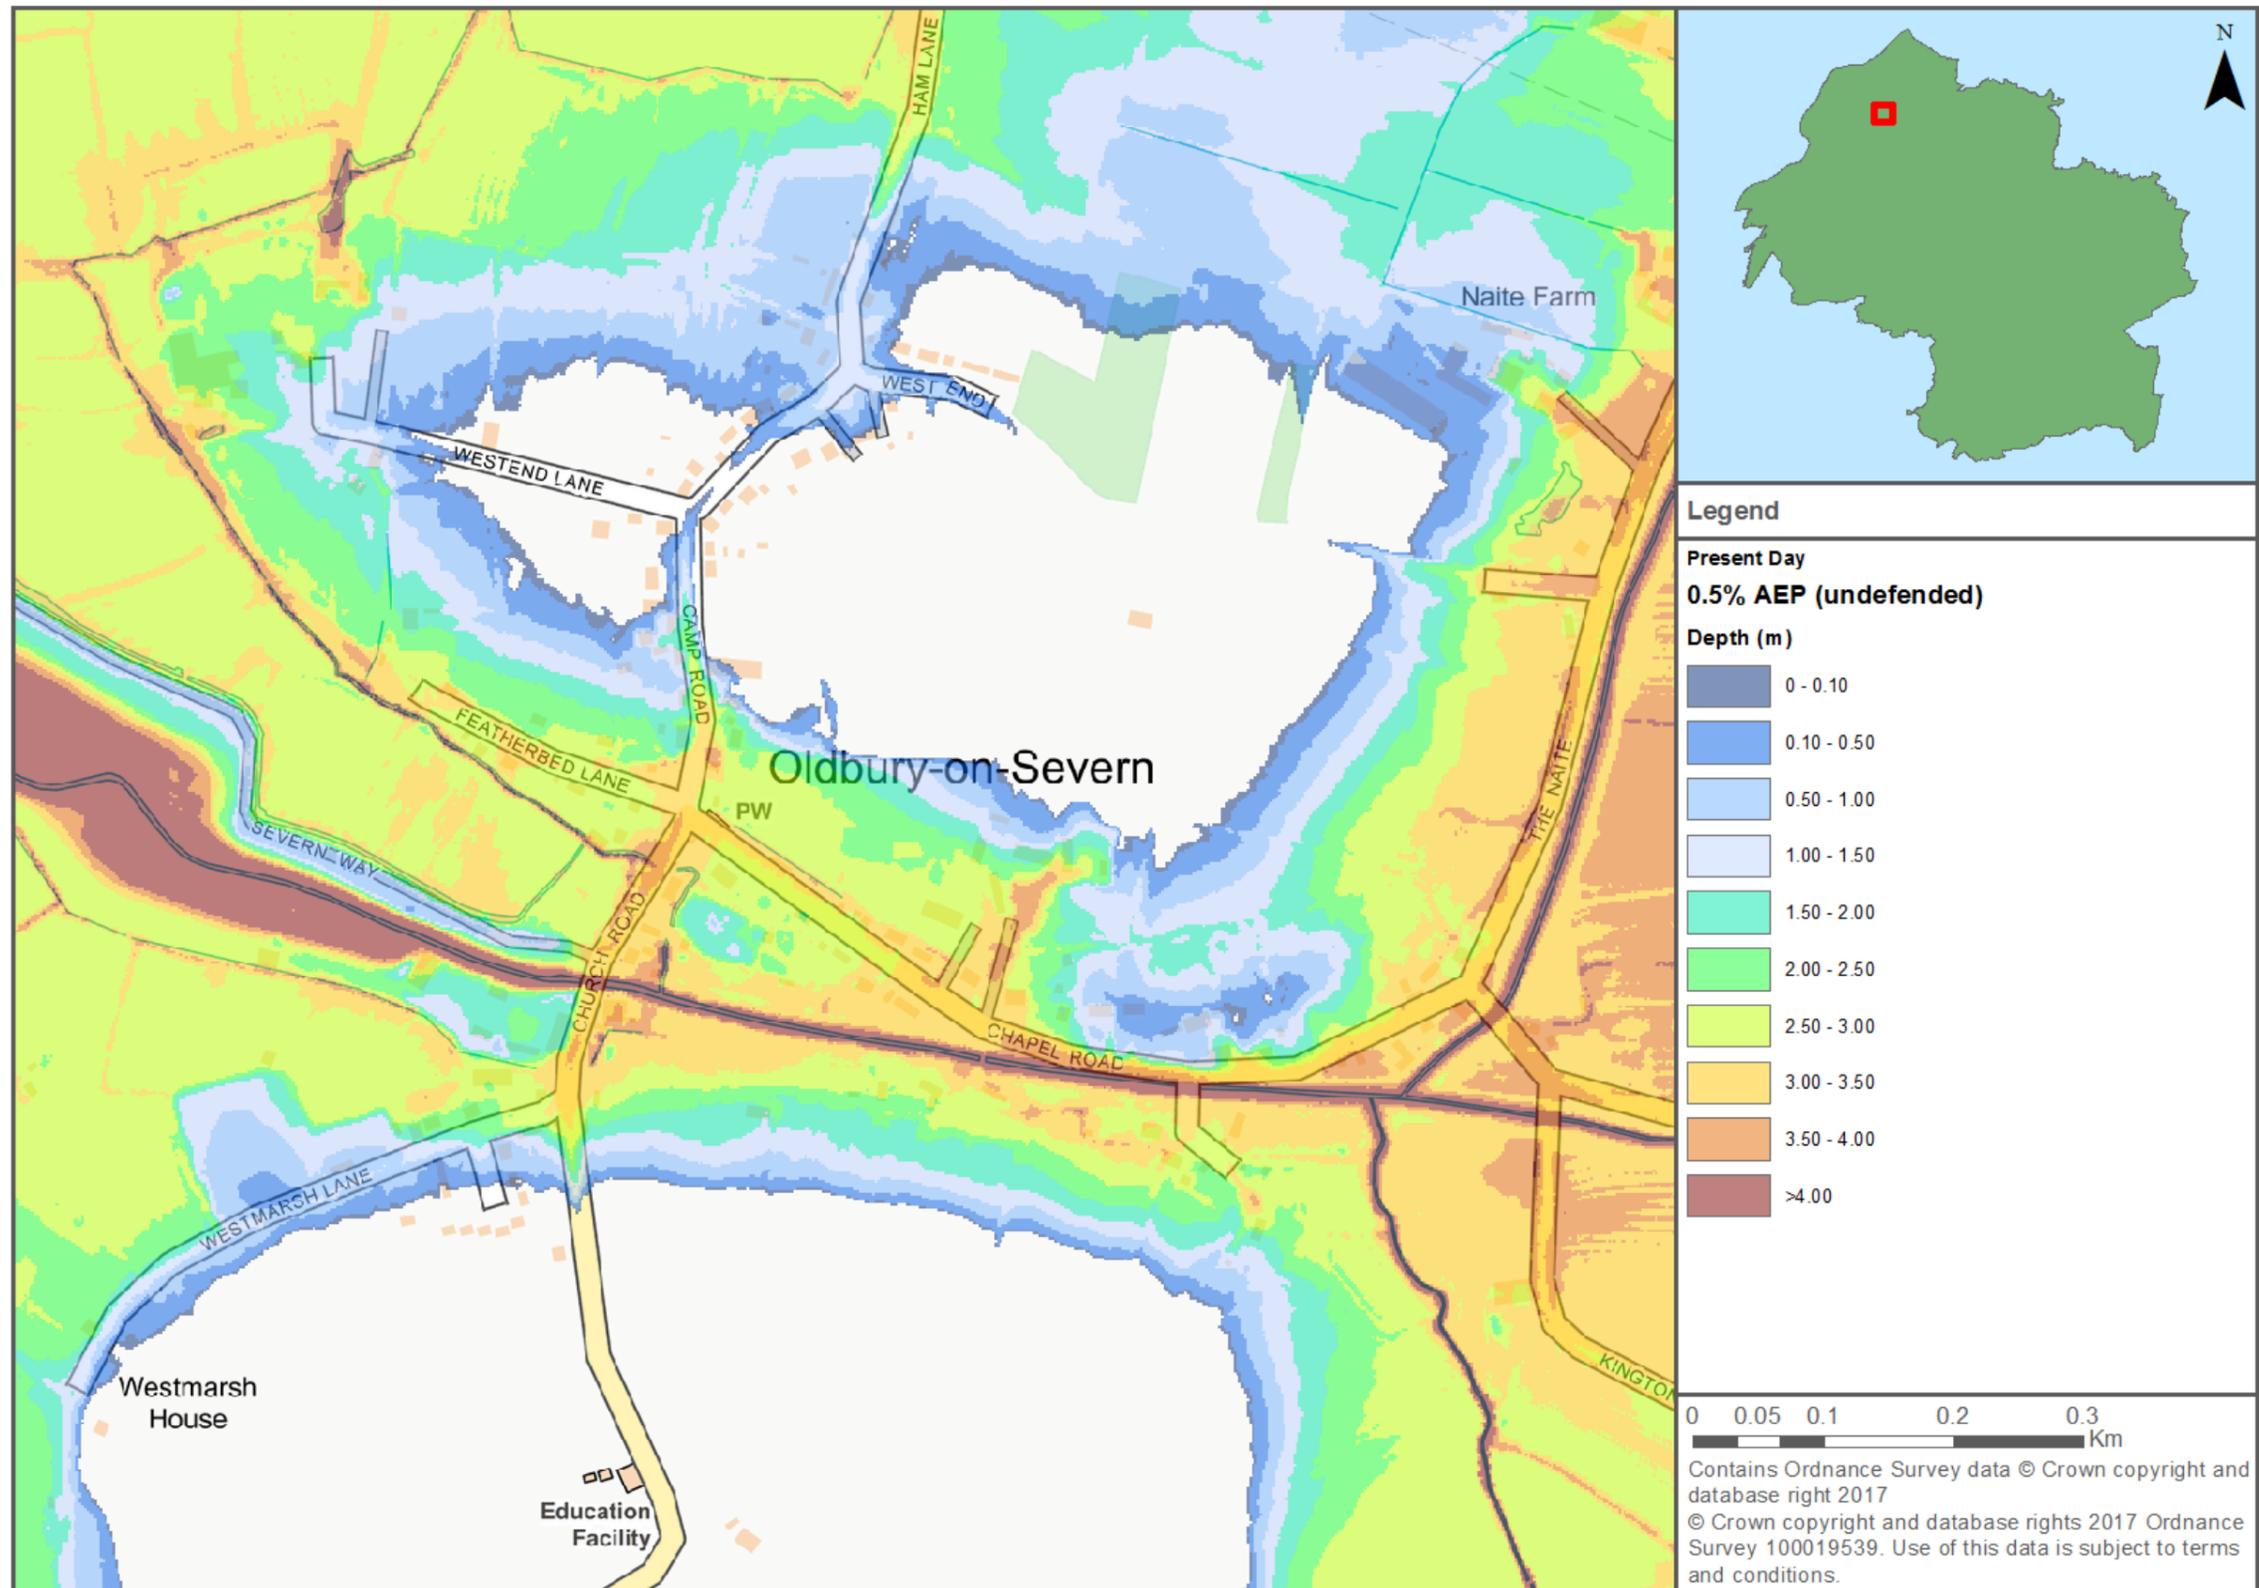

Figure C-16: 0.1% AEP event (present day – undefended) depths

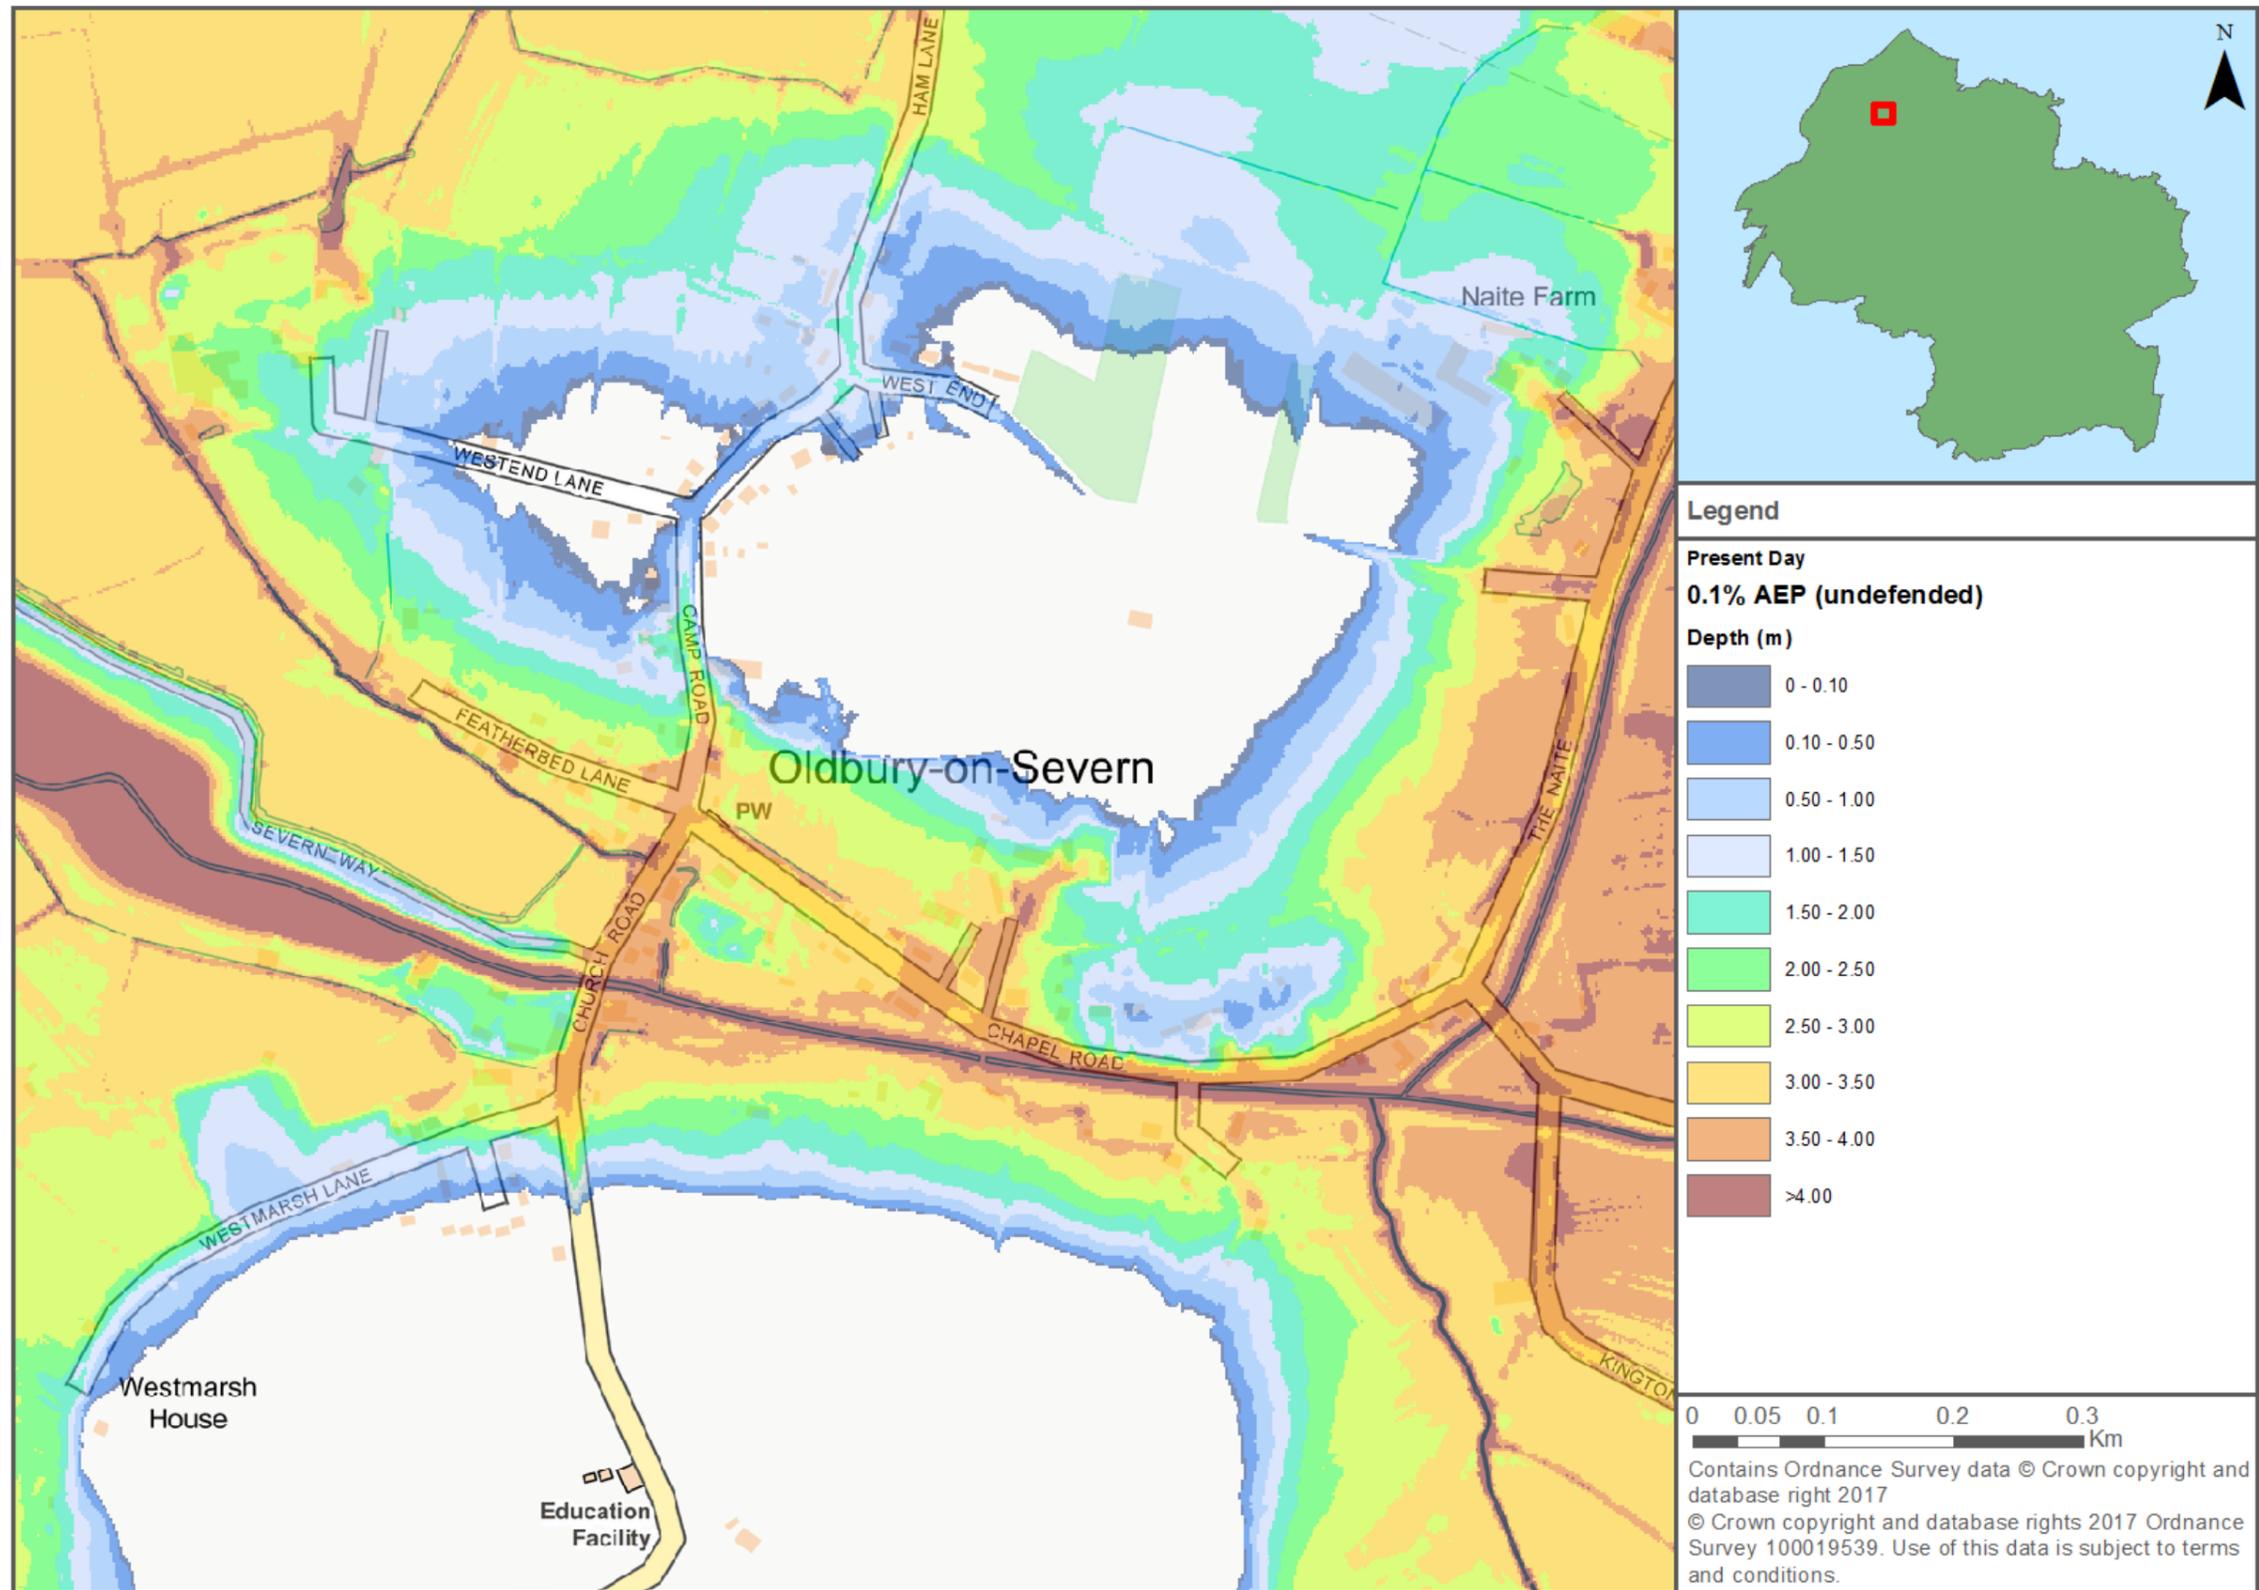

Figure C-17: 0.5% AEP event (future to 2117 – defended) depths

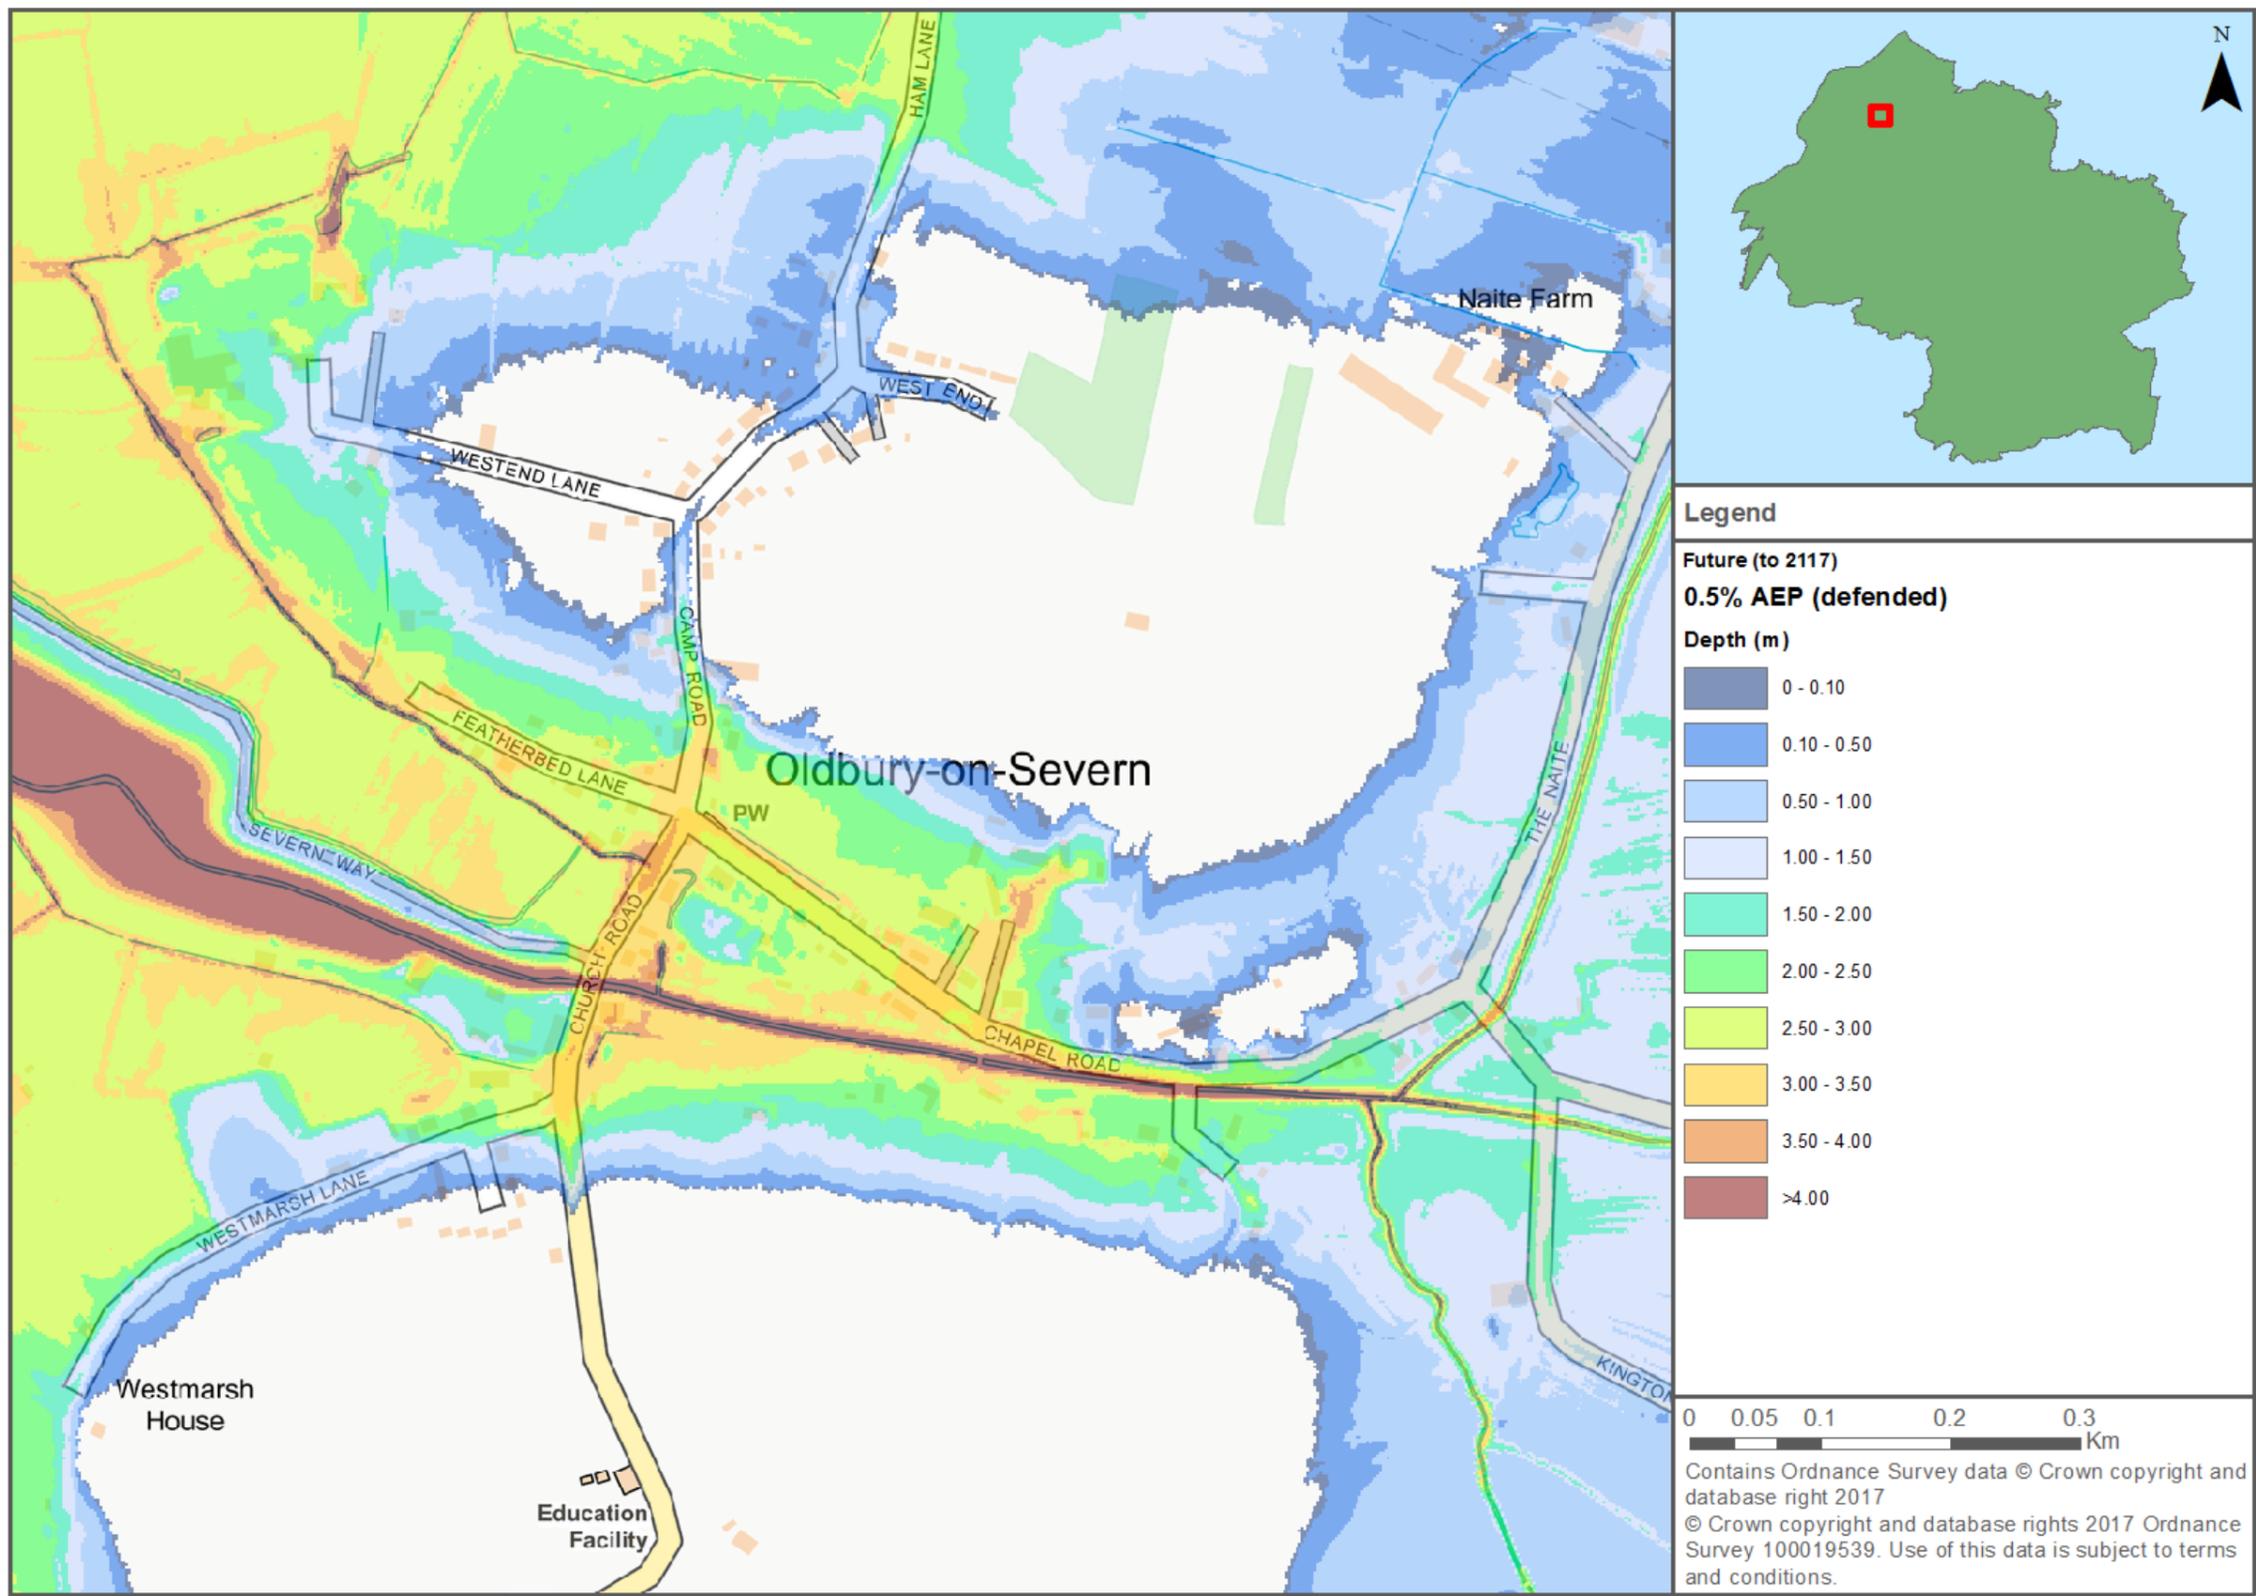

Figure C-18: 0.1% AEP event (future to 2117 – defended) depths

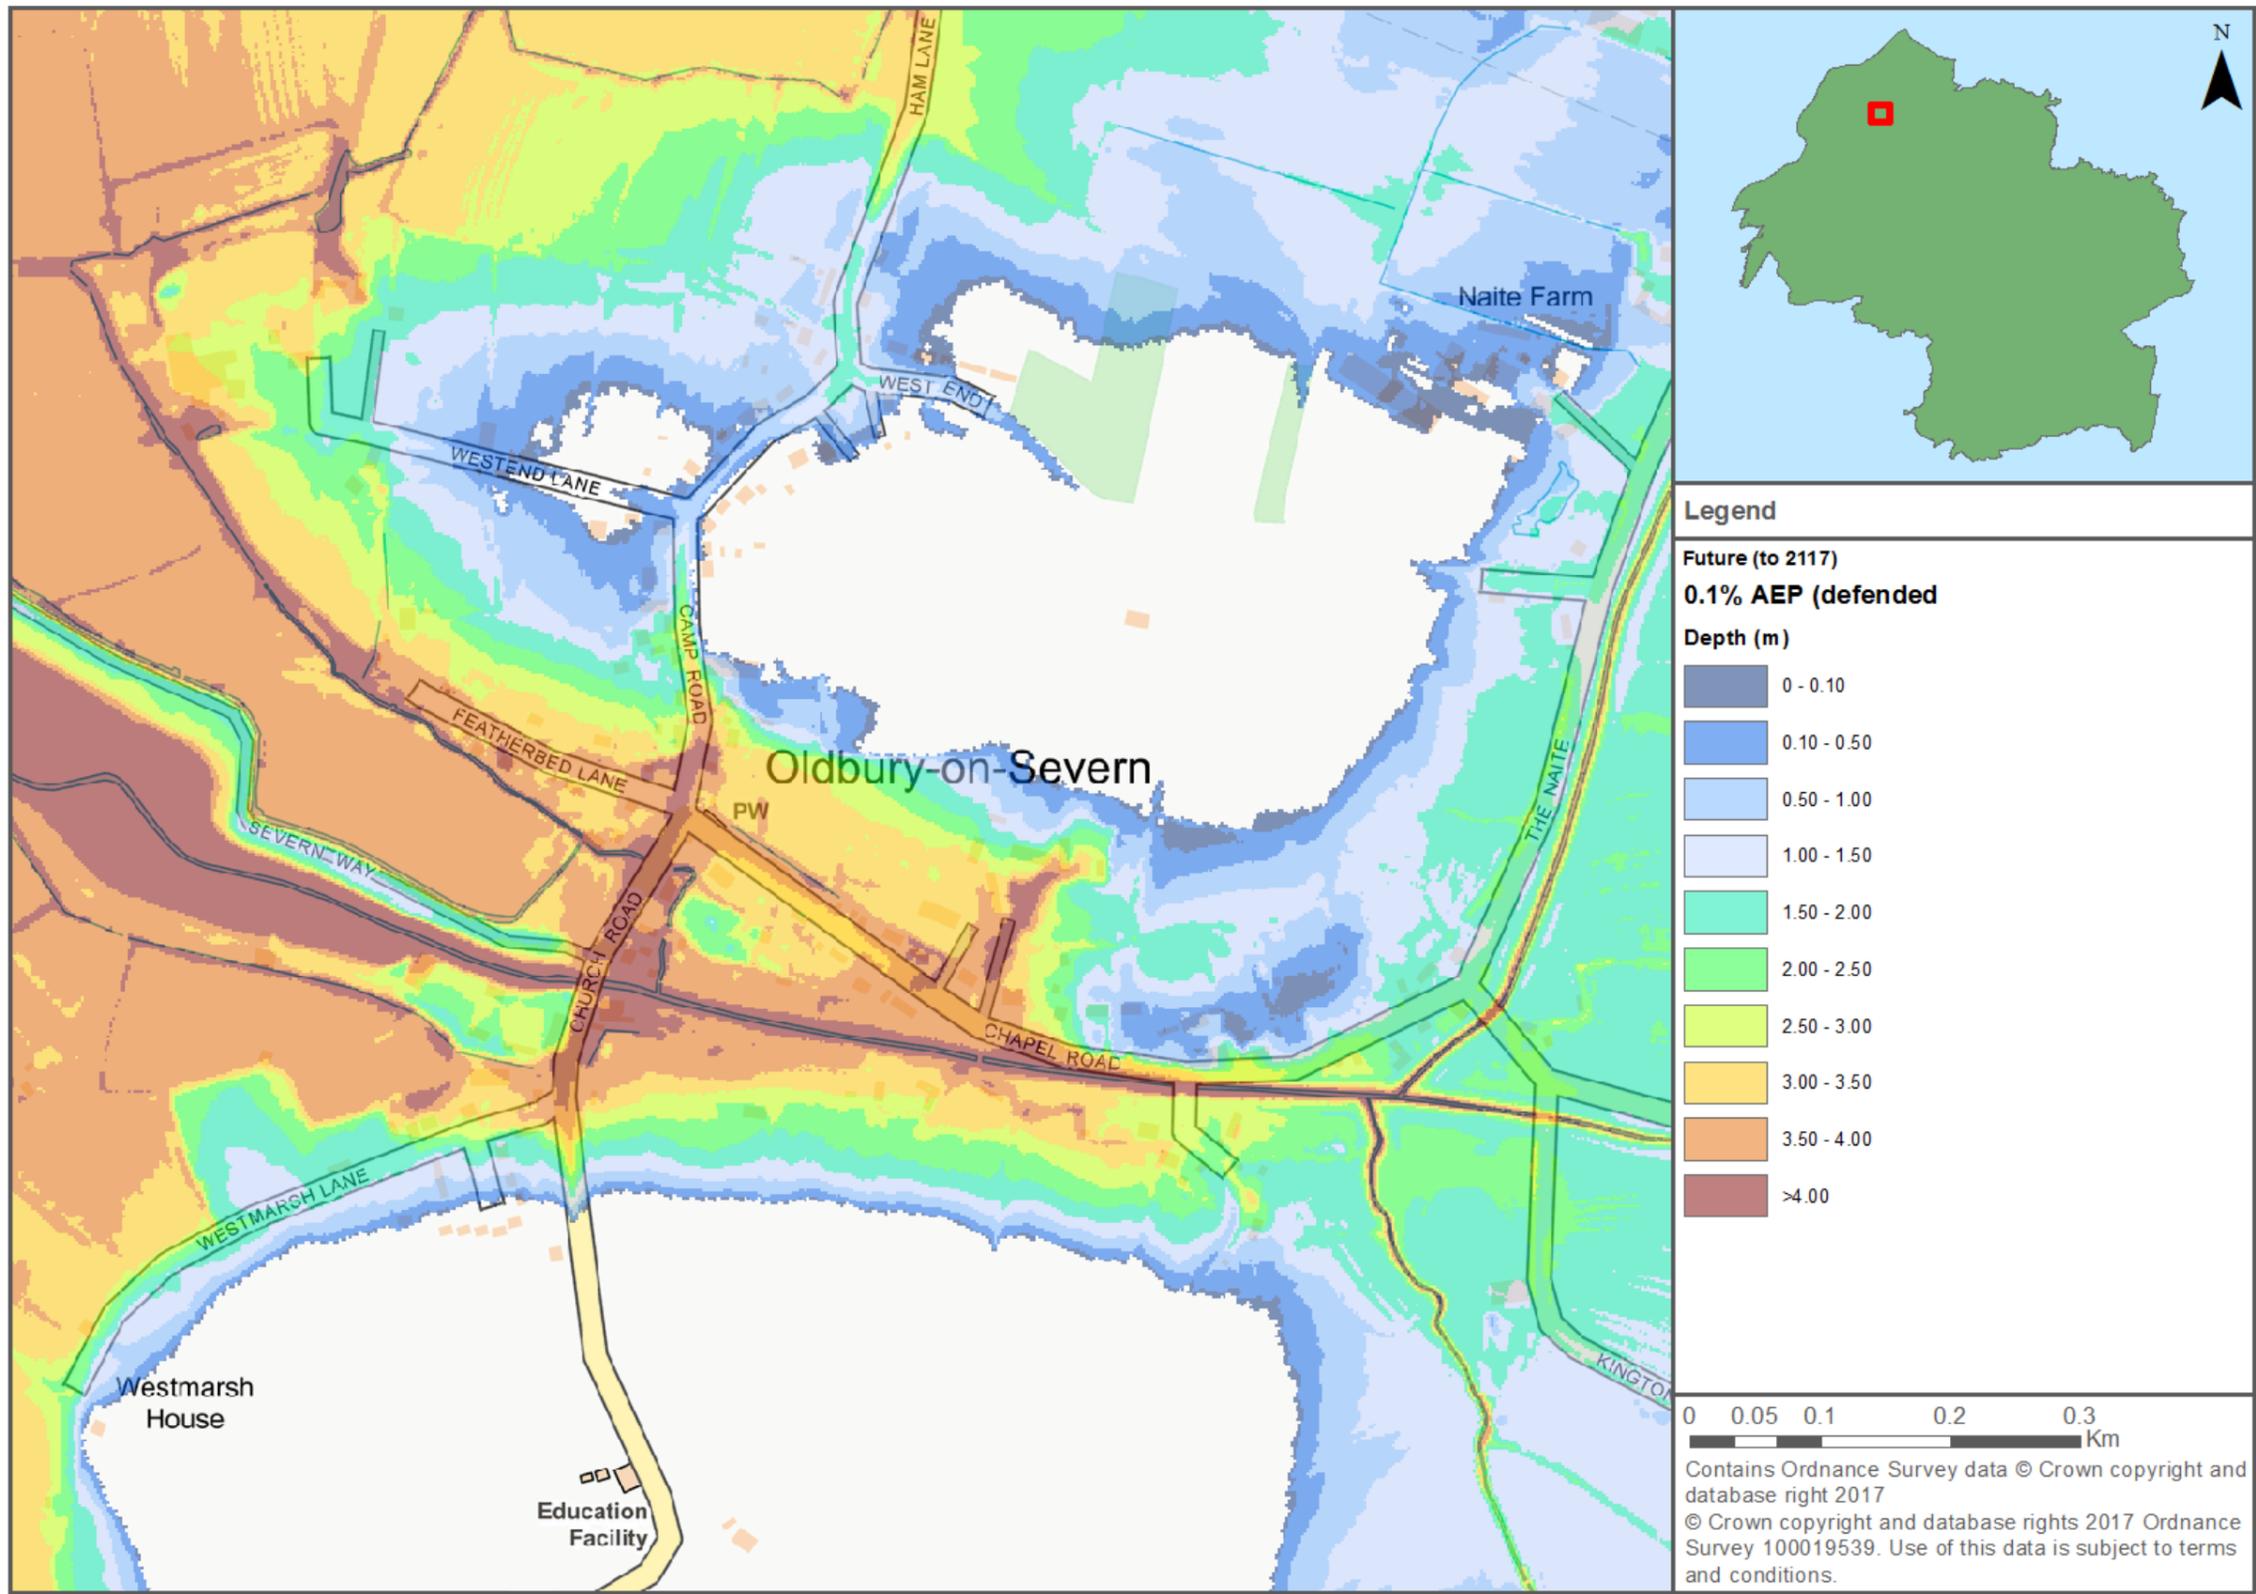

Figure C-19: 0.5% AEP event (future to 2117 – defended) hazard

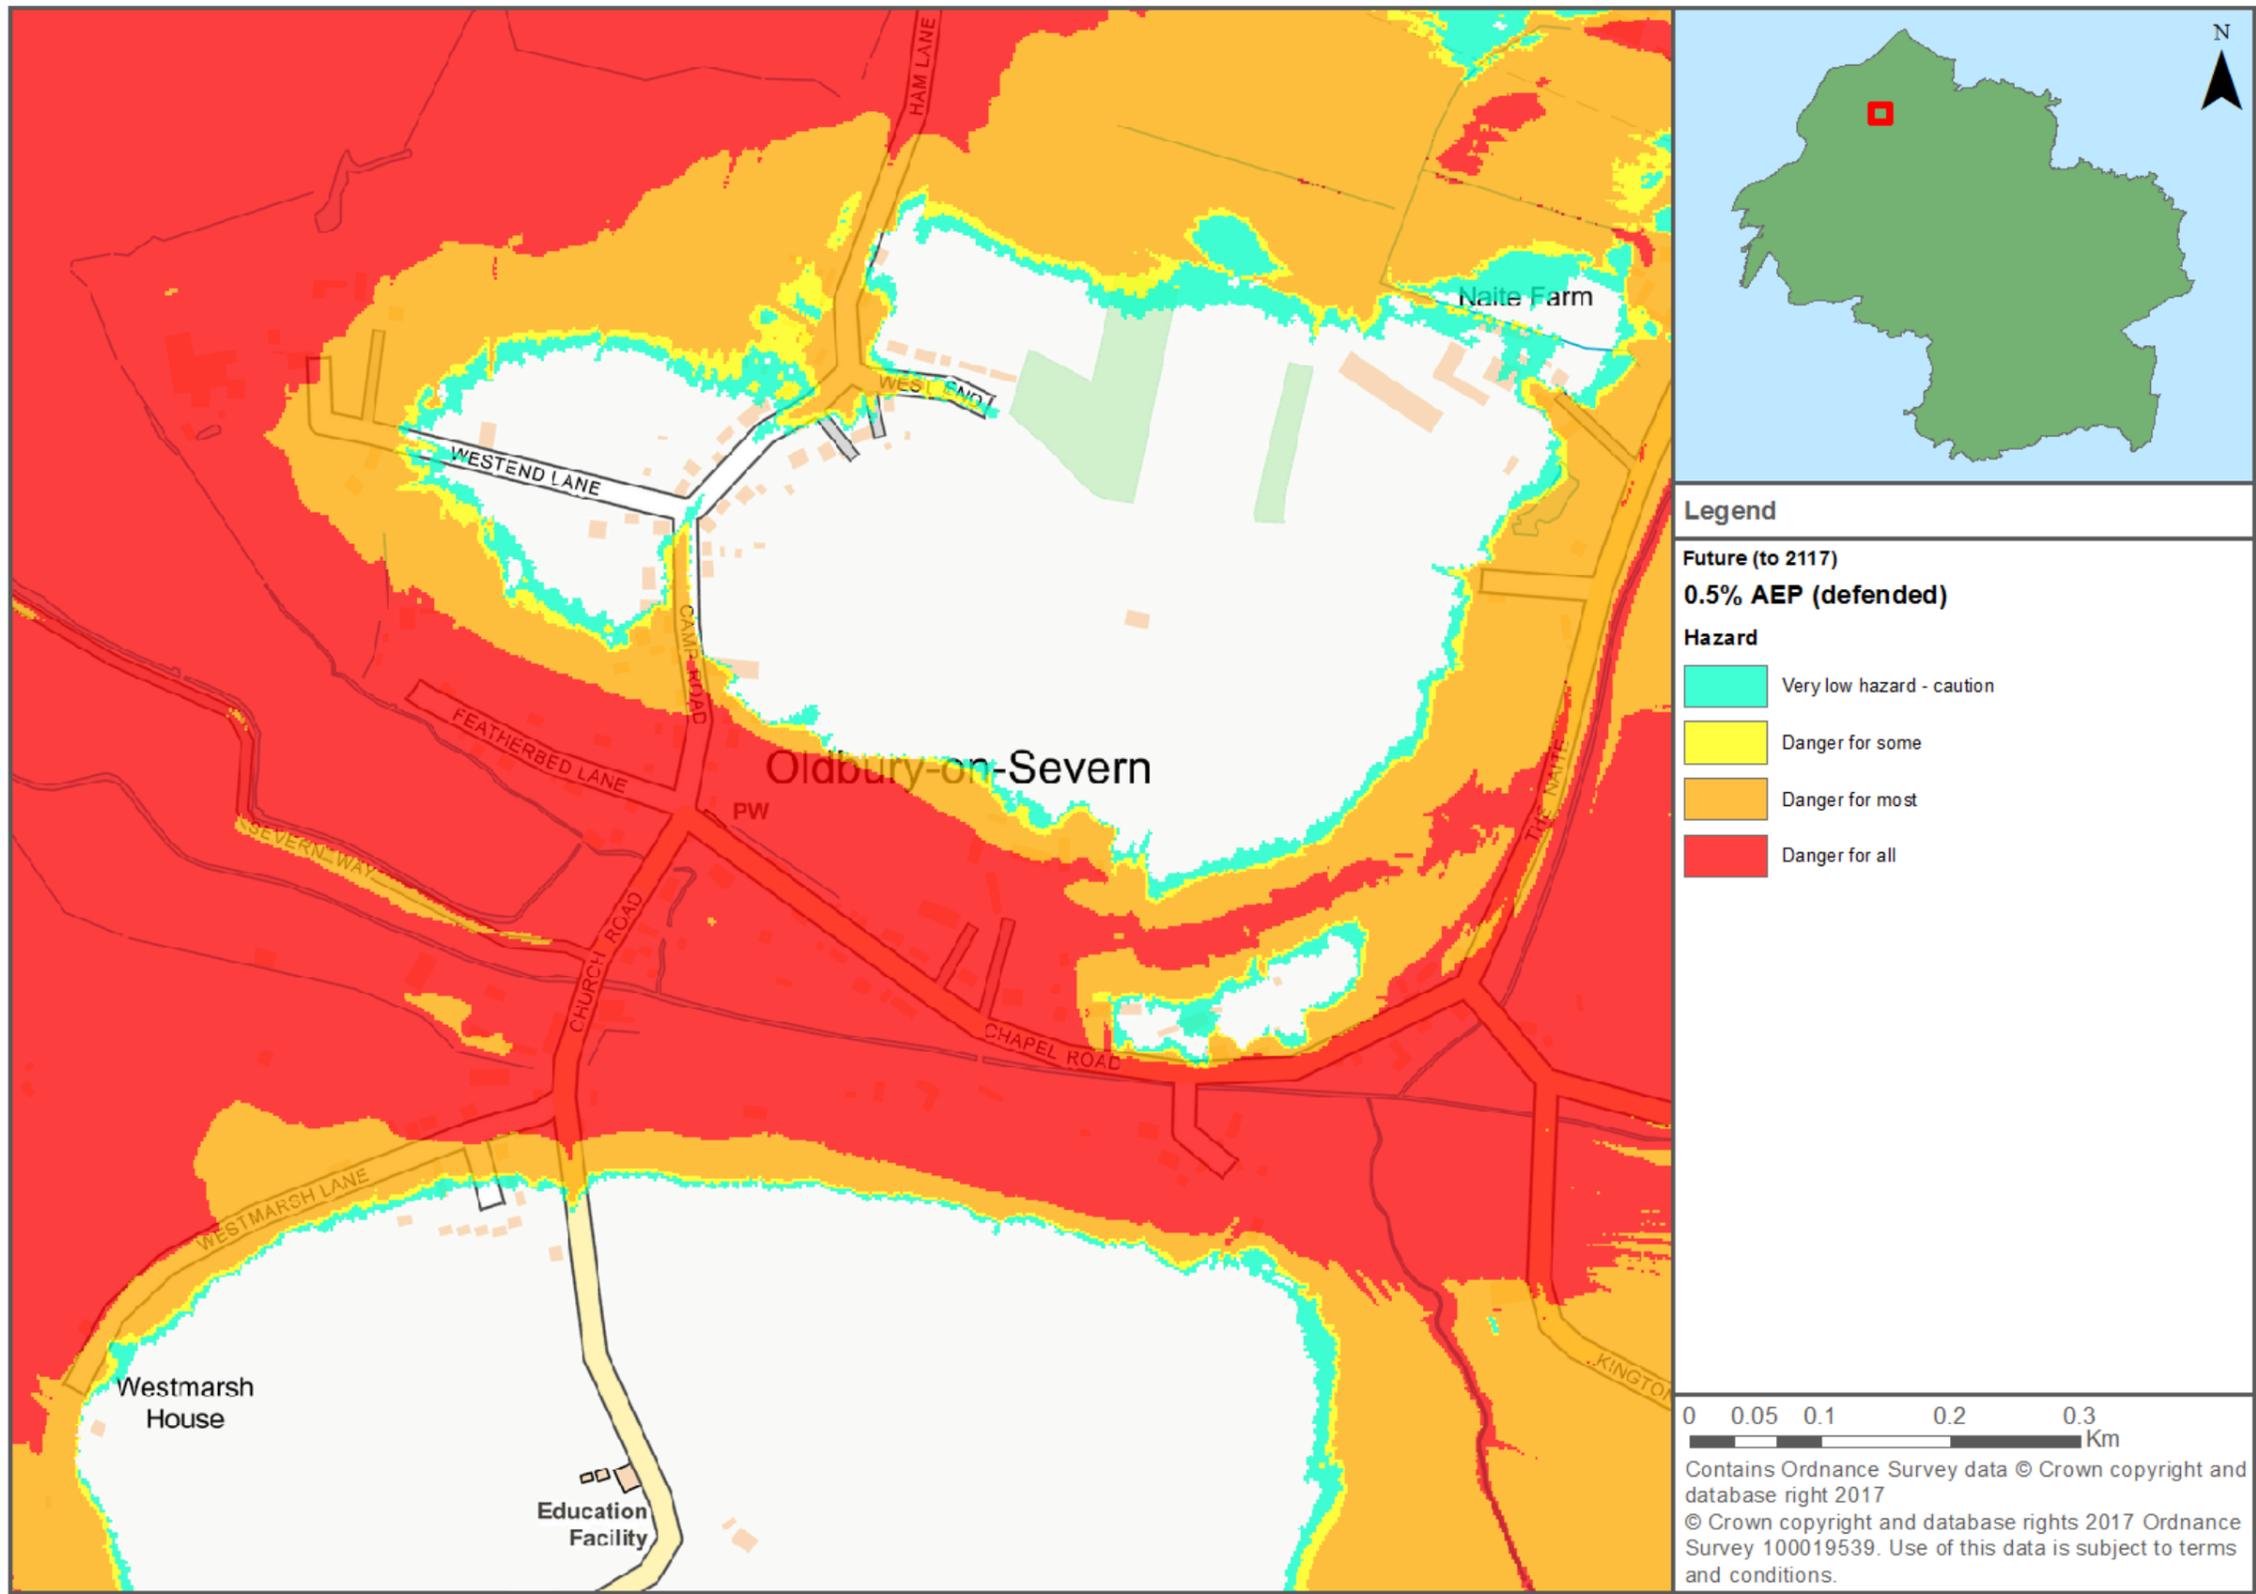

Figure C-20: 0.1% AEP event (future to 2117 – defended) hazard

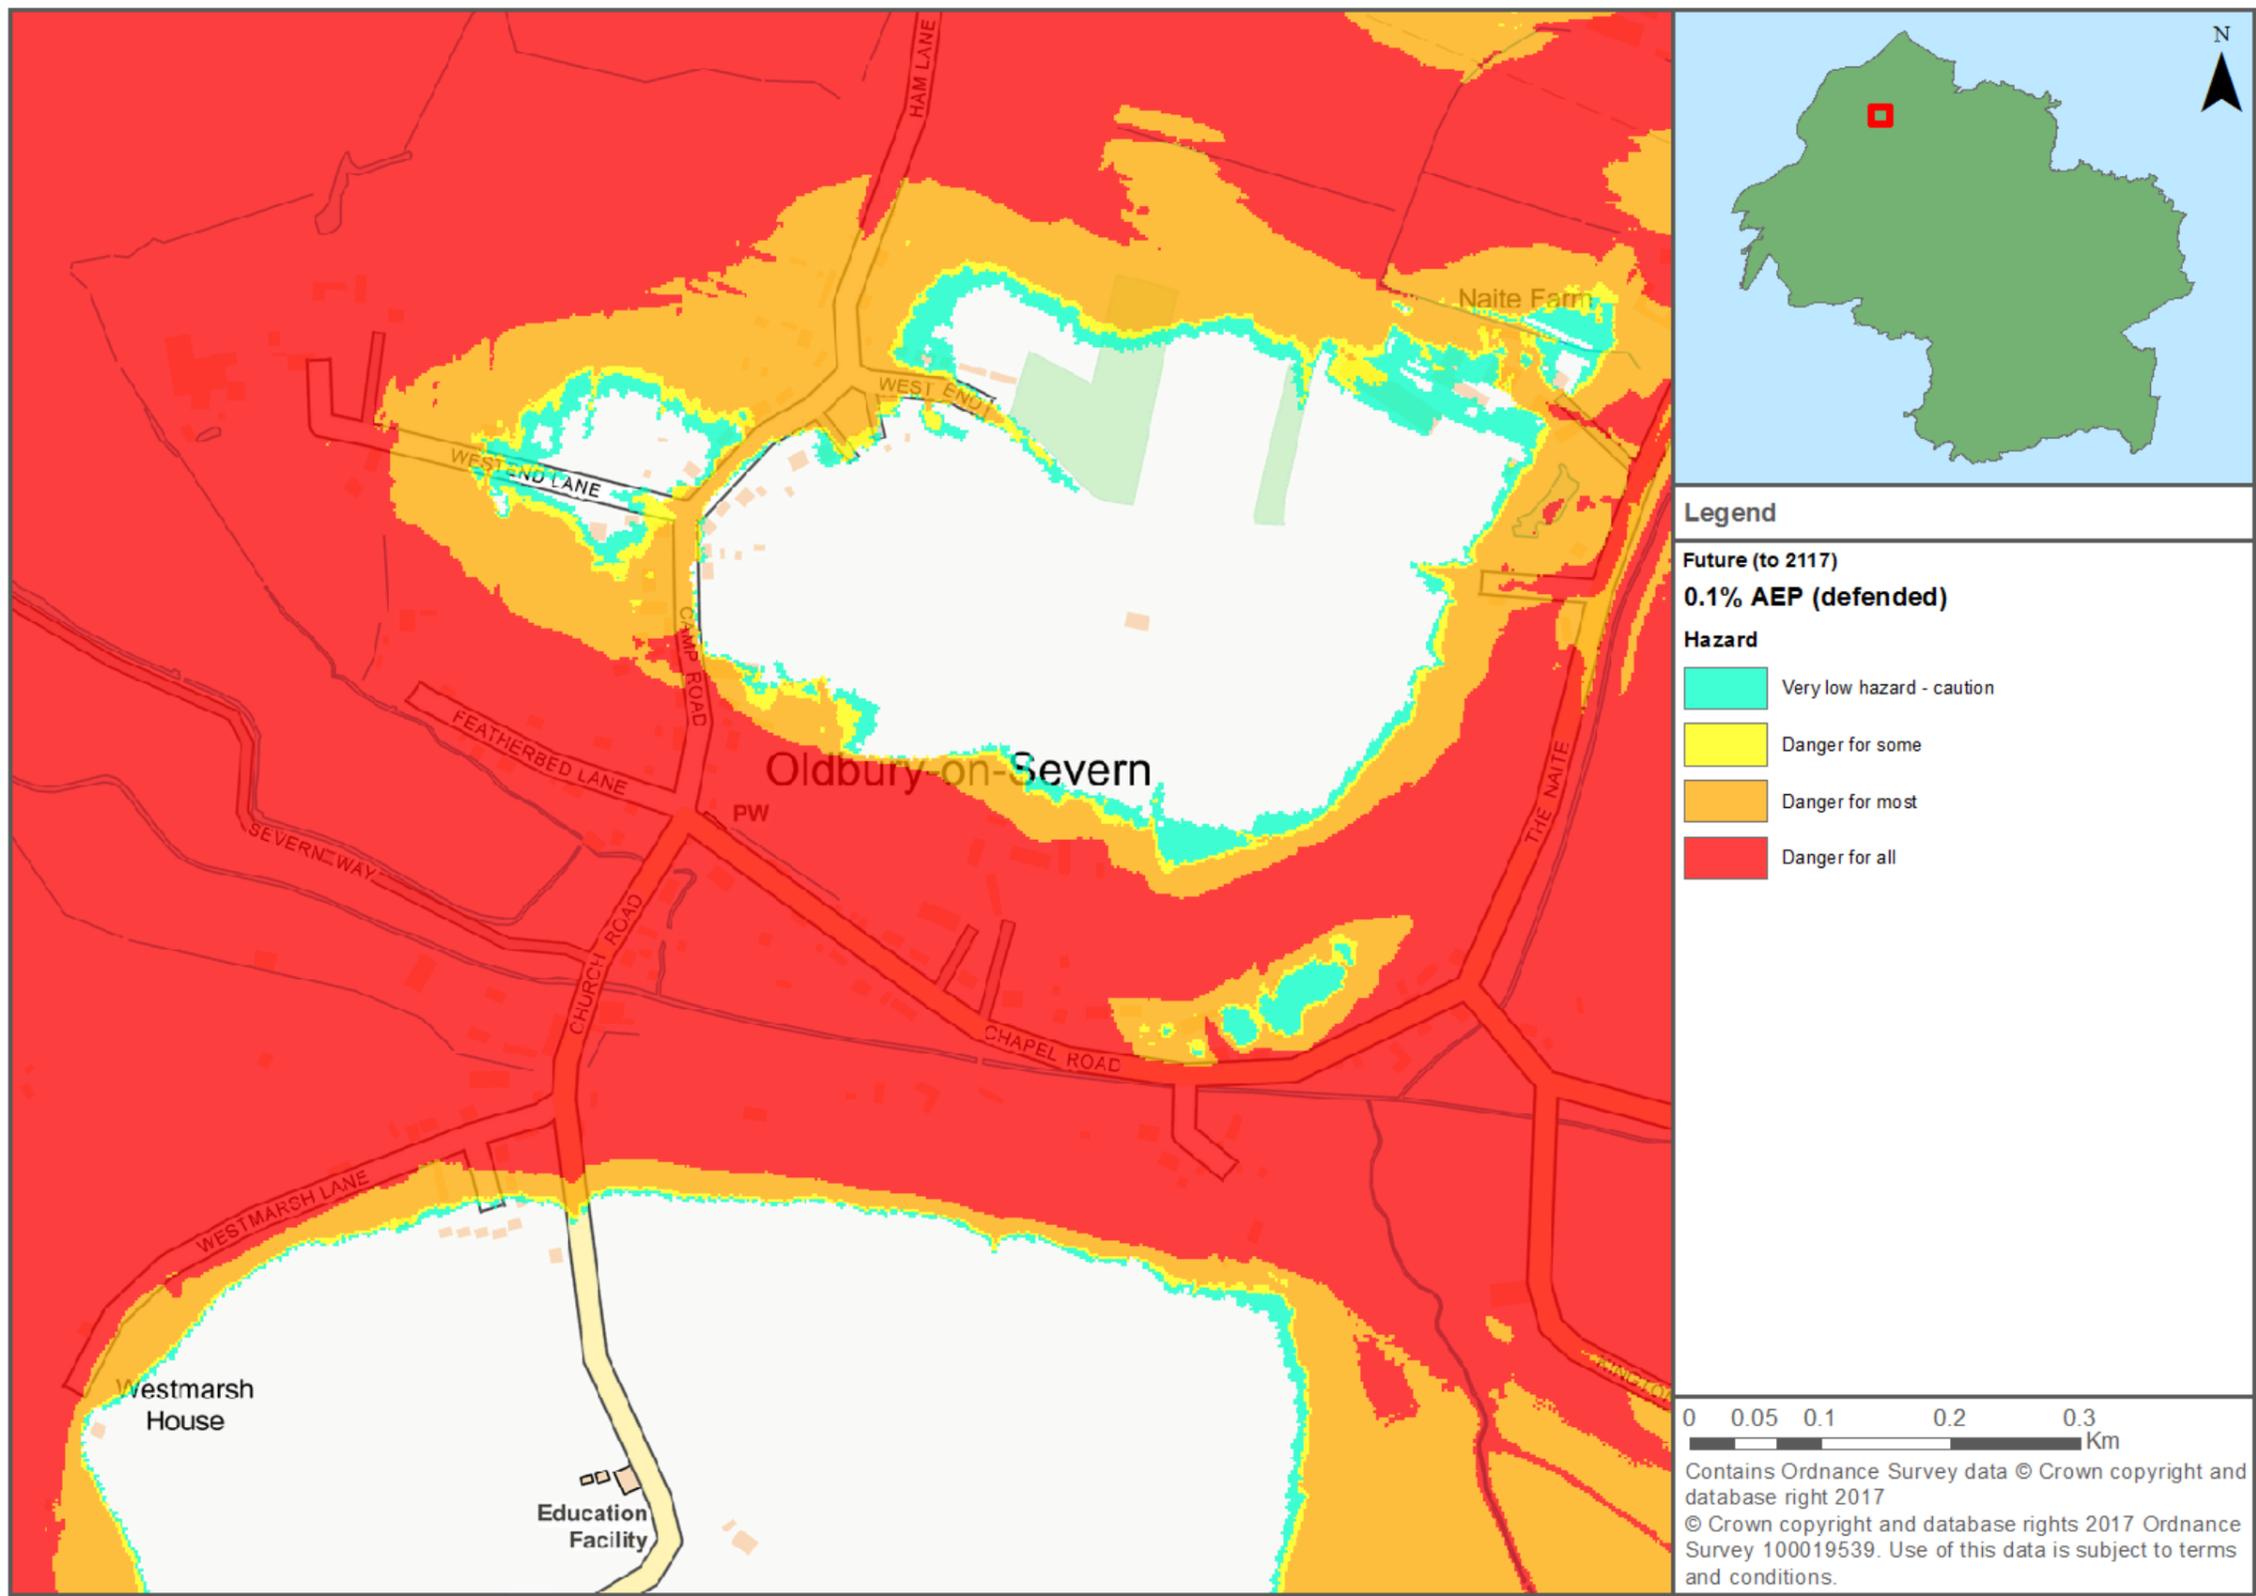

Figure C-21: 0.5% AEP event (future to 2117 – undefended) depths

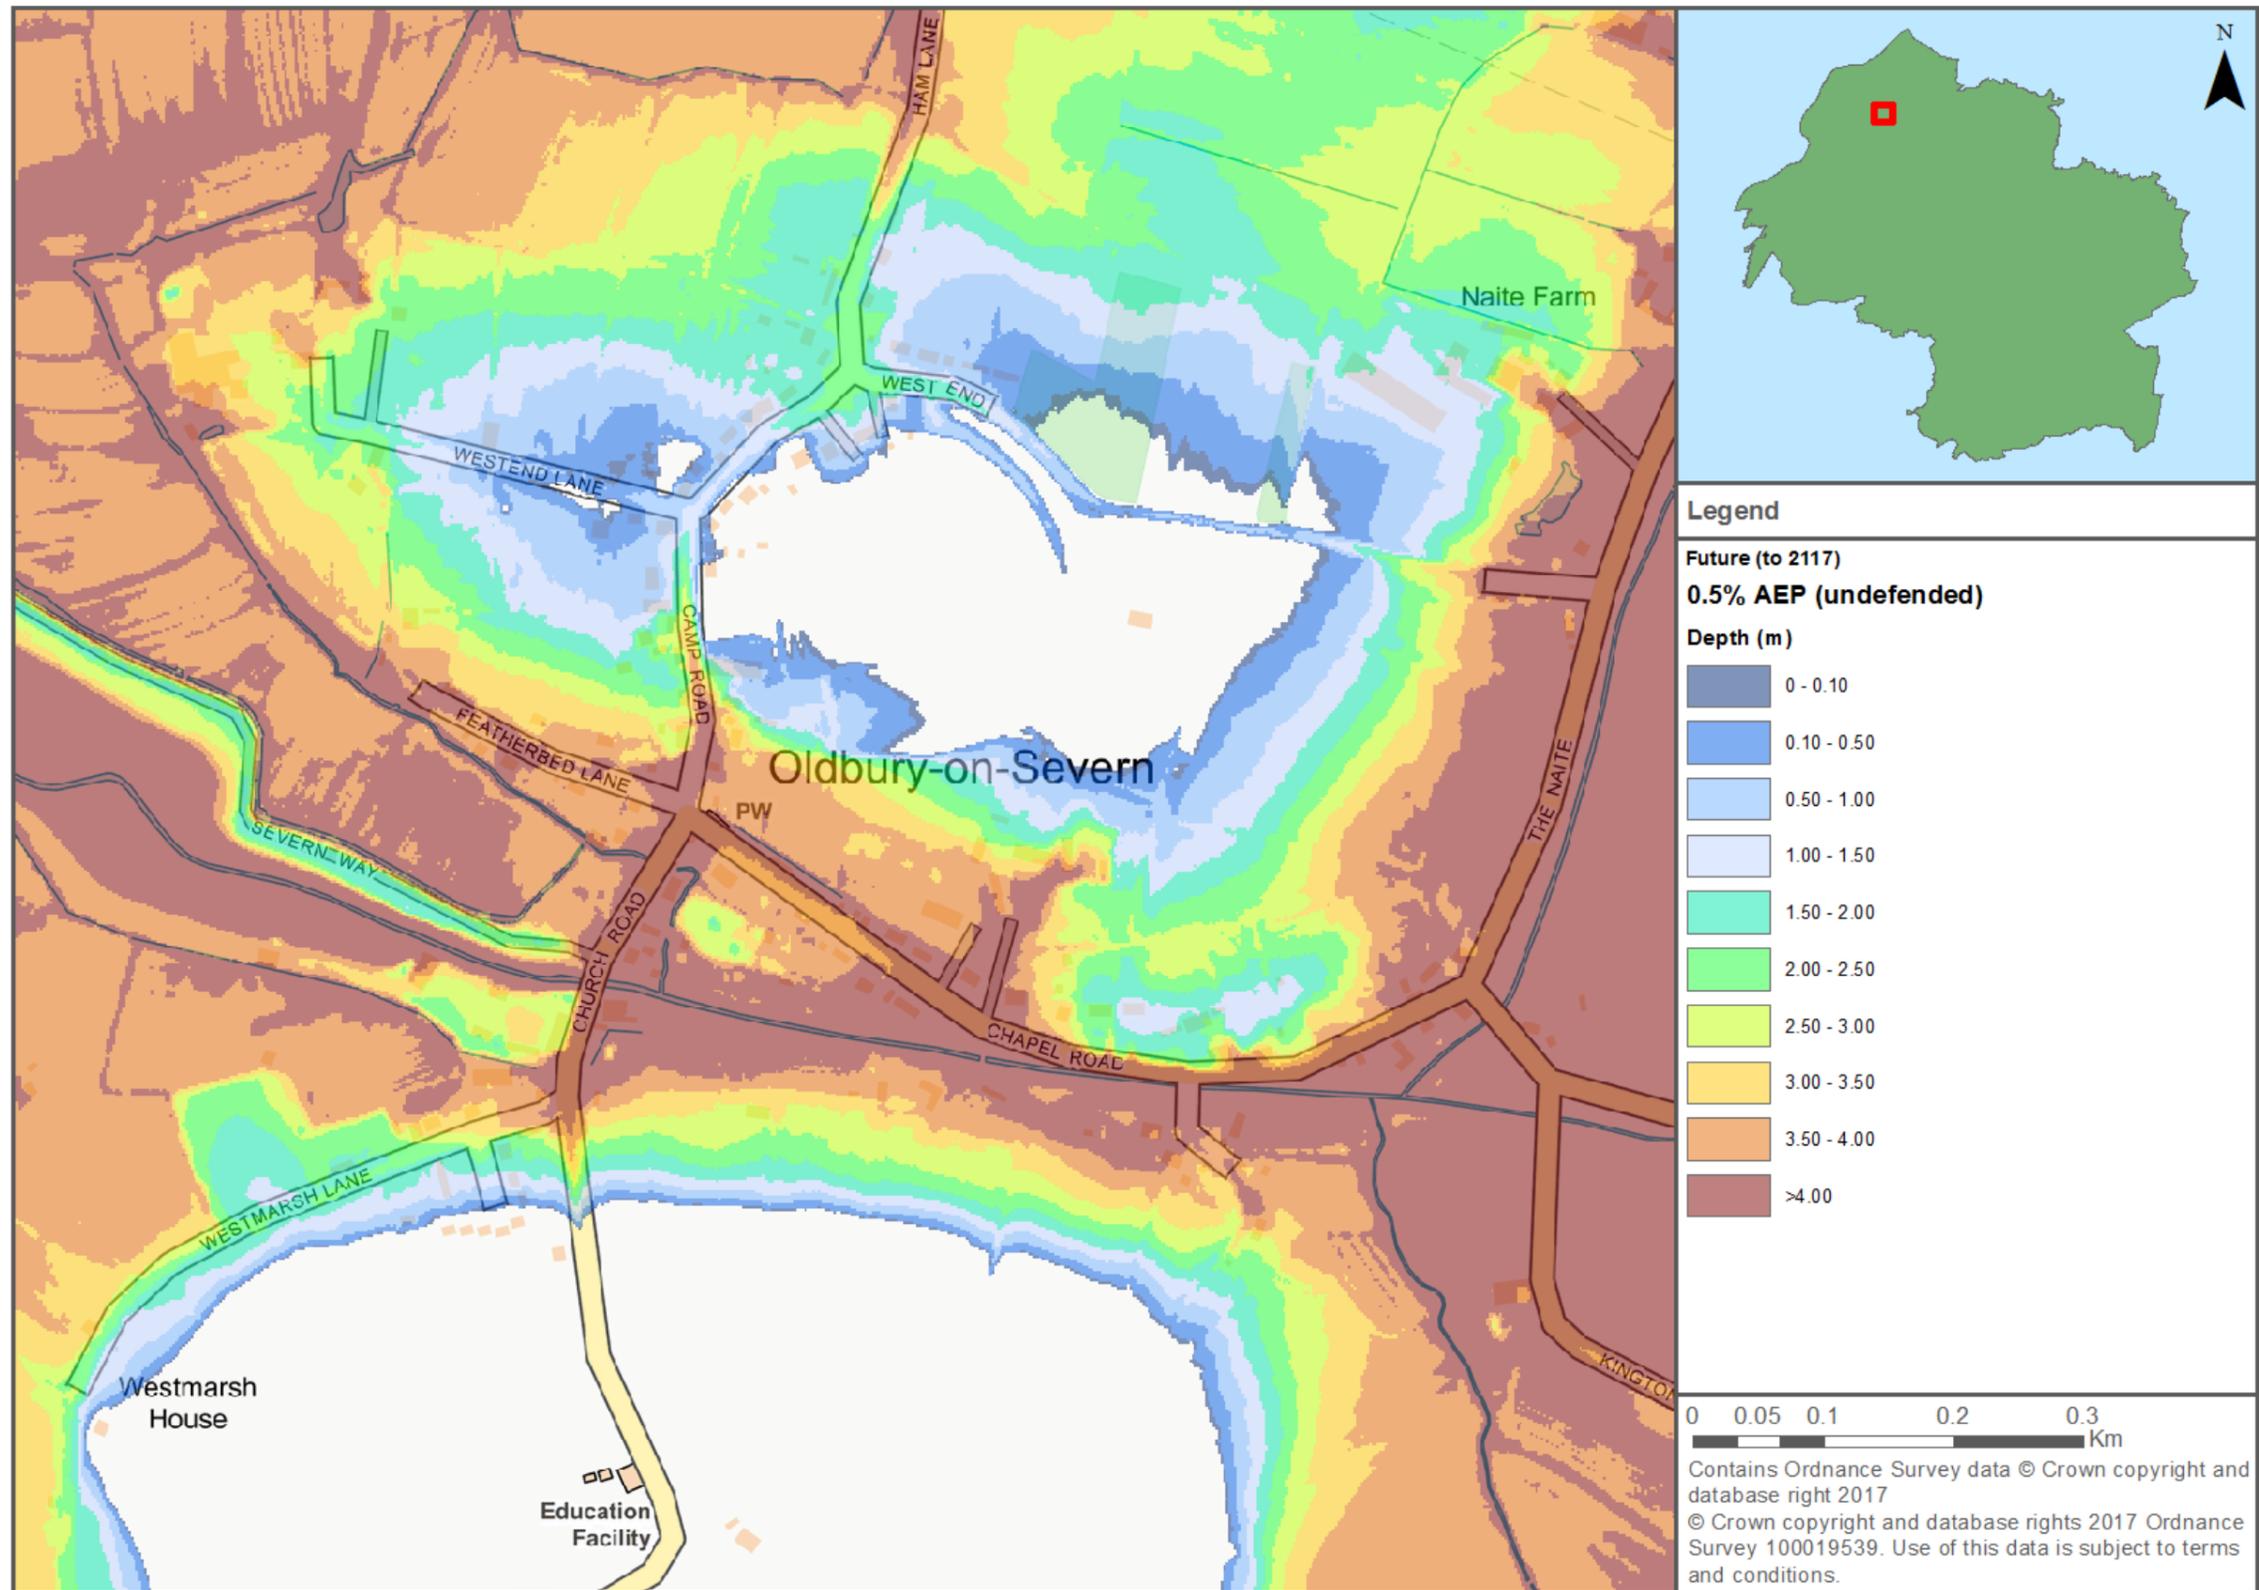

Figure C-22: 0.1% AEP event (future to 2117 – undefended) depths
